Kaltmeier,2016-04-01 Bringing together a multidisciplinary team of scholars this book explores the importance of ethnicity and cultural economy in the post Fordist city in the Americas It argues that cultural political and economic elites make use of cultural and ethnic elements in city planning and architecture in order to construct a unique image of a particular city and demonstrates how the use of ethnicized cultural production such as urban branding based on local identities by the economic elite raises issues of considerable concern in terms of local identities as it deploys a practical logic of capital exchange that can overcome forms of cultural resistance and strengthen the hegemonic colonization of everyday life At the same time it

shows how ethnic communities are able to use ethnic labelling of cultural production ethnic economy or ethno tourism facilities in order to change living conditions and to empower its members in ways previously impossible Of wide ranging interest across academic disciplines this book will be a useful contribution to Inter American studies Multiculturalism and Interculturalism Muhammad Mohiuddin,Tareque Aziz,Afrin Sultana,Sreenivasan Jayashree,2023-11-29 This book portrays the phenomenon of cultural diversity in its true context and helps readers to understand a variety of multicultural and intercultural issues It also explores how cultural diversity can be learned and coexist with and create a conducive environment of creativity and innovation *Multiculturalism in the British Commonwealth* Richard T. Verheul,2009 This provocative and rich volume charts the post 9 11 debates and practice of multiculturalism pinpointing their political and cultural implications in the United States and Europe Seeking Higher Ground M. Marable,2016-01-23 Hurricane Katrina of August September 2005 one of the most destructive natural disasters in U S history dramatically illustrated the continuing racial and class inequalities of America In this powerful reader Seeking Higher Ground prominent scholars and writers examine the racial impact of the disaster and the failure of governmental corporate and private agencies to respond to the plight of the New Orleans black community Contributing authors include Julianne Malveaux Melissa Harris Lacewell Ronald Walters Chester Hartman Gregory D Squires Mindy Thompson Fullilove Alan Stein and Gene Preuss This reader is the second volume of the Souls Critical Black Studies Series edited by Manning Marable and produced by the institute for Research in African American Studies of Columbia University **The West Bank of Greater New Orleans** Richard Campanella,2020-05-06 Winner of the SESA Book Award The West Bank has been a vital part of greater New Orleans since the city s inception serving as its breadbasket foundry shipbuilder railroad terminal train manufacturer and even livestock hub At one time it was the Gulf South s St Louis boasting a diversified industrial sector as well as a riverine mercantilist and

agricultural economy Today the mostly suburban West Bank is proud but not pretentious pleasant if not prominent and a distinct affordable alternative to the more famous neighborhoods of the East Bank Richard Campanella is the first to examine the West Bank holistically as a legitimate subregion with its own story to tell No other part of greater New Orleans has more diverse yet deeply rooted populations folks who speak in local accents who exhibit longstanding cultural traits and in some cases who maintain family ownership of lands held since antebellum times even as immigrants settle here in growing numbers Campanella demonstrates that West Bankers have had great agency in their own place making and he challenges the notion that their story is subsidiary to a more important narrative across the river The West Bank of Greater New Orleans is not a traditional history nor a cultural history but rather a historical geography a spatial explanation of how the West Bank's landscape formed its terrain environment land use jurisdictions waterways industries infrastructure neighborhoods and settlement patterns past and present The book explores the drivers conditions and power structures behind those landscape transformations using custom maps aerial images photographic montages and a detailed historical timeline to help tell that complex geographical story As Campanella shows there is no greater New Orleans without its cross river component The West Bank is an essential part of this remarkable metropolis

A Genealogy of Literary Multiculturalism Christopher Douglas, 2011-08-15 As an anthropology student studying with Franz Boas Zora Neale Hurston recorded African American folklore in rural central Florida studied hoodoo in New Orleans and voodoo in Haiti talked with the last ex slave to survive the Middle Passage and collected music from Jamaica Her ethnographic work would serve as the basis for her novels and other writings in which she shaped a vision of African American Southern rural folk culture articulated through an antiracist concept of culture championed by Boas culture as plural relative and long lived Meanwhile a very different antiracist model of culture learned from Robert Park's sociology allowed Richard Wright to imagine African American culture in terms of severed traditions marginal consciousness and generation gaps In *A Genealogy of Literary Multiculturalism* Christopher Douglas uncovers the largely unacknowledged role played by ideas from sociology and anthropology in nourishing the politics and forms of minority writers from diverse backgrounds Douglas divides the history of multicultural writing in the United States into three periods The first which spans the 1920s and 1930s features minority writers such as Hurston and D Arcy McNickle who were indebted to the work of Boas and his attempts to detach culture from race The second period from 1940 to the mid 1960s was a time of assimilation and integration as seen in the work of authors such as Richard Wright Jade Snow Wong John Okada and Ralph Ellison who were influenced by currents in sociological thought The third period focuses on the writers we associate with contemporary literary multiculturalism including Toni Morrison N Scott Momaday Frank Chin Ishmael Reed and Gloria Anzald a Douglas shows that these more recent writers advocated a literary nationalism that was based on a modified Boasian anthropology and that laid the pluralist grounds for our current conception of literary multiculturalism Ultimately Douglas's unified field theory of multicultural literature brings together divergent African

American Asian American Mexican American and Native American literary traditions into one story of how we moved from thinking about groups as races to thinking about groups as cultures and then back again *Dis-integrating Multiculturalism* Mute,2006 Since the advent of multiculturalism in the 1970s the redefinition of race in cultural terms has gone hand in hand with an official discourse of respect for cultural difference and diversity Today in the wake of 9 11 the rhetoric of tolerance is visibly breaking down As state policy shifts from the celebration of difference to an anxious call for assimilation the racial other whether citizen or immigrant is under renewed pressure to integrate herself into society In this issue of Mute contributors read the crisis of multiculturalism political scientific and social as both a neoliberal offensive and a challenge to rethink the relationship between particular identities and universal rights evolutionary science and biopower Texts by George Caffentzis Matthew Hyland Daniel Jewesbury Marek Kohn Eric Krebbers Hari Kunzru Melancholic Troglodytes Angela Mitropoulos Luciana Parisi Benedict Seymour

Before Official Multiculturalism Franca Iacovetta,2022-11-01 For almost two decades before Canada officially adopted multiculturalism in 1971 a large network of women and their allies in Toronto were promoting pluralism as a city and nation building project Before Official Multiculturalism assesses women as liberal pluralist advocates and activists critically examining the key roles they played as community organizers frontline social workers and promoters of ethnic festivals The book explores women s community based activism in support of a liberal pluralist vision of multiculturalism through an analysis of the International Institute of Metropolitan Toronto a postwar agency that sought to integrate newcomers into the mainstream and promote cultural diversity Drawing on the rich records of the Institute as well as the massive International Institutes collection in Minnesota the book situates Toronto within its Canadian and North American contexts and addresses the flawed mandate to integrate immigrants and refugees into an increasingly diverse city Before Official Multiculturalism engages with national and international debates to provide a critical analysis of women s pluralism in Canada

Firth, 2023-11-15 After Hurricane Katrina in 2005 many high profile chefs in New Orleans pledged to help their city rebound from the flooding Several formed their own charitable organizations including the John Besh Foundation to help revitalize the region and its restaurant scene A year and a half after the disaster when the total number of open restaurants eclipsed the pre Katrina count it was embraced as a sign that the city itself had survived and these chefs arguably became the de facto heroes of the city s recovery Meanwhile food justice organizations tried to tap into the city s legendary food culture to fundraise marketing high end dining events that centered these celebrity chefs Jeanne K Firth documents the growth of celebrity humanitarianism viewing the phenomenon through the lens of feminist ethnography to understand how elite philanthropy is raced classed and gendered Firth finds that cultures of sexism in the restaurant industry also infuse chef led philanthropic initiatives As she examines this particular flavor of elite celebrity based philanthropy Firth illuminates the troubled relationships between consumerism food justice movements and public private partnerships in development and humanitarian aid
