Mugworts In May A Folklore Of Herbs:

Mugworts in May Linda Ours Rago,1995 In *Mugworts in May* Rago traces the roots of herbal history from the pyramids through the dark forest of western Europe and into the New World She speaks of the learned monks and Wise Women who dispensed the herbs along with the lore surrounding them You will read about Shakespeare s favorite herbs and the deadly herbs from the dark side of the hedgerow This book is a must for the historian folklorist and herbalist alike In addition to a glowing herbal history and wonderful charms the book concludes with an alphabetical Compendium of Herbs In the compendium you ll find the uses and stories of over 150 herbs

The Marsh Queen Virginia Hartman,2023-04-25 Loni Mae Murrow s life in Washington DC is tidy if a trifle constrained Single and in her mid thirties she s a bird artist at the Smithsonian who spends her days at a desk making elaborate drawings of belted kingfishers and scrub jays and purple gallinules Then she s abruptly summoned back home to the wetlands of northern Florida where she grew up Her mother critical and difficult has grown frail and been resentfully consigned to assisted living and her younger brother Phil juggling a job and a wife and two young children needs her help Loni may not be her mother s only child but there are some things only a daughter can do Although Florida with its suffocating heat and difficult memories is a place she thought she d managed to get away from Loni soon discovers that home is not so easily forgotten Going through her mother s things she finds a cryptic note from a woman whose name she doesn t recognize There are some things I have to tell you about Boyd s death it reads Boyd is her father a man who drowned in a boating accident out on the marsh when Loni was twelve and Phil just a baby The circumstances of his death long presumed a suicide turn out to be murkier than anyone thought Against her better judgment Loni finds herself drawn into a quest to discover the truth about how he died Against the mottled landscape of her youth she is led both away from and toward the truth about the past and its betrayals One by one the forces keeping her in Florida become stronger Someone begins to threaten her as she uncovers pieces of her father s story but she can t figure out who In the midst of this danger she struggles to reconnect with her mother through the remnants of their past and to reconcile with her brother and his pushy provincial wife And she fights an attraction to a man who encourages her to stay in the South even as she determines to return to her job in Washington At last moved to avenge the wrongs done to her family Loni has to decide whether to join the violence or end it
