The Mummy A Tale of the Twenty Second Century is an 1827 three volume novel written by Jane Webb It concerns the Egyptian mummy of Cheops who is brought back to life in the year 2126 **Mummy!** ,1828 *The Mummy!* Mrs. Loudon (Jane),1857 While the title may seem a bit cutesy Jane C Loudon s The Mummy A Tale of the Twenty Second Century is no book for the faint of heart Published in 1827 The Mummy tells the story of Cheops a mummified Egyptian corpse who is brought back from the dead during the 22nd century Controversial because of some gruesome scenes as well as because of its female author the novel went into obscurity shortly after its publication As resurrected mummy stories became well known in popular culture Loudon s work came back into the mainstream science fiction canon and recognized as an important zombie novel as it features one of the earliest known examples of a mummy s curse the magic that raises angry vengeful mummies from the dead **The Mummy! A Tale of the Twenty-second Century** Jane Loudon (formerly Webb.),1872

The Mummy! a Tale of the Twenty-Second Century Jane C. Loudon,2016-12-01 Published in 1827 The Mummy is set in the then distant future of 2126 and envisions a world of advanced technology with some striking similarities to the one we know now including a form of Internet Steam powered automatons take important roles such as lawyers and surgeons farming work can be done by steam powered plough and ladies wear hair ornaments of controlled fire This visionary technological setting is contrasted with a morality that has seemingly gone awry and it falls to the reanimated mummy of Cheops to try to find a role in this corrupted society Jane C Loudon nee Webb was among the earliest science fiction writers and a pioneer for several popular themes The Mummy was her first fiction book and was the first known story to feature an Egyptian mummy returning to life Although written nearly two centuries ago and set in an age yet to come Loudon s work seems remarkably prescient many of the issues in The Mummy parallel the issues faced by the society of the early 21st century A fascinating view of a world to come from one of the first writers in the genre **The Mummy!** MrJane
