## **Modern Political Thought 2nd Edition:**

**Modern Political Thought** David Wootton, 1996-01-01 Presents unabridged works and substantive abridgments in preeminent translations along with balanced lucid sophisticated introductions This book includes a wide and balanced selection of many of the more important texts of modern political thought To its great credit it provides pertinent excerpts from frequently neglected authors such as Calvin and Hume which it nicely juxtaposes appear to be good and the introductions to each section help to situate the writers in their historical and intellectual context and to alert students to some of the central issues that arise in the texts This book offers an economical and useful approach to modern political thought Western Political Thought: From the Ancient Greeks to Modern Times, 2nd Edition by Pearson Shefali Jha,

Western Political Thought 2E is an attempt to include in its reach the political ideas of some of the more recent thinkers These thinkers certainly draw on the classics of western political thought like the writings of Marx Rousseau Locke and Aristotle however they also extend our understanding of the political thought in several ways The latest edition gives a comprehensive account of the thread of political thought that stretches from the ancient Greeks to modern times Analysing political philosophies chronologically this book offers valuable insights into the political structures of societies across the ages and presents a wide perspective on the various social and political ideologies **Modern Political Thought** John Gingell, Adrian Little, Christopher Winch, 2002-01-04 Modern Political Thought A Reader is an excellent introduction to the key works of the major political thinkers from the English Civil War to the end of the 19th Century It draws together the most important parts of seminal works of political thought such as Hobbes Leviathan Locke's Treatises Rousseau's The Social Contract Mill's On Liberty together with substantial extracts from Machiavelli's The Prince and Marx's Capital Accessible introductions are provided for each thinker explaining their lives and works and placing them in the historical context in which they worked and wrote **Modern Political Thought. The great issues. Second edition** William Ebenstein, 1960

The Struggle with Time. 2nd edition Kari Palonen, 2006 The author presents in this volume a synthesis of his long term studies on the conceptual history of politics He offers a rhetorical history of the horizons of conceptualizing politics an activity in terms of nine topoi irregularity judgment policy deliberation commitment contestation possibility situation and play game He both constructs a schema for conceptualization of the spectrum of activities that are called politics and applies it to British French and German debates on the concept since the nineteenth century **BOOK JACKET** **Modern Political Theory** Varma S.P., 1975 Modern Political Theory critically examines the contemporary state of political theory making an assessment of the achievements and limitations of the Behavioural Revolution in its totality and reviews objectively the major paradigms and conceptual frameworks adopted by the discipline The salient features of the contending conceptual models elaborated by leading scholars operating from separate locations and disparate premises have been highlighted and intellectual inter linkages in their works have been traced The book has 3 parts Part I comprises the scope of political science

as a discipline Part II deals with the tools and techniques of political analysis Part III delineates mainstreams of contemporary political thought

**The Ashgate Research Companion to Modern Theory, Modern Power, World Politics** Nevzat Soguk, Scott G Nelson, 2016-04-28 Deliberately eschewing disciplinary and temporal boundaries this volume makes a major contribution to the de traditionalization of political thinking within the discourses of international relations Collecting the works of twenty five theorists this Ashgate Research Companion engages some of the most pressing aspects of political thinking in world politics today The authors explore theoretical constitutions critiques and affirmations of uniquely modern forms of power past and present Among the themes and dynamics examined are textual appropriation and representation materiality and capital formation geopolitical dimensions of ecological crises connections between representations of violence and securitization subjectivity and genderization counter globalization politics constructivism biopolitics post colonial politics and theory as well as the political prospects of emerging civic and cosmopolitan orders in a time of national religious and secular polarization Radically different in their approaches the authors critically assess the discourses of IR as interpretive frames that are indebted to the historical formation of concepts and to particular negotiations of power that inform the main methodological practices usually granted primacy in the field Students as well as seasoned scholars seeking to challenge accepted theoretical frameworks will find in these chapters fresh insights into contemporary world political problems and new resources for their critical interrogation

**Communist and Socialist Movement in India** Chandrika Singh, 1987-01-01 History, Politics, Law Annabel Brett, Megan Donaldson, Martti Koskeniemi, 2021-10-07 Juxtaposes standpoints from which disciplines of history political thought and law conceive and generate political order beyond the state

**Exploring British Politics** Mark Garnett, Peter Dorey, 2016-04-14 Exploring British Politics is a concise comprehensive and accessible guide to the subject Fully updated and revised the new edition covers the 2015 general election and recent developments in the role of political parties changes in party ideology the UK's relationship with the European Union and the future of the UK itself Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance The special features of the new edition include Comprehensive analysis of the 2015 general election and the 2014 referendum on Scottish independence A focus on topical controversies such as the relationship between politicians and the media and the arguments for and against Human Rights legislation Explanation of the ways in which British governments have responded to dramatic social change and to serious economic challenges in an era of globalisation Extensive guides to further reading at the end of each chapter Whilst it provides the essential historical background for a full understanding of British politics contemporary issues are to the fore throughout and readers are encouraged to scrutinise what is often taken for granted and to develop their own thoughts and ideas Whether studying the subject for the first time or revisiting it Exploring British Politics is the ideal undergraduate text *Feminist*

*Interpretations of Thomas Hobbes* Nancy J. Hirschmann, Joanne H. Wright, 2012-11-09 Feminist Interpretations of Thomas Hobbes features the work of feminist scholars who are centrally engaged with Hobbes's ideas and texts and who view Hobbes as an important touchstone in modern political thought Bringing together scholars from the disciplines of philosophy history political theory and English literature who embrace diverse theoretical and philosophical approaches and a range of feminist perspectives this interdisciplinary collection aims to appeal to an audience of Hobbes scholars and nonspecialists alike As a theorist whose trademark is a compelling argument for absolute sovereignty Hobbes may seem initially to have little to offer twenty first century feminist thought Yet as the contributors to this collection demonstrate Hobbesian political thought provides fertile ground for feminist inquiry Indeed in engaging Hobbes feminist theory engages with what is perhaps the clearest and most influential articulation of the foundational concepts and ideas associated with modernity freedom equality human nature authority consent coercion political obligation and citizenship Aside from the editors the contributors are Joanne Boucher Karen Detlefsen Karen Green Wendy Gunther Canada Jane S Jaquette S A Lloyd Su Fang Ng Carole Pateman Gordon Schochet Quentin Skinner and Susanne Sreedhar

*International Relations, Political Theory, and the Problem of Order* Nicholas J. Rengger, 2000 This book seeks to offer a general interpretation and critique of both methodological and substantive aspects of International theory

**Evaluating Culture** M. Johnson, 2013-06-27 From which evaluative base should we develop policies designed to promote wellbeing among different cultural groups in varying circumstances This book engages with needs and capabilities to advance normative functionalist assessment of the success with which cultural institutions promote eudaemonic wellbeing in given determinate circumstances

**Hugo Grotius and the Modern Theology of Freedom** Jeremy Seth Geddert, 2017-02-24 Human rights are thought to guarantee pluralism by protecting individual liberty from imposed religious conceptions of virtue Yet critics often argue that this secular focus on merely avoiding violations can also enable unfettered individualism and undermine appeals to the common good This book uncovers in secular rights pioneer Hugo Grotius a rights theory that points toward the enlargement of individual responsibility It grounds this connection in Grotius unexplored theological corpus which reveals a dual metaethics and jurisprudence Here a deontological natural law undergirds a secular theory of rights that is self aware of its own limitations A teleological practical reason then guides the exercise of these rights so as not to compromise the political order that defends them The book then illustrates this symbiosis of rights and responsibilities in five areas consent theories of government rights of rebellion criminal punishment war and international responsibility and Atonement theology This reassesses Grotius legacy as a secularist opponent of classical political thought and suggests that modern liberalism and universal human rights are compatible with a world of resurgent religion

*Political Ideology Today* Ian Adams, 2001 Examines the tenets of liberalism socialism conservatism Marxism anarchism and fascism

**Building Democracy** Geoffrey Pridham, Eric Herring, George Sanford, University of Bristol. Dept. of Politics, 1997-01-01 International factors have had a

great effect upon the process of democratisation in Eastern Europe according to the contributors to this book Furthermore they maintain that the international dimension has not always been a favourable one     A Treatise of Orders and Plain Dignities Charles Loyseau,1994-03-17 An important and influential treatise on public power which influenced French thinkers from its publication in 1610 until the end of the ancien regime     **King James VI and I: Political Writings** King James VI and I,1995-01-12 James VI and I united the crowns of England and Scotland His books are fundamental sources of the principles which underlay the union In particular his Basilikon Doron was a best seller in England and circulated widely on the Continent Among the most important and influential British writings of their period the king s works shed light on the political climate of Shakespeare s England and the intellectual background to the civil wars which afflicted Britain in the mid seventeenth century James political philosophy was a moderated absolutism with an emphasis on the monarch s duty to rule according to law and the public good Locke quoted his speech to parliament of 1610 approvingly and Hobbes likewise praised our most wise king This edition is the first to draw on all the early texts of James books with an introduction setting them in their historical context     **Political Ideologies and the Democratic Ideal** Terence Ball,Richard Dagger,Daniel I O'Neill,2015-07-17 Political Ideologies and the Democratic Ideal 9 e thoroughly analyzes and compares political ideologies to help readers understand these ideologies as acutely as a political scientist does Used alone or with its companion Ideals and Ideologies A Reader 9 e this best selling title promotes open mindedness and develops critical thinking skills     The Legacy of Isocrates and a Platonic Alternative James R. Muir,2018-07-27 Bringing together the history of educational philosophy political philosophy and rhetoric this book examines the influence of the philosopher Isocrates on educational thought and the history of education Unifying philosophical and historical arguments Muir discusses the role of Isocrates in raising two central questions What is the value of education By what methods ought the value of education to be determined Tracing the historical influence of Isocrates ideas of the nature and value of education from Antiquity to the modern era Muir questions normative assumptions about the foundations of education and considers the future status of education as an academic discipline
