

REALIDAD DE LA FAMILIA CENTROAMERICANA

Matrimonio y Convivencia

- El problema de presentar el abandono y la paternidad irresponsable como rasgos propios de la naturaleza del hombre centroamericano.
- El problema de mayor gravedad sigue siendo la violencia sexual contra las mujeres al interior de las familias y el maltrato en la vida cotidiana como patrón masculino en la relación de la pareja.
- Las uniones de hecho en toda el área se ha extendido de forma focalizada entre grupos de jóvenes sobre todo los que viven en situación de pobreza, lo que se atribuye al impacto de la crisis económica como a los cambios de conducta sexual de la población.
- Se observa una tendencia al aumento de relaciones prematrimoniales entre los adolescentes, con un aumento de nacimientos fuera del matrimonio o de la unión.
