Mummified Deer And Other Plays:

Mummified Deer and Other Plays Luis Valdez, 2005-04-30 For more than twenty years Luis Valdez the most distinguished Latino playwright and director has reserved most of his scripts for live stage productions His two landmark published collections *Early Works* and *Zoot Suit and Other Plays* are only a sampling of his early master works and of the later plays that made it to the stage in the 1980s Now Valdez has finally opened his trunk to release print editions of a revised early work and two brand new major dramas *Mummified Deer* is Valdez's mature exploration of the Yaqui Indian roots of Mexican American culture and Valdez's own family *Returning* to the format of the tent show Valdez mines maternal psychology and Yaqui mysticism to demand that characters scale the full gamut of emotions In this gut wrenching piece *Mama Chu* is the dominant imposing figure who must reconcile the present with the past and unify the conflicting histories and identities of her family *Mundo Mata* is the long awaited drama of unionizing farm workers battling the agribusiness power structure in California while Mexican Americans are being sent off to battle brown skinned enemies in Vietnam Valdez assesses the toll that families have to pay to remain united against divisive forces It all comes down to Reymundo the antihero who in the end must weigh existential and political questions *The Shrunken Head of Pancho Villa* Valdez's reworked first play still holds all the vision spunk and innovation of the young playwright Injecting black humor into domestic drama disembodied heads talk mothers exchange roles with the patriarch pachucos banter and sell outs become the mouthpieces for an oppressed community all characters and themes that would dominate future plays of Valdez and subsequent Chicano literature

Mummified Deer & Other Plays , Three Plays by Luis Valdez Luis Valdez, 2025-03-31 Collecting together *Fin del Mundo* *Valley of the Heart* and *Ad os Mam Carlota* this book compiles the latest plays of Luis Valdez and explores how they stand to be considered masterpieces by the man who brought the world *Zoot Suit* and *La Bamba* Luis Valdez has been described as the last of the great American playwrights referring to a Golden Age of U S playwriting that began with Eugene O'Neill and included Tennessee Williams Arthur Miller and August Wilson Like these other playwrights Valdez's impact on theatre needs to be measured on a global scale The plays are psychologically deep with powerful political messages woven into sophisticated plots and minutely drawn characters all done with the characteristic rasquachi theatricality that made Valdez a household name *Fin del Mundo* follows the protagonist through a maze like urban afterlife that is by turns hilarious and deeply moving In *Valley of the Heart* we witness a fictionalization of the true history of the relationship of Chicanos to Japanese Americans during the horrific internments of World War II Finally in *Ad os Mam Carlota* we share the final moments of the former Empress of Mexico teetering on the edge of madness as she relives her extraordinary life and faces crippling guilt over her actions Together these plays represent a crowning achievement in the storied life of Luis Valdez In this collection each play is preceded by an introductory chapter by Jorge A Huerta with analysis of the play This collection is a vital and indispensable text for practitioners and students as well as scholars of contemporary theatre American and

Chicano performance *The Methuen Drama Guide to Contemporary American Playwrights* Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Translating Cultures in Search of Human Universals Ikram Ahmed Elsherif, 2021-01-11 Informed by the anthropological research of Professor Donald E Brown on human universals this book compiles 10 articles exploring the representation of common human cultural practices and concerns in literature cinema and language The book as a whole demonstrates not only that Brown's human universals are shared by different cultures but most importantly that they have the potential to form a basis for inter and intra cultural communication and consolidation bridging gaps of misinformation and miscommunication both spatial and temporal The contributors are Egyptian scholars who cross temporal and spatial boundaries and borders from Africa and the Middle East to Asia Europe and the Americas and dive deep into the heart of the shared human universals of myth folklore and rituals dreams trauma cultural beliefs search for identity language translation and communication They bring their own unique perspectives to the investigation of how shared human practices and concerns seep through the porous boundaries of different cultures and into a variety of creative and practical genres of fiction drama autobiography cinema and media translation Their research is interdisciplinary informed by anthropological social psychological linguistic and cultural theory and thus offers a multi faceted and multi layered view of the human experience

Native American Performance and Representation S. E. Wilmer, 2011-11-01 Native performance is a multifaceted and changing art form as well as a swiftly growing field of research Native American Performance and Representation provides a wider and more comprehensive study of Native performance not only its past but also its present and future Contributors use multiple perspectives to look at the varying nature of Native performance strategies They consider the combination and balance of the traditional and modern techniques of performers in a multicultural world This collection presents diverse viewpoints from both scholars and performers in this field both Natives and non Natives Important and well respected researchers and performers such as Bruce McConachie Jorge Huerta and Daystar Rosalie Jones offer much needed insight into this quickly expanding field of study This volume examines Native performance using a

variety of lenses such as feminism literary and film theory and postcolonial discourse Through the many unique voices of the contributors major themes are explored such as indigenous self representations in performance representations by nonindigenous people cultural authenticity in performance and representation and cross fertilization between cultures Authors introduce important though sometimes controversial issues as they consider the effects of miscegenation on traditional customs racial discrimination Native women s position in a multicultural society and the relationship between authenticity and hybridity in Native performance An important addition to the new and growing field of Native performance Wilmer s book cuts across disciplines and areas of study in a way no other book in the field does It will appeal not only to those interested in Native American studies but also to those concerned with women s and gender studies literary and film studies and cultural studies
