Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women

**Mary Ann Gillies, Helen Sword, Steven
G. Yao**

Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women:

Modern Girls, Shining Stars, the Skies of Tokyo Phyllis Birnbaum, 1999-03-08 The stunning biographical portraits in *Modern Girls Shining Stars the Skies of Tokyo* some adapted from essays that first appeared in *The New Yorker* explore the lives of five women who did their best to stand up and cause more trouble than was considered proper in Japanese society. Their lives stretch across a century and a half of explosive cultural and political transformations in Japan. These five artists—two actresses, two writers, and a painter—were noted for their talents, their beauty, and their love affairs rather than for any association with politics. But through the fearlessness of their art and their private lives they influenced the attitudes of their times and challenged the status quo. Phyllis Birnbaum presents her subjects from various perspectives, allowing them to shine forth in all of their contradictory brilliance: generous and petulant, daring and timid, prudent and foolish. There is Matsui Sumako, the actress who introduced Ibsen's *Nora* and Wilde's *Salome* to Japanese audiences but is best remembered for her ambition, obstreperous temperament, and turbulent love life. We also meet Takamura Chieko, a promising but ultimately disappointed modernist painter whose descent into mental illness was immortalized in poetry by a husband who may well have been the source of her troubles. In a startling act of rebellion, the sensitive aristocratic poet Yanagiwara Byakuren left her crude and powerful husband, eloped with her revolutionary lover, and published her request for a divorce in the newspapers. Uno Chiyo was a popular novelist who preferred to be remembered for the romantic wars she fought. Willful, shrewd, and ambitious, Uno struggled for sexual liberation and literary merit. Birnbaum concludes by exploring the life and career of Takamine Hideko, a Japanese film star who portrayed wholesome working-class heroines in hundreds of films, working with such directors as Naruse, Kinoshita, Ozu, and Kurosawa. Angry about a childhood spent working to provide for greedy relatives, Takamine nevertheless made peace with her troubled past and was rewarded for years of hard work with a brilliant career. Drawing on fictional accounts, interviews, memoirs, newspaper reports, and the creative works of her subjects, Birnbaum has created vivid, seamless narrative portraits of these five remarkable women.

Becoming Modern Women

Michiko Suzuki, 2010 *Becoming Modern Women: Love and Female Identity in Prewar Japanese Literature and Culture* is a literary and cultural history of love and female identity in Japan during the 1910s–30s.

Modern Japan, Student

Economy Edition Mikiso Hane, 2018-04-27 This book presents the essential facts of modern Japanese history. It covers a variety of important developments through the 1990s, giving special consideration to how traditional Japanese modes of thought and behavior have affected the recent developments.

Gendering Modern Japanese History Barbara

Molony, Kathleen Uno, 2020-05-11 In the past quarter century, gender has emerged as a lively area of inquiry for historians and other scholars, and gender analysis has suggested important revisions of the master narratives of national histories: the dominant, often celebratory tales of the successes of a nation and its leaders. Although modern Japanese history has not yet been restructured by a foregrounding of gender, historians of Japan have begun to embrace gender as an analytic category.

The sixteen chapters in this volume treat men as well as women theories of sexuality as well as gender prescriptions and same sex as well as heterosexual relations in the period from 1868 to the present All of them take the position that history is gendered that is historians invariably perhaps unconsciously construct a gendered notion of past events people and ideas Together these essays construct a history informed by the idea that gender matters because it was part of the experience of people and because it often has been a central feature in the construction of modern ideologies discourses and institutions Separately each chapter examines how Japanese have en gendered their ideas institutions and society

Historical Dictionary of Modern Japanese Literature and Theater J. Scott Miller,2021-06-05 With the Meiji Restoration in 1868

Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation

Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age Historical Dictionary of Modern Japanese Literature and Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature

Historical Dictionary of Modern Japanese Literature and Theater Scott J. Miller,2009-07-01

With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age Historical Dictionary of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature narrative poetry and drama in modern Japan This book offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature *The A to Z of Modern Japanese Literature and Theater* Scott J. Miller,2010 The A to Z of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature narrative poetry and drama in modern Japan This book offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature

The Columbia Anthology of Modern Japanese Literature J. Thomas Rimer,2007-04-24 In Volume 2 of Columbia s comprehensive anthology of modern Japanese literature thoughtfully selected and carefully translated readings portray the vast changes that have transformed Japanese culture since the end of the Pacific War Beginning with the Allied Occupation

in 1945 and concluding with the early twenty first century these stories poems plays and essays reflect Japan s heady transition from poverty to prosperity its struggle with conflicting ideologies and political beliefs and the growing influence of popular culture on the country s artistic and intellectual traditions Organized chronologically and by genre within each period readings include fiction by Hayashi Fumiko and Oe Kenzaburo poems by Ayukawa Nobuo Katsura Nobuko and Saito Fumi plays by Mishima Yukio and Shimizu Kunio and a number of essays among them Eto Jun on Natsume Soseki and his brilliant novel Kokoro The Heart of Things and Kawabata Yasunari on the shape of his literary career and the enduring influence of classical Japanese literature Some authors train a keen eye on the contemporary world while others address the historical past and its relationship to modern culture Some adopt an even broader scope and turn to European models for inspiration while others look inward exploring psychological and sexual terrain in new often daring ways Spanning almost six decades this anthology provides a thorough introduction to a profound period of creative activity *The Columbia Anthology of Modern Japanese Literature: From restoration to occupation, 1868-1945* J. Thomas Rimer, Van C. Gessel, 2005 1870s continues through the years of social change preceding World War I and the bold and innovative writing of the interwar period and concludes with works written during World War II Each chapter includes a helpful critical introduction and biographical introductions for each writer

Representing the Other in Modern Japanese Literature Rachael Hutchinson, Mark Williams, 2006-09-27 Representing the Other in Modern Japanese Literature looks at the ways in which authors writing in Japanese in the twentieth century constructed a division between the Self and the Other in their work Drawing on methodology from Foucault and Lacan the clearly presented essays seek to show how Japanese writers have responded to the central question of what it means to be Japanese and of how best to define their identity Taking geographical racial and ethnic identity as a starting point to explore Japan s vision of non Japan representations of the Other are examined in terms of the experiences of Japanese authors abroad and in the imaginary lands envisioned by authors in Japan Using a diverse cross section of writers and texts as case studies this edited volume brings together contributions from a number of leading international experts in the field and is written at an accessible level making it essential reading for those working in Japanese studies colonialism identity studies and nationalism

The New Japanese Woman Barbara Sato, 2003-04-16 A study of the modern woman in Japan before World War II

Pacific Rim Modernisms Mary Ann Gillies, Helen Sword, Steven G. Yao, 2009-01-01 Pacific Rim Modernisms explores the complex ways that writers artists and intellectuals of the Pacific Rim have contributed to modernist culture literature and identity

Coffee Life in Japan Merry White, 2012-05 This fascinating book part ethnography part memoir traces Japan s vibrant caf society over one hundred and thirty years Merry White traces Japan s coffee craze from the turn of the twentieth century when Japan helped to launch the Brazilian coffee industry to the present day as uniquely Japanese ways with coffee surface in Europe and America White s book takes up themes as diverse as gender privacy perfectionism and urbanism She shows how coffee and coffee spaces have

been central to the formation of Japanese notions about the uses of public space social change modernity and pleasure White describes how the caf in Japan from its start in 1888 has been a place to encounter new ideas and experiments in thought behavior sexuality dress and taste It is where a person can be socially artistically or philosophically engaged or politically vocal It is also importantly an urban oasis where one can be private in public

I'm Married to Your Company! Masako Itoh,2008 This approachable and absorbing book offers a unique window into Japanese culture and language Highlighting the overlooked world of the silent majority the housewives and mothers who are the mainstay of Japanese society this work tells the stories of ordinary women in their own voices An annotated translation of a Japanese bestseller the volume explores the daily communication of Japanese women and what their words tell us about their relationships and lives in a globalized post industrial yet still often male dominated Japan Readers will find that many issues explored here are universal to women everywhere while others are specific to Japan With added cultural context and commentary the book offers a fresh understanding of Japanese society even for those who have had little exposure to Japan Students in diverse fields ranging from anthropology to women s studies and from communications to Asian studies will find this an insightful and provocative work

The Avant-Garde and the Popular in Modern China Liang Luo,2014-07-15 The Avant Garde and the Popular in Modern China explores how an important group of Chinese performing artists invested in politics and the pursuit of the avant garde came to terms with different ways of being popular in modern times In particular playwright and activist Tian Han 1898 1968 exemplified the instability of conventional delineations between the avant garde popular culture and political propaganda Liang Luo traces Tian s trajectory through key moments in the evolution of twentieth century Chinese national culture from the Christian socialist cosmopolitanism of post WWI Tokyo to the urban modernism of Shanghai in 1920s and 30s then into the Chinese hinterland during the late 1930s and 40s and finally to the Communist Beijing of the 1950s revealing the dynamic interplay of art and politics throughout this period Understanding Tian in his time sheds light upon a new generation of contemporary Chinese avant gardists Ai Wei Wei being the best known who half a century later are similarly engaging national politics and popular culture

The Cinema of Naruse Mikio Catherine Russell,2008-09-08 The first English language book dedicated to an analysis of Naruse Mikio one of Japan s most prolific directors whose films provide unique insight into the representation of female subjectivity and modernity in Japan

Glory in a Line Phyllis Birnbaum,2006 The first English language biography of the renowned Japanese artist recounts Foujita s fascinating and tumultuous life in an in depth portrait that also assesses the appeal of his distinctive and flamboyant paintings

A Japanese Joint Venture in the Pacific Kate Barclay,2008-02 The Japanese and other Asians are increasingly taking over some of the roles previously played by Europeans in the Pacific Islands This book considers the role of the Japanese in the Solomon Islands focusing especially on a joint venture between the Japanese multinational Maruha Corporation and the Solomon Islands government

Leaving America John R. Wennersten,2007-11-30 Today more than ever large numbers of

Americans are leaving the United States It is estimated that by the end of the decade some 10 million of the brightest and most talented Americans representing an estimated 136 billion in wages will be living and working overseas This emigration trend contradicts the internalized myth of America as the land of affluence opportunity and freedom What is behind this trend Wennersten argues that many people these days from college students to retirees are uncertain or ambivalent about what it means to be an American For example many are uncomfortable with that they believe America has come to represent to the rest of the world At the same time globalization and advances in technology have enabled the growth of a telecommuting work force whose members can live in one country and work in another and this trend among other factors has encouraged a new generation of people to respond to the pull of global citizenship Leaving America is an important reexamination of one of the most central stories in the history of American culture the story of the immigrant coming to the Promised Land While millions still come to America and millions more still wish to do so there is an important counterflow of emigration from America to distant parts of the planet This book focuses on modern American expatriates as a significant and heretofore largely ignored counterpoint phenomenon every bit as central to understanding modern America as is the image of a nation of immigrants The greatest irony in America today may well be that while argument and discord prevail in the edifice of American democracy about diversity economic justice equality and the Iraq War many of the most thoughtful citizens have already left the building

The Human Tradition in Modern Japan Anne Walthall, 2002-01-01 The Human Tradition in Modern Japan is a collection of short biographies of ordinary Japanese men and women most of them unknown outside their family and locality whose lives collectively span the nineteenth and twentieth centuries Their stories present a counterweight to the prevailing stereotypes providing students with depictions of real people through the records they have left records that detail experiences and aspirations The Human Tradition in Modern Japan offers a human scale perspective that focuses on individuals reconstitutes the meaning of people's experiences as they lived through them and puts a human face on history It skillfully bridges the divides between the sexes between the local and the national and between rural and urban as well as spanning crucial moments in the history of modern Japan The Human Tradition in Modern Japan is an excellent resource for courses on Japanese history East Asian history and peoples and cultures of Japan

Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women has opened up a world of possibilities. Downloading Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern Girls Shining Stars The Skies Of Tokyo Five Japanese Women Books
