so this book provides a much needed practical guide to sailing multihulls upwind downwind in heavy weather anchoring handling under sail and power and manoeuvring at close quarters It will be welcomed by both experienced multihullers and those contemplating purchasing or chartering these appealing craft This book is set to be the definitive reference on the subject for years to come Multihull Seamanship, Illustrated Gavin LeSueur,1995 This guide to sailing catamarans and trimarans caters for beginners and experienced sailors of racing and cruising yachts and trailerable multihulls Discusses topics ranging from anchoring to whale encounters and includes a glossary and an index The author is an experienced sailor who has competed in many Southern Ocean races including the Two handed Bicentennial Around Australia Yacht Race His other publications include Windswept and The Line *The Annapolis Book of Seamanship: Third Edition* John Rousmaniere,1999-10 Offers information based on the sailing program of the U S Naval Academy giving detailed instructions for all levels of experience on developing and maintaining effective sailing skills *Multihull Seamanship* Michael McMullen,1976-01-01 Cruising World ,1976-01 **Cruising World** ,1977-01 *Sail Away* Nicola Rodriguez,2019-01-08 You long to escape the daily grind buy a boat and sail away This book will inspire your dreams and show you how to turn them into a reality be it an extended cruise or years away Written by a yachting journalist who has sailed away for 8 years together with the contributions of 100 other blue water cruisers there are tales a plenty of what it is like to do it from around the world west east north and south There is also practical advice on everything from choosing a boat to crossing oceans You ll be guided through each step of the preparation before casting off on your adventure of a lifetime There s information on everything the would be blue water sailor needs to consider including safety communications children ocean passages and budgeting Learn about routes and destinations around Europe the Caribbean the Pacific and beyond to help you cruise the Mediterranean or Baltic cross the Atlantic or circumnavigate the world Colour photographs and charts will inspire and inform in this essential guide for the 21st century blue water sailor Fully updated for 2019 with new sections on visiting the Baltic and high and low latitudes Contributors include John Ridgway Jeanne Socrates Tom Cunliffe Ellen Massey Leonard Behan Gifford Nigel Wollen Andrew Wilkes Jane Russell and Jeremy Wyatt **Short-Handed Sailing** Alastair Buchan,2019-01-08 While relatively few cruise single handed many sail short handed It may be a couple sailing together or a skipper with a novice crew he may have lots of people onboard but in terms of the sailing he is probably short handed They soon discover that there is so much more to short handed sailing than a lack of crew It demands a different approach a new mindset The skipper has a much greater workload but there are also fewer people sometimes no one at all to consult during the decision making process Under these circumstances fatigue can be as dangerous as heavy weather it creeps up on you often unnoticed destroying your morale and ability to make rational decisions And when short handed the crew s limited physical resources must be watched over and zealously guarded In this heavily illustrated book Alastair Buchan passes on the lessons of his hard won experience gained short and single handed sailing in coastal offshore and ocean waters It will show

you everything you need to know about handling a boat alone or short handed from choosing a suitable craft to passage planning manoeuvring sleep management and watch keeping *Cruising World* ,1979-01 *Cruising World* ,1982-07

Last Voyages Nicholas Gray,2017-01-06 Looking back at the lives and sailing careers of some of our lifetime s finest yachtsmen this collection of eleven original moving accounts is just as much a celebration of the good tales of hope achievement and courageous spirit as it is an account of their tragic final voyages Included are world renowned racers like Eric Tabarly and Rob James highly experienced cruisers and adventurers like Peter Tangvald and Bill Tilman and the notoriously ill prepared Donald Crowhurst as well as other famous and some less well known sailors Starting with the sad loss of Frank Davison and Reliance in 1949 the book concludes with the amazing last voyage of Philip Walwyn in 2015 crossing the Atlantic single handed in his 12 Metre yacht Kate All of the men and women described were friends with or known to the author Nicholas Gray who himself competed in several short handed long distance races where he met and raced against many of these fascinating characters Peppered with photographs showcasing the sailors and their yachts this is a refreshing look at those who have helped to shape this sport s history honouring their lives and accomplishments before detailing their tragic last voyages *MotorBoating* ,1971-03 *Cruising World* ,1976-01
