Munros New House:

The Munros' New House Jonathan Gathorne-Hardy, 1987 *Federal Salaries and Classifications* United States. Congress. House. Committee on Post Office and Civil Service, 1954 **The Munro Family from Longlac** Kenneth Munro, 2014-09-04 This is the story of the Munro family of Longlac George Jane and I spent our salad days in this picturesque little Northwestern Ontario community based on the pulp industry nestled between two First Nations reserves It is the story of a largely agricultural family whose members had deep roots in the soil of Saskatchewan and Ontario and whose offspring struggled throughout the twentieth century to become well educated middle class urban family members Although my grandparents and parents brought family characteristics to bear on the development of me and my siblings this little community provided an environment in our early years which left an indelible influence on all three of our lives Longlac was a mirror of the larger Canadian environment which sometimes exhibited prejudice and stifled creativity but it also exhibited tolerance and allowed freedom for personal growth Education was the passport to employment in urban Canada and to a full participation in Canadian life Our parents saw that my siblings and I knew of our origins in both western and eastern Canada and gave us every opportunity to become familiar with both the English and French languages and cultures Our eye on the world was the CBC whose low power relay transmitter broadcast English language programs during the day This environment was our springboard to success in our various professions and provided the following generations with an ability to contribute to Canada as hard working caring members of a middle class family **Federal Salaries and Classifications ... Midgley,Jeff Sanders,2012 Dr Robert Munro 1835 1920 was a distinguished medical practitioner who in his later life became a keen archaeologist His particular interests lay in the lake dwelling settlements of his native Scotland known as crannogs as well as those then being discovered across Europe In 1885 Robert Munro undertook a review of all lacustrine research in Europe travelling widely to study collections and visit sites The results of this work formed the basis for the prestigious Rhind Lectures at the Society of Antiquaries of Scotland in 1888 These were then published as The Lake Dwellings of Europe a landmark publication for archaeology and one that cemented Munro s archaeological reputation In 1910 Robert Munro offered the University of Edinburgh a financial gift with which to fund lectures in Anthropology and Prehistoric Archaeology Over the past century this has been done through the Munro Trust In 2010 the year of the centenary of the Munro Trust the University of Edinburgh and the Society of Antiquaries of Scotland jointly celebrated the occasion with a gathering of Continental and British scholars The papers presented in this publication are the results of that international seminar This book will engage all those interested in European lake dwellings wetland archaeology and the history of archaeology in the 19th century The collected papers explore the historical context of Munro s work as well as introducing current research from across Europe The book will appeal to both the professional and the interested amateur of which Munro himself represented such an exciting synthesis **Life of Sir Thomas Munro** George Robert Gleig,1849 **The Stark Munro Letters** Артур Конан Дойл,2021-03-16 *The Stark Munro Letters* James Machin,2024-12-31 This is the first scholarly edition of Arthur Conan Doyle s epistolary novel originally serialised in the Idler 1894 95 and long out of print With its first hand testimony of the life of a doctor at the outset of his career in the late nineteenth century The Stark Munro Letters will appeal to anyone with an interest in medical history It is based on his experiences during the eight years he spent as a General Practitioner before becoming a professional author in 1890 By some way the most autobiographical of Conan Doyle s novels written at the height of Holmes s popularity it is also the most personal in terms of presenting his worldview during his formative years including ruminations on moral philosophy religion science and evolutionary theory Moreover it is entertaining and incredibly vivid a contemporary critic described the

mercurial Cullingworth as one of the finest characters Dr Doyle has yet drawn *Journals and Proceedings of the House of Assembly of the Province of Nova Scotia* Nova Scotia. House of Assembly, 1911
