aspects of a child's and family's life. From there, compassionate, thoughtful, and relevant intervention ensues.

**Cultural and Social Justice Counseling** Farah A. Ibrahim, Jianna R. Heuer, 2015-08-21 This timely volume gives readers a robust framework and innovative tools for incorporating clients' unique cultural variables in counseling and therapy. Its chapters identify cultural, societal, and worldview-based contexts for understanding clients from the relatively familiar ethnicity, gender, age, to the less explored migration status, social privilege, geographic environment. Diverse cases illustrate how cultural assessments contribute to building the therapeutic relationship and developing interventions that respect client individuality as well as group identity. In these pages, clinicians are offered effective strategies for conducting more relevant and meaningful therapy, resulting in better outcomes for client populations that have traditionally been marginalized and underserved. The appendices include the Scale to Assess Worldview (Ibrahim Kahn, 1984), The Acculturation Index (Ibrahim, 2008), and the Cultural Identity Check List (Revised) (Ibrahim, 2007). Among the topics covered: Cultural identity components and assessment; Worldview implications for culturally responsive and ethical practice; Understanding acculturation and its use in counseling and psychotherapy; Social justice variables critical for conducting counseling and psychotherapy; Immigrants' identity development and counseling issues; Designing interventions using the social justice and cultural responsiveness model. *Cultural and Social Justice Counseling* is a profound source of knowledge for clinicians and students in mental health fields: counselors, psychologists, psychiatrists, psychiatric nurses, social workers who are working with clients from diverse cultural backgrounds, including those working in international settings with clients across cultures and with sojourners to the US.

*Adventure Therapy* Michael A. Gass, Lee Gillis, Keith C. Russell, 2012 Adventure therapy is a growing segment of working with mental health clients in a variety of settings. The theory, techniques, research, and case studies illustrated in *Adventure Therapy* present the cutting edge of this particular field.

*Intersections of Multiple Identities* Miguel E. Gallardo, Brian W. McNeill, 2011-02-11 Over the past two decades, there has been an increase in the need to prepare and train mental health personnel in working with diverse populations. In order to fully understand individuals from different cultures and ethnic backgrounds, practitioners need to begin to examine, conceptualize, and treat individuals according to the multiple ways in which they identify themselves. The purpose of this casebook is to bridge the gap between the current practice of counseling with the newest theories and research on working with diverse clientele. Each chapter is written by leading experts in the field of multicultural counseling and includes a case presentation with a detailed analysis of each session, a discussion of their theoretical orientation, and how they have modified it to provide more culturally appropriate treatment and an explanation of how their own dimensions of diversity and worldviews enhance or potentially impede treatment. This text is a significant contribution to the evolving area of multicultural counseling and will be a valuable resource to mental health practitioners working with diverse populations.
