Las relaciones entre Europa Oriental y América Latina 1945-1989 Josef Opatrný, 2015-11-01 Kolektivní monografie Las relaciones entre Europa Latina y América Latina 1945-1989 je v studiu patří k těm, které se zabývají vztahy Evropy a Latinské Ameriky v období studené války Celý text je svedcím proměny v důrazu studia vědeckého v posledních letech Tradičně byly objektem zájmu tohoto období vztahy mezi USA a SSSR, dnes se zájem přesouvá na problematiku vzájemnosti vztahů mezi celými regiony, které byly v této době supermocnostmi v daném prostoru evropských vazalů Sovětského svazu a Latinské Ameriky. Z pochopitelných důvodů je v nové éře velkou pozorností věnovaná mimo jiné evropským Kuby, které se staly po roce 1959 sovětskými padělky v západním hemisféru.

The monograph "Las relaciones entre Europa Latina y América Latina 1945-1989" presents essays written by fifteen Czech and foreign scholars who focus on relations between Central Europe and Latin America during the Cold War. The book is evidence of the changes in the focus of Cold War study in recent years. Traditionally, the main focus of this period was the relations between the USA and the USSR, while at the present time interest has shifted to mutual relations between countries and entire regions from the camps of the two superpowers; in this case, the Soviet Union's European vassals and Latin America. Understandably, relations between Central Europe and Cuba, which became a Soviet beachhead on the western hemisphere after 1959, have received the most extensive attention.
