who played citizens
of Munchkinland
in the M-G-M classic
tell their story!

Munchkins Remember The Wizard Of Oz And Beyond

**Angelica Shirley Carpenter, Jean
Shirley**

Munchkins Remember The Wizard Of Oz And Beyond:

The Munchkins Remember Stephen Cox,1989 Profiles the numerous men and women who played the citizens of Munchkinland offering their perspectives on the creation of The Wizard of Oz the film's stars and their own lives before and after the film [The Wizard of Oz FAQ](#) David J. Hogan,2014-06-01 The Wizard of Oz FAQ is a fact filled celebration of the beloved 1939 fantasy masterpiece starring Judy Garland It's all here from L Frank Baum and his Oz novels to the complete background story of the movie's conception development and shoot with special attention given to the little known parade of uncredited directors casting difficulties and on set accidents and gaffes as well as more than 75 sidebars devoted to key cast members directors and other behind the scenes personnel You'll find a wealth of fun facts How MGM overworked Judy Garland before during and after Oz why director Victor Fleming had his hands full with the Cowardly Lion and Dorothy's other friends what it was about Toto that really bothered Judy the physical horrors of filming in Technicolor the racial Oz gag that was scripted but never shot when the Wicked Witch was going to be beautiful why The Wizard of Oz owes a lot to silent screen star Mary Pickford the story of deleted scenes and a full two weeks of shooting that had to be scrapped why MGM star Mickey Rooney was part of the movie's traveling publicity blitz how the Wicked Witch was literally blown off her broomstick one day the place where lions tigers and bears really do live together singers you hear but never see the day MGM fired Judy Garland and much more Just follow the yellow brick road *The Wizard of Oz* Salman Rushdie,2019-07-25 The Wizard of Oz was my very first literary influence writes Salman Rushdie in his account of the great MGM children's classic At the age of ten he had written a story Over the Rainbow about a colourful fantasy world But for Rushdie The Wizard of Oz is more than a children's film and more than a fantasy It's a story whose driving force is the inadequacy of adults in which the weakness of grown ups forces children to take control of their own destinies And Rushdie rejects the conventional view that its fantasy of escape from reality ends with a comforting return to home sweet home On the contrary it is a film that speaks to the exile The Wizard of Oz shows that imagination can become reality that there is no such place like home or rather that the only home is the one we make for ourselves Rushdie's brilliant insights into a film more often seen than written about are rounded off with his typically scintillating short story At the Auction of the Ruby Slippers about the day when Dorothy's red shoes are knocked down to 15 000 at a sale of MGM props In his foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Rushdie looks back to the circumstances in which he wrote the book when in the wake of the controversy surrounding The Satanic Verses and the issue of a fatwa against him the idea of home and exile held a particular resonance [The Munchkins of Oz](#) Stephen Cox,2002 Tells the story of the midgets who played the Munchkins in the 1939 Hollywood classic The Wizard of Oz including where they came from how they fared during filming what they did off the set and what became of those among them who stayed in show business **The Lives of Dwarfs** Betty M. Adelson,2005 The Lives of Dwarfs is extraordinary in its range and vision Beautifully written Totally absorbing Ursula Hegi

author of *Stones from the River* As a little person husband and father of a little person I dream of the day when dwarfs attain full acceptance in society *The Lives of Dwarfs* provides a giant step in that direction Rick Spiegel former president of Little People of America This important book makes it possible for both average and short statured people to challenge our collective understanding of dwarfism as a synonym for diminishment or as an array of cute and evil fairy tale figures The libratory work of this book is to invite us all to reimagine dwarfism as a livable experience and tenable way of being in the world Rosemarie Garland Thomson author of *Extraordinary Bodies Figuring Physical Disability in American Culture and Literature* A work of compassionate scholarship A unique contribution to the literature of physical deformity and social isolation and a gift to the individuals whose personal struggle this is Linda Hunt actor Historically they have borne the labels freaks and oddities they have been collected as pets displayed as spectacles and treated as comic relief Now for the first time in this elegant and comprehensive volume the lives of dwarfs are explored in all their fullness and humanity Spanning the centuries from ancient Egypt to the present this unique social history chronicles the various ways this population has been exploited describes their strategies for coping and notes the persistent influence of mythology upon perceptions of them by others The narrative also highlights the lives of eminent individuals and contains a thought provoking account of the representation and participation of dwarfs in the arts enhanced by outstanding color photographs Betty M Adelson the mother of a daughter with dwarfism brings special insight and sensitivity to the research She traces the widespread mistreatment of dwarfs over the centuries engendered by their being viewed as curiosities rather than as human beings capable of the same accomplishments as people of average height and deserving of the same pleasures For much of their history dwarfs have resorted to exhibiting themselves because of social stigma no other employment was available Only in recent years have short statured individuals begun to challenge their position in society Medical advances new economic opportunities and disability legislation have led to progress mainly in Western nations Advocacy groups have also formed in countries as diverse as Chile South Korea and Nigeria Adelson compares what she refers to as the small revolution to similar social and cultural awakenings that women African Americans gays and lesbians and persons with disabilities experienced when they identified themselves as a community with shared goals and obstacles Written with passion grace and the dignity that the subject deserves *The Lives of Dwarfs* will not only revolutionize current perceptions about the historically misrepresented dwarf population but also offer pause for thought on issues of disability medical treatment height beauty and identity

Everybody Belongs Arthur Shapiro, 2003-09-01 The evil prosthesis of Captain Hook the comical speech of Porky Pig and the bumbling antics of Mr Magoo are all examples of images in our culture which can become the basis of negative attitudes and subliminal prejudice towards persons with disabilities These attitudes influence and underlie discriminatory acts resulting in negative treatment and segregation A teacher s ability to recognize and counter such images may well determine the success of inclusion and mainstreaming programs in our schools and society Well researched and well written

this book offers practical guidance as grounded in solid research to schools that are wrestling with how to mainstream children with disabilities

Cheap Tricks and Class Acts John "J.J." Johnson, 2009-02-13 In the 1950s Hollywood unleashed a wave of monsters everything from demon aliens and dinosaurs to blobs and bloated bugs infested theaters and drive ins Lost worlds were discovered unnatural terrors shook the screen gigantism ran rampant Moviegoers were left with one question How did they do that This work uncovers the cheap and challenging behind the scenes production secrets of the fantastic films of the 1950s Special technical effects visual effects menacing makeup stunts fantastic sets and film locations are all covered in detail along with the many men and women who shared in these occasionally brilliant and usually outrageous efforts Also included is a lengthy checklist of the prominent makeup stunt prop and effects artists of the era with a listing of their fantastic film credits

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Exploring the Cultural History of Continental European Freak Shows and 'Enfreakment'* Anna Kérchy, 2013-02-14 This collection offers cultural historical analyses of enfreakment and freak shows examining the social construction and spectacular display of wondrous monstrous or curious Otherness in the formerly relatively neglected region of Continental Europe Forgotten stories are uncovered about freak show celebrities medical specimen and philosophical fantasies presenting the anatomically unusual in a wide range of sites including curiosity cabinets anatomical museums and traveling circus acts The essays explore the locally specific dimensions of the exhibition of extraordinary bodies within their particular historical cultural and political context Thus the impact of the Nazi eugenics programs state Socialism or the Chernobyl catastrophe is observed closely and yet the transnational dimensions of enfreakment are made obvious through topics ranging from Jesuit missionaries diabolization of American Indians to translations of Continental European teratology in British medical journals and the Hollywood silver screen s colonization of European fantasies about deformity Although Continental European freaks are introduced as products of ideologically infiltrated representations they also emerge as embodied subjects endowed with their own voice view and subversive agency

Golden Horrors Bryan Senn, 2015-09-03 From the grindhouse oddities to major studio releases this work details 46 horror films released during the genre s golden era Each entry includes cast and credits a plot synopsis in depth critical analysis contemporary reviews time of release brief biographies of the principal cast and crew and a production history Apart from the 46 main entries 71 additional borderline horrors are examined and critiqued in an appendix

British Film Institute Film Classics Rob White, Edward Buscombe, 2003

Beyond Tests and Quizzes Richard J. Mezeske, 2007-10-12 Beyond Tests and Quizzes Because the drive toward external assessment

speaks almost exclusively in terms of standardized testing we need to be reminded of the internal purposes of assessment measuring learning for both student and teacher so that instruction can be adjusted and improved This book is written for college instructors who are striving to creatively change assessment practice to better reflect learner centered teaching It is intended to consider not only the multiple ways in which individuals learn content but also the multiple avenues to assessment the variety of learning styles demands Creative assessment is defined here as assessments that spin twist and reform what might be a standard kind of assessment in an ordinary classroom Instructors should use these examples of creative assessment as starting points and as the beginnings of an internal discussion on what matters most in the courses they teach What components of each course count the most for solving a range of problems in the discipline If facts are important and they usually are how can they be used to support a flexible approach to thinking solving considering options and gathering and interpreting evidence What are the facts not telling us The approaches suggested in this book focus on learning on what students can do as a result of learning and on how teachers can observe what students do The assessment models presented here include concept mapping variable grading learning logs moving from memorization to analysis making labs more practical exams as learning experiences web based assessment thinking styles tracking learning over time and assessment in the real world Each translates to a range of academic settings and is easily adaptable for use by a variety of instructors in any discipline

Sissy Warriors Reid Adam Davis,2006 *The Guide to United States Popular Culture* Ray Broadus Browne,Pat Browne,2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive

index **The Advocate** ,1989 **Edison's Eve** Gaby Wood,2002 A rich and informative exploration of our age old obsession with making life Could an eighteenth century mechanical duck really digest and excrete its food Was the Turk a celebrated chess playing and winning machine fabricated in 1769 a dazzling piece of fakery or could it actually think Why was Thomas Edison obsessed with making a mechanical doll a perfect woman mass produced Can a twenty first century robot express human emotions of its own Taking up themes long familiar from the realms of fairy tales and science fiction Gaby Wood traces the hidden prehistory of a modern idea the thinking hoaxes and inventions that presaged contemporary robotics and the current experiments with artificial intelligence Informed by the author s scientific and historical research Edison s Eve is also a brilliant literary cultural and philosophical examination of the motives that have driven human beings to pursue the creation of mechanical life and the effects of that pursuit both in its successes and in its failures on our sense of what makes us human *L. Frank Baum* Angelica Shirley Carpenter,Jean Shirley,1992 A biography of the author of The Wizard of Oz who invented a new kind of fairy tale uniquely modern and American **The Wizard of Oz and Philosophy** Randall E. Auxier,Phil Seng,2011-08-31 From the bedtime story by L Frank Baum to the classic 1939 film no story has captured the imaginations of generations of children and adults like The Wizard of Oz The story of Dorothy s journey through Oz the colorful characters places songs and dialogue have permeated popular culture around the world The contributors to this volume take a very close look at The Wizard of Oz and ask the tough questions about this wonderful tale They wonder if someone can possess a virtue without knowing it and if the realm of Oz was really the dream or if Kansas was the dream Why does water melt the Wicked Witch of the West and why does Toto seem to know what the other characters can t seem to figure out The articles included tackle these compelling questions and more encouraging readers to have discussions of their own **Here's Johnny!** Stephen Cox,1992 Published to coincide with Johnny Carson s last weeks as host of The Tonight Show Here s Johnny is a loving history of Carson s reign as king of the late night talk shows Features a rare interview with Johnny himself as well as 200 photographs most previously unpublished **Fast Answers to Common Questions** Carolyn A. Fischer,2000 A guide to more than 4 500 commonly asked reference questions on a variety of subjects
