Modern Main Street Usa:

Main Street Revisited Richard V. Francaviglia, 1996-06 Popular culture Francaviglia looks sympathetically but realistically at the ways in which Main Street's image developed and persists He reaffirms that life can imitate art that the cherished icons surrounding Main Street have become the substance of popular culture Ultimately his book is about the material culture that architects town developers and image makers have left us as their legacy Seen through the lives of the visionaries who created them in their

A Reader in Themed and Immersive Spaces Scott A. Lukas, 2016 Themed spaces have at their foundation an overarching narrative symbolic complex or story that drives the overall context of their spaces Theming in some very unique ways has expanded beyond previous stereotypes and oversimplifications of culture and place to now consider new and often controversial topics themes and storylines Publisher's website

Macom Farm Tom Baldwin, 2022-11-30 Macom Farm in the Township of Prank a hideaway hamlet in Connecticut is as beautiful as it is sinister as tranquil as Gettysburg's killing fields before the battle cries Prank has complicated social maladies underlying secrets and remarkable attributes as a developer's dreamland seen by Sullivan Development as a singularly unique opportunity to build a magnificent city structure Conquering the obstacles devolves into a daunting contest no developer in history has been confronted with before Jason Lang recently graduated and newly hired at Sullivan is appointed project manager in charge of exploring the viability of Prank a seemingly benign career start that instead becomes his baptismal journey into chaos and mayhem In due course Jason teams up with Andrea Cole a stunningly beautiful social analyst hired to evaluate the impact of such a project on the Prank population Andrea and Jason find common ground and begin an intensely intimate and gripping relationship that endures many twists and ugly hardships If developers were to descend on Prank and disturb its anthills the peaceful calm of rural living would be forever disturbed But worse a thriving local operation would be severely threatened and that cannot be allowed to happen Macom Farm begins the chronicle as an intense standoff between the developer the townsfolk and an unknown force with evil ambitions a mixture of clever parry and thrust legal maneuvering cyber warfare flawed law brutal murders and perverse strategies

A Cultural History of Furniture in the Modern Age Claire I. R. O'Mahony, 2022-02-24 Furniture is a unique witness to the transformations of private and public experience amidst the upheavals of the 20th century how we work rest and play are determined by the embodied encounter with furniture defining and projecting a sense of identity and status responding to and exemplifying contrasting social conditions political and economic motivations aesthetic predilections and debates Assessing physical and archival evidence drawn from a spectrum of iconic and under represented case studies an international team of design historians collaborate in this volume to explore key methodological questions about how the production consumption and mediation of furniture reveal shifting cultural habits and histories across diverse contexts amidst modernity Drawing upon a wealth of visual and textual sources this volume of A Cultural History of Furniture presents essays that examine key characteristics of the furniture of the modern period on the

American Dreamscapes: Postcards from the Past Pasquale De

Marco,2025-08-10 American Dreamscapes Postcards from the Past is a journey through the world of American postcards

From the bustling streets of New York City to the serene landscapes of the American West postcards have documented the people places and events that have shaped our nation s history In this book we will explore the different types of postcards that were produced the people who created them and the stories that they tell Along the way we will learn about the social and cultural history of the United States and we will gain a new appreciation for the power of the postcard Postcards were first introduced in the United States in the late 1800s At first they were used primarily as a way to send short messages to friends and family However as the popularity of postcards grew they began to be used for a variety of purposes Businesses used postcards to advertise their products and services schools used postcards to promote their programs and organizations used postcards to raise funds The golden age of postcards was the early 1900s During this time postcards were produced in vast quantities and they were sold everywhere from drug stores to department stores Postcards were also very affordable which made them accessible to people of all income levels As a result of their popularity postcards became a powerful force in American culture They helped to spread news and information they promoted tourism and they helped to create a sense of national identity Postcards also played a role in social and political movements For example postcards were used to promote the women s suffrage movement and the civil rights movement Today postcards are still produced and used although their popularity has declined somewhat in the digital age However postcards remain a valuable historical record of American life They offer a unique glimpse into the past and they can help us to understand the present American Dreamscapes Postcards from the Past is a celebration of the American postcard It is a book that will appeal to anyone interested in American history popular culture or photography If you like this book write a review
