### **Mulligan For Bobby Jobe A Novel:**

A Mulligan for Bobby Jobe Robert Cullen, 2002-05-07 Bobby Jobe is a pro golfer whose swing is better than his attitude. When he bogies the last four holes and blows his lead in a major tournament again he berates his caddy Henry Greyhound. Mote Jobe loses both Greyhound who walks off the course and the game. And before the day is out he'll lose his eyesight to a lightning strike and his future in golf unless he can do what no one has ever done: blind make a comeback. Bob Cullen's funny and wise story full of PGA lore perfectly captures the mysterious and irresistible nature of the game of golf, not to mention love, friendship, and life.

Lonesome Song Elliott Light, 2002-06 Imagine you're in your late twenties. School is behind you. You have money, a beautiful wife, lots of friends. Everything you ever wanted is at your fingertips. And then suddenly it's all taken from you. Shep Harrington was a young prosperous and happy lawyer, his bright future shining on the horizon like a beacon. But things that shine are not always what they seem. Contentment can be intoxicating, dulling the senses to the signs of change. He and wife Anna were living their dream together. And then they weren't. Shep was convicted of a crime he didn't commit and sent to prison. Anna, believing him guilty, divorced him. Both were victims of a system created and operated by an older generation who valued power and money over fairness. Out of prison, Shep must again contend with people who see truth in practical terms as he probes the death of a man whom he loved and who loved him. A classic murder mystery.

Lonesome Song explores the challenges of surviving injustice and of doing the right thing.

Books and Beyond Kenneth Womack, 2008-10-30 There's a strong interest in reading for pleasure or self-improvement in America, as shown by the popularity of Harry Potter and book clubs including Oprah Winfrey's. Although recent government reports show a decline in recreational reading, the same reports show a strong correlation between interest in reading and academic achievement. This set provides a snapshot of the current state of popular American literature, including various types and genres. The volume presents alphabetically arranged entries on more than 70 diverse literary categories such as cyberpunk, fantasy, literature, flash fiction, LGBTQ literature, graphic novels, manga, and anime and zines. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's reception, a discussion of authors and works, and suggestions for further reading. Sidebars provide fascinating details, and the set closes with a selected general bibliography. Reading in America for pleasure and knowledge continues to be popular even while other media compete for attention. While students continue to read many of the standard classics, new genres have emerged. These have captured the attention of general readers and are also playing a critical role in the language arts classroom. This book maps the state of popular literature and reading in America today, including the growth of new genres such as cyberpunk, zines, flash fiction, LGBTQ literature, and other topics. Each entry is written by an expert contributor and provides a definition of the genre, an overview of its history, a look at trends and themes, a discussion of how the literary form engages contemporary issues, a review of the genre's critical

reception a discussion of authors and works and suggestions for further reading Sidebars provide fascinating details and the set closes with a selected general bibliography Students will find this book a valuable guide to what they re reading today and will appreciate its illumination of popular culture and contemporary social issues *Forthcoming Books* Rose
