[The Uncollected Stories of Mavis Gallant](#) Mavis Gallant, 2025-01-21. A collection of over thirty short stories by one of the greatest fiction writers in American history, now available in a single volume for the first time ever. Mavis Gallant's extraordinary mastery of the short story remains insufficiently recognized. She may be the best writer of stories since the early 1950s' prime of John Cheever, Eudora Welty, and Flannery O'Connor, and even in such august company, her work is sui generis. Gallant's short fiction refines the art of the story even as it expands the boundaries of what a story can be. Above and beyond that, however, it constitutes a striking, almost avant-garde reduction. To read her is to discover something about the very nature of story: how, for better or worse, life is caught up in it, and how, on the page, that common predicament can come

to life The Uncollected Stories of Mavis Gallant includes more than thirty stories never before gathered into one volume including The Accident and His Mother and An Autobiography and De de With the publication of this book finally all of this modern master s fiction will be in print The Mummy's Curse Roger Luckhurst,2012-10-25 A quirky history that offers a new way of understanding the myth of the mummy s curse Roger Luckhurst provides a startling path through the cultural history of Victorian England and its colonial possessions **Personal Accounts From Northern Ireland's Troubles** Marie Smyth,Marie-Therese Fay,2000-04-20 A poignant collection of first hand accounts drawn from interviews with people from a variety of different backgrounds this collection brings the personal toll of the Troubles to life **Padre Pio** C.
