Comparative, International, and Global Justice Cyndi Banks, James Baker, 2015-09-23 Comparative International and Global Justice Perspectives from Criminology and Criminal Justice presents

and critically assesses a wide range of topics relevant to criminology criminal justice and global justice The text is divided into three parts comparative criminal justice international criminology and transnational and global criminology Within each field are located specific topics which the authors regard as contemporary and highly relevant and that will assist students in gaining a fuller appreciation of global justice issues Authors Cyndi Banks and James Baker address these complex global issues using a scholarly but accessible approach often using detailed case studies The discussion of each topic is a comprehensive contextualized account that explains the social context in which law and crime exist and engages with questions of explanation or interpretation The authors challenge students to gain knowledge of international and comparative criminal justice issues and think about them in a critical manner It has become difficult to ignore the global and international dimensions of criminal justice and criminology and this text aims to enhance criminal justice education by focusing on some of the issues engaging criminology worldwide and to prepare students for a future where fields of study like transnational crime are unexceptional

Underground Codes Katheryn Russell-Brown, 2004-02 An active sociologist questions deeply seeded racism and codes that influence the US law enforcement

Sexuality and Identity Leslie J. Moran, 2017-11-30 Born in the late nineteenth century sexuality is a relatively new category within the human sciences in general and law and society scholarship in particular Despite its novelty it is now a central category through which we understand ourselves both as individuals and as members of communities This volume offers a collection of essays selected to reflect the ever widening horizons and diverse methodologies of law and society scholarship on sexual and identity in law The essays offer an insight into some of the key themes and recent developments in this body of work Each in different ways offers an evaluation of the nature meaning and effects of sexuality thereby providing a critical evaluation of the politics of sexual identity as it appears in and through the law

Police in a Multicultural Society David E. Barlow, Melissa Hickman Barlow, 2018-04-10 Social political and economic relationships played key roles in the historical development of the police The authors present policing strategies from the vantage points of marginalized communities and emphasize the intersection of attitudes about class race ethnicity gender and sexual orientation with policies Police practices cannot be class neutral in a class society nor can they be race neutral or gender neutral in a racist sexist and heterosexist society The key to understanding the relationship between the police and society is to think critically about the role of power and interests The second edition includes a new chapter in the section on the police and rebellion covering recent events There is also a new chapter on Latino a police officers and an expanded chapter on LGBTQ police officers Without meaningful social change toward greater justice police reforms such as community policing and training in cultural diversity will fall short of creating an institution characterized by fairness and equality for all members of society A clear view of history is essential for understanding the challenges a more diverse police force faces in today s multicultural environment

Vitikainen, 2015-07-07 The Limits of Liberal Multiculturalism provides a timely analysis of some of the weaknesses as well as the successes of the liberal multicultural project It also takes a step forward by developing a pluralist individual centred approach to allocating minority rights in practice **The Many Colors of Crime** Ruth D. Peterson, Lauren J. Krivo, John Hagan, 2006-08 Considering race and ethnicity as organising principles in why how where and by whom crimes are committed and enforced this volume argues that dimensions of race and ethnicity condition the very laws that make certain behaviours criminal and the determination of who becomes a victim of crime under which circumstances **Asian Law Journal**, 2000 **Acid Crime** Matt Hopkins, Lucy Neville, Teela Sanders, 2021-03-01 This book provides an authoritative overview of the contemporary phenomenon widely labelled as acid attacks Although once thought of as a predominantly gendered crime acid and other corrosive substances have been used in a range of violence crimes This book explores the historical use of corrosives in crime legal definitions of such attacks the contexts in which corrosives are used victim characteristics offender motivations for carrying and decanting corrosives and preventative strategies Data is drawn from the international literature and the analysis of primary data collected in the UK which is thought to have one of the highest rates of acid attacks in the world from interviews with over 20 convicted offenders and from police case files relating to over 1 000 crimes involving corrosive substances This book adds significantly to the international literature on weapons carrying and use which to date has predominantly focused around the possession and use of guns and knives **Cultural Expertise, Law, and Rights** Livia Holden, 2023-05-19 Cultural Expertise Law and Rights introduces readers to the theory and practice of cultural expertise in the resolution of conflicts and the claim of rights in diverse societies Combining theory and case studies of the use of cultural expertise in real situations and in a great variety of fields this is the first book to offer a comprehensive examination of the field of cultural expertise its intellectual orientations practical applications and ethical implications This book engages an extensive and interdisciplinary variety of topics ranging from race language sexuality Indigenous rights and women's rights to immigration and asylum laws international commercial arbitration and criminal law It also offers a truly global perspective covering cultural expertise in Africa Asia Australia Europe Latin America the Middle East and North America Finally the book offers theoretical and practical guidance for the ethical use of cultural expert

knowledge This is an essential volume for teachers and students in the social sciences especially law anthropology and sociology and members of the legal professions who engage in cross cultural dispute resolution asylum and migration private international law and other fields of law in which cultural arguments play a role The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Race, Crime, and Criminal Justice Anita Kalunta-Crumpton, 2025-07-10 One of the most controversial topics on the subject of race crime and criminal justice is the disproportionate representation of Blacks in the criminal justice system as offenders and prison inmates Rather than portraying Blacks as perpetual victims of racism in which societal institutions are solely responsible for reform this book seeks to put the power of change in the hands of Blacks It focuses on the preventative role that Blacks might play and considers solution oriented ways to stop this vicious cycle
