Women's Writing In Latin America Sara Castro-klaren, 2019-03-15 In the last two decades Latin American literature has received great critical acclaim in the English speaking world although attention has been focused primarily on the classic works of male literary figures such as Borges Paz and Cort zar More recently studies have begun to evaluate the works of established women writers such as Sor Juana In [A Latin American Existentialist Ethos](#) Stephanie Merrim, 2023-05-01 With their emphasis on freedom and engagement European existentialisms offered Latin Americans transformative frameworks for thinking and writing about their own locales In taking up these frameworks Latin Americans endowed them with a distinctive ethos a turn towards questions of identity and ethics Stephanie Merrim situates major literary and philosophical works by the existentialist Grupo Hiperi n Rosario Castellanos Octavio Paz Jos Revueltas Juan Rulfo and Rodolfo Usigli within this dynamic context Collectively their writings manifest an existentialist ethos attuned to the matters most alive and pressing in their specific situations matters linked to gender Indigeneity the Mexican Revolution and post Revolution politics That each of these writers orchestrates a unique center of gravity renders Mexican existentialist literature an always shifting always passionate adventure A Latin American Existentialist Ethos takes readers on this adventure conveying the passions of its subjects lucidly and vibrantly It is at once a detailed portrait of twentieth century Mexican existentialism and an expansive look at Latin American literary existentialism in relation and opposition to its European counterparts [Encyclopedia of Latin American Literature](#) Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the

encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book *Lesbian Voices From Latin America* Elena M. Martínez,2017-10-06 In spite of the attention that Latin American women writers have attracted in recent years a book dedicated exclusively to those writers whose work primarily articulates a lesbian perspective was until now missing The purpose of this book first published in 1996 is to bring attention to and examine the articulation of lesbian themes motifs and issues in the works of these writers It aims to study the problems pertaining to the specific literary representations of lesbianism and to examine the dimensions of a lesbian view in the works By undertaking the study of the works of these women writers this book contributes to the recognition and legitimization of a lesbian literary discourse East Asia, Latin America, and the Decolonization of Transpacific Studies Chiara Olivieri,Jordi Serrano-Muñoz,2022-01-03 In this collective work researchers from different disciplines reflect upon the challenges and opportunities of decolonizing transpacific studies through the lens of a few paradigmatic case studies that deal with connections between East Asia and Latin America The present book offers a productive problematization of the idea of the transpacific as a concept and a space that is not restricted to a single definition We defend that the transpacific can instead promote an understanding of agents and experiences that share many common traits that have been generally overlooked by a hegemonic interpretation of knowledge and the relationship between regions By fostering an environment that not only accepts a plurality of views but that actively looks to accommodate analogous tangential and even contradicting approaches to the study of our ideas we seek a double objective First we hope to highlight precisely the richness within the idea of the transpacific avoiding sticking to any particular conception to it while at the same time acknowledging and owning each of our points of enunciation Our second objective is part of a constant struggle in the quest towards social and epistemic justice By adopting this stance of plurality we can fight against structures of knowledge production and reproduction that willingly or unintentionally instill specific interpretations in ways that inculcate exclusivity The goal of this book is opening up and expanding the debate regarding transpacific connections examining the limits and promises of including these experiences within the conceptual paradigm of the Global South and showcasing different ways of approaching decolonial research to the study of the relationship between East Asia and Latin America **Latin American Women Writers: An Encyclopedia** María Claudia André,Eva Paulino Bueno,2014-01-09 Latin American Women Writers An Encyclopedia presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese and who have had an impact on literary political and social studies Focusing on drama poetry and fiction this work includes authors who have published at least three

literary texts that have had a significant impact on Latin American literature and culture Each entry is followed by extensive bibliographic references including primary and secondary sources Coverage consists of critical appreciation and analysis of the writers works Brief biographical data is included but the main focus is on the meanings and contexts of the works as well as their cultural and political impact In addition to author entries other themes are explored such as humor in contemporary Latin American fiction lesbian literature in Latin America magic realism or mother images in Latin American literature The aim is to provide a unique thorough scholarly survey of women writers and their works in Latin America This Encyclopedia will be of interest to both to the student of literature as well as to any reader interested in understanding more about Latin American culture literature and how women have represented gender and national issues throughout the centuries The Text and Beyond Cynthia Bernstein,1994 Demonstrates that the approaches of literary linguistics extend to the many influences outside it history culture or politics that contribute to our understanding of language The Text Beyond Essays in Literary Linguistics is a collection of suggestive models for those interested in using the tools of linguistics to meet the aims of literary criticism and theory Only very recently have linguists and literary scholars come to recognize that their goals are compatible **Cannibal Translation** Isabel C. Gómez,2023-05-15 Winner of the 2024 ACLA Harry Levin Prize A bold comparative study illustrating the creative potential of translations that embrace mutuality and resist assimilation Cannibal translators digest recombine transform and trouble their source materials Isabel C G mez makes the case for this model of literary production by excavating a network of translation projects in Latin America that includes canonical writers of the twentieth century such as Haroldo and Augusto de Campos Rosario Castellanos Clarice Lispector Jos Emilio Pacheco Octavio Paz and ngel Rama Building on the avant garde reclaiming of cannibalism as an Indigenous practice meant to honorably incorporate the other into the self these authors took up Brazilian theories of translation in Spanish to fashion a distinctly Latin American literary exchange one that rejected normative and Anglocentric approaches to translation and developed collaborative techniques to bring about a new understanding of world literature By shedding new light on the political and aesthetic pathways of translation movements beyond the Global North G mez offers an alternative conception of the theoretical and ethical challenges posed by this artistic practice Cannibal Translation Literary Reciprocity in Contemporary Latin America mobilizes a capacious archive of personal letters publishers records newspapers and new media to illuminate inventive strategies of collectivity and process such as untranslation transcreation intersectional autobiographical translation and transpeaking The book invites readers to find fresh meaning in other translational histories and question the practices that mediate literary circulation Women in Hispanic Literature Beth Miller,2024-06-28 The topics covered by this pioneering collection of essays range from peninsular Spanish to Latin American literature from the eleventh to the twentieth centuries and from the subject of women as portrayed in Hispanic literature to the literature of Hispanic women writers Some pieces present polemical feminist arguments other are more traditional All the contributors use their subject to take

new stands on old controversies ask new questions and reevaluate important aspects of Hispanic literature While there is ample evidence in these essays of the dual archetype in Hispanic literature of women as icon and woman as fallen idol the collection reaches beyond these stereotypes to more complex sociological and theoretical concerns Although such research has been abundantly pursued by scholars of English and American literature it has been notably absent from Hispanic studies This anthology is a comprehensive introduction to its subject and a stimulus to further work in the area Contributors Fernando Alegria Electa Arenal Julianne Burton Alan Deyermond Rosalie Gimeno Harriet Goldberg Estelle Irizarry Kathleen Kish Luis Leal Linda Gould Levine Melveena McKendrick Francine Masiello Beth Miller Elizabeth Ord ez Rachel Phillips Marcia L Welles This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1983 La escritora en la sociedad latinoamericana Luisa Ballesteros Rosas, 1997 A Different Reality Anita K.
