Garth Stevenson

Mulroney The Politics Of Ambition:

Mulroney John Sawatsky, 1991 The Politics of Kim Campbell Murray Dobbin, 1993-01-01 This book looks at Canada's first woman Prime Minister what she believed how she operated in the back rooms and why the Progressive Conservative party chose her Murray Dobbin researched Kim Campbell's record as a municipal provincial and federal politician discovering how she handled a variety of controversial issues from school funding cutbacks to the behind the scenes negotiations on gun control He examined her performance in the federal cabinet of Prime Minister Brian Mulroney noting particularly the policies and decisions on which she succeeded in marking with her personal stamp The Politics of Kim Campbell is a critical look at the career of a remarkable Canadian public figure and at the obstacles she encountered in her political ascent *Dynasties and Interludes* Lawrence LeDuc, Jon H. Pammett, 2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

Politics at the Centre William P. Cross, André Blais, 2012-01-12 Politics at the Centre studies the ways in which political parties select and remove their leaders in five parliamentary democracies Australia Canada Ireland New Zealand and the United Kingdom It addresses the subject through cross national comparison of 25 parties in these countries from 1965 to the present day **Scrum Wars** Allan Levine, 1996-08-08 The image of the scrum a beleaguered politician surrounded by

jockeying reporters is central to our perception of Ottawa The modern scrum began with the arrival of television but even in Sir John A Macdonald's day a century earlier reporters in the parliamentary press gallery had waited outside the prime minister's office pen in hand hoping for a quote for the next edition The scrum represents the test of wills the contest of wits and the battle for control that have characterized the relationship between Canadian prime ministers and journalists for more than 125 years Scrum Wars chronicles this relationship It is an anecdotal as well as analytical account showing how earlier prime ministers like Sir John A Macdonald and Sir Wilfrid Laurier were able to exercise control over what was written about their administrators while more recent leaders like John Diefenbaker Joe Clark John Turner and Brian Mulroney often found themselves at the mercy of intense media scrutiny and comment Diplomatic Departures Kim R. Nossal, Nelson Michaud, 2007-10-01 During the nine years that the Conservatives under Brian Mulroney held power in Ottawa Canadian foreign policy underwent a series of important departures from established policy Some of these changes mirrored the major transformations in global politics that occurred during this period as the Berlin Wall was breached the Cold War came to an

end and a globalized economy emerged But some of the changes were the results of initiatives taken by the Conservative government The first major scholarly examination of the foreign policy of this period this collection explores and analyzes the many departures from traditional Canadian statecraft that took place during the Mulroney Conservative era free trade with the U S a continentalized energy policy initiatives over the environment and the Arctic the withdrawal of Canadian forces from Europe and the transformation of peacekeeping into peacemaking *The Rise of the New West* John F.

Conway,2014-05-30 This one volume history chronicles a 150 year history of dramatic changes in fortune and attitudes in western Canada From the Riel Rebellions and the Winnipeg General Strike to the founding of the CCF Social Credit and Reform parties Canada s West has always been a hotbed of political social and economic change In the early twentieth century those calls for change emanated from the left as farmers and workers fought for social and economic justice In the past two decades the protests and calls for change emanated from the right as the region gained a new role for itself in Canada This history chronicles the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow Stockwell Day and Lorne Calvert and the emergence of Stephen Harper and the federal Conservatives It describes how the West the political wellspring of progressive changes over the years has been transformed into the bastion of the right culminating in the virtual annihilation of the NDP in Saskatchewan the cradle of social democracy in Canada This is the updated fourth edition of John Conway s classic book originally published under the title *The West* *The Capacity for Wonder* William Lowry,2010-12-01

The national parks of North America are great public treasures visited by 300 million people each year Set aside to be kept in relatively natural condition these remarkable places of forests rivers mountains and wildlife still inspire our capacity for wonder Today however the parks are threatened by increasingly difficult problems from both inside and outside their borders This book enriched with personal anecdotes of the author s trips throughout the parks of North America examines changes in the park services of the United States and Canada over the past fifteen years William Lowry describes the many challenges facing the parks such as rising crime tourism and overcrowding pollution eroding funding for environmental research and the contentious debate over preservation versus use and the abilities of the agencies to deal with them *The Capacity for Wonder* provides a revealing comparison of the U S National Park Service NPS and the Canadian Parks Service CPS The author explains that while the services are similar in many ways the priorities of these two agencies have changed dramatically in recent years Lowry shows how increasing conflicts over agency goals and decreasing institutional support have make the NPS vulnerable to interagency disputes reluctant to take any risks in its operations and extremely responsive to political pressures As a result U S national parks are now managed mainly to serve political purposes Lowry illustrates how in the 1980s politicians pushed the NPS to expand private uses of national parks through development timber harvesting grazing and mining while environmental groups push the NPS in the other direction Over the same period the CPS enjoyed a clarification of goals and increased institutional supports As a result the CPS has been able to decentralize

its structure empower its employees and renew its commitment to preservation Lowry considers several proposals to change the institutions governing the parks His own recommendations are more in line with proposals to revitalize public agencies than with those that suggest replacing them with private enterprise state agencies or endowment boards Lowry concludes that preserving nature should be the primary explicit goal of the park services and he calls for a stronger commitment to that goal in the United States

Power, Prime Ministers and the Press Robert Lewis, 2018-10-27 An intimate history of the journalists who covered Canadian history and made some of their own The history of the press gallery is rich in anecdotes about the people on Parliament Hill who have covered 23 prime ministers and 42 elections in the past 150 years Mining the archives and his own interviews Robert Lewis turns the spotlight on the watchers including reporters who got too close to power and others who kept their distance The Riel Rebellion the Pacific Scandal two world wars the Depression women s liberation Quebec separatism and terrorism are all part of the sweeping background to this lively account of how the news gets made manipulated and sometimes mangled Since Watergate press gallery coverage has become more confrontational a fact Lewis argues that fails Canadian democracy

Historical Dictionary of Canada Stephen Azzi, Barry M. Gough, 2021-04-15 Canada has become a leader among the modern nations of the world It has emerged as a modern industrial nation and as a key player in the resource commodities and financial institutions that make up today s world This third edition of the Historical Dictionary of Canada contains a chronology an introduction and an extensive bibliography It includes over 700 cross referenced entries on a wide range of topics covering the broad sweep of Canadian history from long before European contact until present day Topics include Indigenous peoples women religion regions politics international affairs arts and culture the environment the economy language and war This is an excellent resource for students researchers and anyone wanting to know more about Canada It introduces readers to the successes and failures the conflicts and accommodations the events and trends that have shaped Canadian history

Bilingual Today, United Tomorrow Matthew Hayday, 2005-12-20 Forty years after the creation of the Royal Commission on Bilingualism and Biculturalism Bilingual Today United Tomorrow examines the responses of Canada s federal and provincial governments to the Commission s recommendations on education In contrast to the many critics of official bilingualism Matthew Hayday argues that the educational programs funded by the government s Official Languages in Education Program launched in 1970 had a significant impact on how Canadians view their national identity encouraging increasing acceptance of official bilingualism and linguistic duality

Community Besieged Garth Stevenson, 1999-06-17 In Community Besieged Garth Stevenson describes the unusual circumstances that allowed English speaking Quebecers to live in virtual isolation from their francophone neighbours for almost a century after Confederation He describes their relations with Maurice Duplessis and the Union Nationale and their ambivalent response to the Quiet Revolution New political issues language policy educational reform sovereignty and the constitution undermined the old system of elite accommodation in Quebec causing conflicts

between anglophones and francophones and creating a new sense of anglophone identity that transcends religious differences The changing relations of Quebec anglophones with the major political parties as well as the role of newer entities such as Alliance Quebec and the Equality Party are also examined Stevenson concludes with a look at the future of anglophones in Quebec Based in part on interviews with more than sixty English speaking Quebecers who have played prominent parts in Quebec s political life *Community Besieged* is a comprehensive and up to date description of the political life of this unique minority at both the federal and provincial level

The West Conway, John F.,2006 In time for Alberta s and Saskatchewan s 100th anniversary of Confederation political commentator and writer John Conway examines the unique way the West has shaped the rest of Canada The Riel Rebellions the Winnipeg General Strike the founding of the CCF Social Credit and Reform parties the struggle for provincial control of resources much of the impetus for political social and economic change in Canada has come from the West From pre Confederation to the present author John Conway himself a Westerner tells the story of the colourful and controversial figures who molded the region His lively history of the West and its peoples offers insight into the experience of Western Canadians and documents their contribution to Canadian economic and political life The third edition of this popular and successful history describes Stephen Harper s arrival on the political scene as well as the rise and fall of such figures as Grant Devine Bill Vander Zalm Glen Clark Roy Romanow and Stockwell Day It also describes how the West the cradle of Canadian social democracy was transformed into the bastion of the right during the last decade

Politics in Manitoba Christopher Adams,2008-09-15 *Politics in Manitoba* is the first comprehensive review of the Manitoba party system that combines history and contemporary public opinion data to reveal the political and voter trends that have shaped the province of Manitoba over the past 130 years The book details the histories of the Progressive Conservatives the Liberals and the New Democratic Party from 1870 to 2007 Adams looks in particular at the enduring influence of political geography and political culture as well as the impact of leadership campaign strategies organizational resources and the media on voter preferences Adams also presents here for the first time public opinion data based on more than 25 000 interviews with Manitobans conducted between 1999 and 2007 He analyzes voter age gender income education and geographic location to determine how Manitobans vote In the process Adams dispels some commonly held beliefs about party supporters and identifies recurring themes in voter behaviour

Canadian History: Confederation to the present Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Partisan Odysseys Nelson Wiseman,2020-04-23 Motifs or recurring elements in Canadian party politics speak to dominant ideas of the era *Partisan Odysseys* looks at how political parties have adjusted adapted and sometimes reinvented themselves in response to these cultural cues

Mr. Smith Goes to Ottawa David C. Docherty,2011-11-01 In *Mr Smith Goes to Ottawa* the author compares

the 34th 1988-93 and the 35th 1993-97 Parliaments. The former, the second consecutive Conservative led majority government, could not appear more different from the Liberal one which followed. Over two thirds of its members were rookies. More significantly, over one third represented two new political parties, the Bloc Québécois and the Reform party. Yet for all this change, Docherty shows that the new agendas of the 35th Parliament have not translated into changes in the legislative behaviour or socialization of new members. Unlike Jimmy Stewart in Washington, the majority of the men and women who go to Ottawa end up accepting a limited policy role.

The Perilous Trade Roy MacSkimming, 2012-01-11. A book that will fascinate and inform readers who love Canadian writing. Part cultural history, part personal memoir, this accomplished, sweeping yet intimate book demonstrates that the story of Canadian publishing is one of the cornerstones of our literary history. In *The Perilous Trade*, former publisher, literary journalist and industry insider Roy MacSkimming chronicles the extraordinary journey of English language publishing from the Second World War to the present. During a period of unparalleled transformation, Canada grew from a cultural colony, fed on the literary offerings of London and New York, to a mature nation whose writers are celebrated around the world. Crucial to that evolution were three generations of book publishers, mavericks, gamblers, entrepreneurs, political activists and true believers, sharing a conviction that Canadians need books of their own. Canadian publishing has long made headlines, be it Jack McClelland's outrageous publicity stunts, American takeovers, the collapse of venerable imprints or bold political moves to ensure the industry's survival. Roy MacSkimming takes us behind the headlines to draw memorable portraits of the men and women who built Canada's literary renaissance. With a novelist's eye for character and incident, he weaves their tangled relationships with authors, agents, booksellers and each other into a lively narrative rich in anecdote and revealing personal recollection. Canadian publishers, large and small, have nurtured a literature of extraordinary diversity and breadth. MacSkimming argues, giving us English Canada's greatest cultural achievement.

Canada Harvey Lazar, Tom McIntosh, 1999-02. *Canada 2018-2019* Wayne C. Thompson, 2018-06-07. This is an annually updated presentation of Canada past and present, continues to provide the reader an in-depth look at the country's culture, geography, people, economy, politics and future. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 34th edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student and library budgets.

Mulroney The Politics Of Ambition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mulroney The Politics Of Ambition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mulroney The Politics Of Ambition has opened up a world of possibilities. Downloading Mulroney The Politics Of Ambition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mulroney The Politics Of Ambition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mulroney The Politics Of Ambition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mulroney The Politics Of Ambition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mulroney The Politics Of Ambition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Mulroney The Politics Of Ambition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mulroney The Politics Of Ambition Books

1. Where can I buy Mulroney The Politics Of Ambition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Mulroney The Politics Of Ambition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
