Tourist Behaviour Philip L. Pearce,2005-09-27 Tourism is an inherently social phenomenon Tourists travel with others

and experience places and cultures through interacting with both familiar and unfamiliar others This volume presents a thorough tour of the social psychological processes which underpin contemporary travel The fascinating phenomenon of tourist behaviour deals with topics such as motivation destination choice travellers on site experiences satisfaction and learning This book uses an array of developing and recently constructed conceptual frameworks to both synthesise what is established and to create new insights and directions for further analysis and ultimately management action *Scylla* Marianne Govers Hopman, 2013-01-03 What's in a name Using the example of a famous monster from Greek myth this book challenges the dominant view that a mythical symbol denotes a single clear cut figure and proposes instead to define the name Scylla as a combination of three concepts sea dog and woman whose articulation changes over time While archaic and classical Greek versions usually emphasize the metaphorical coherence of Scylla's components the name is increasingly treated as a well defined but also paradoxical construct from the late fourth century BCE onward Proceeding through detailed analyses of Greek and Roman texts and images Professor Hopman shows how the same name can variously express anxieties about the sea dogs aggressive women and shy maidens thus offering an empirical response to the semiotic puzzle raised by non referential proper names **Rogue Wave** Amanda Sandton, 2022-01-17 Meredith is in for the surprise of her life The story of Meredith and the Captain picks up with the unexpected reappearance of Kempton Meredith's uncle and erstwhile abductor The Captain doesn't know who Kempton is and Meredith doesn't understand why The romance between Meredith and the Captain took a downturn with the death of Mike the Captain's brother in a car accident Kempton's presence in the area does nothing to improve their relationship In fact it adds to the mystery and confusion and threatens Sukey's personal safety again As promised the story of Meredith and the Captain ends with a Happy Ever After for Meredith but not until she's hit with the surprise of her life After all Meredith's been through she deserves to be happy in this the last book in the series The adult content of this story makes it suitable for 18 and over *Memoirs of a Terrorist* Sally Patterson Tubach, 1996-09-12 *Memoirs of a Terrorist* is a gripping experimental novel about a young woman raped at the age of fifteen by her father Having repressed this crime from her conscious awareness Megan Lloyd's short intense life becomes a quest for sexual and human identity A privileged daughter from suburban southern California the heroine writes about early periods of her life in revolutionary Berkeley as well as later events in Malibu Dallas Munich and finally Paris Her failure to bring the repressed crime to consciousness reveals a tragic blind spot from which emerges the sexual bondage murder of her lover in a Munich hotel The heroine's internal story is told by her fragmentary diaries and stories that her father retrieves after her death as a suspected terrorist in Europe As he approaches his own death years later Arthur Lloyd attempts to comprehend his daughter by analyzing her texts and finally confesses his crime to the reader Thus two narrative voices one male and one female intersect clash and reinforce each other in this rich and complex text that weaves a tale of sexual violence and portrays quests for insight and redemption In *Memoirs of a Terrorist* the female body becomes the theater in

which repression gender social relations and haphazard natural events are played out The novel is many things a feminist picaresque story of development and decay a psychological thriller a haunting murder mystery and work of symbolism and myth in which the reader must ultimately answer the questions Who is the real terrorist Can the criminal find absolution Is there any escape from the cycle of violence Memoirs of a Terrorist confronts some of the most troubling issues of contemporary American society The Writer ,1897 The Writer William Henry Hills,Robert Luce,1897 *The Official Index to The Times* ,1921 **Official Index to the Times** ,1921 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **The Thomas Kell Spy Series, Books 1-3** Charles Cumming,2017-12-12 From the internationally acclaimed New York Times bestselling author of The Trinity Six and Typhoon the Thomas Kell series is a compelling revealing tale of deceit and betrayal conspiracy and redemption Read the first three books in the series now available in one ebook A Foreign Country On the vacation of a lifetime in Egypt an elderly French couple are brutally murdered Days later on the streets of Paris a young French accountant is kidnapped When Amelie Levene who in six weeks is due to take over as the first female Chief of MI6 disappears without a trace while in the south of France it is the gravest crisis MI6 has faced in more than a decade Desperate not only to find her but to keep the press from learning that she has gone missing Britain's top intelligence agents turn to one of their own disgraced former MI6 officer Thomas Kell Tossed out of the Service only months before Kell is given one final chance to redeem himself and find Amelia Levene at any cost A Colder War A top ranking Iranian military official an investigative journalist and an Iranian nuclear scientist are targeted in seemingly unrelated attacks but they have one crucial link Each of the three had been recently recruited by Western intelligence before being removed or killed When Paul Wallinger MI6's most senior agent in Turkey dies in a puzzling plane crash Tom Kell discovers what Wallinger had already begun to suspect that there's a mole somewhere in the Western intelligence a traitor who has been systematically sabotaging scores of joint intelligence operations in the Middle East A Divided Spy Tom Kell is offered an unexpected chance at revenge Taking the law into his own hands he embarks on a mission to recruit a top Russian spy who is in possession of a terrifying secret As Kell tracks his man from Moscow to London he finds himself in a high stakes game of cat and mouse in which it becomes increasingly difficult to know who is playing whom As the mission reaches boiling point the threat of a catastrophic terrorist attack looms over Britain and Kell is faced with an impossible choice Loyalty to MI6 or to his own conscience **The Truffle Underground** Ryan Jacobs,2019-06-04 The ultimate truffle true crime tale A thrilling journey through the hidden underworld of the world's most prized luxury ingredient Bianca Bosker New York Times bestselling author of Cork Dork Beneath the gloss of star chefs and crystal laden tables the truffle supply chain is touched by theft secrecy sabotage and fraud Farmers patrol their fields with rifles and fear losing trade secrets to spies Hunters plant poisoned meatballs to eliminate rival truffle hunting dogs Naive buyers and even knowledgeable experts are duped by liars
