Muntu An Outline Of The New African Cult:

Voodoo in New Orleans 1990 Bryan M. Ott,1991

Theological Models of the Doctrine of the Trinity James

Henry Owino Kombo,2016-08-30 The doctrine of the Trinity is the foundational doctrine for all Christian theology doxology and practice In this publication James Kombo brings a unique and valuable contribution to understanding the Trinity and how God can be understood within the context of any culture and language Kombo first recognizes and brings into focus God s self presentation in Scripture as the triune God Moving from the early church through various church traditions over the centuries he interacts with how each tradition viewed God and their interpretation of the Trinity Closing with a distinctly African view of God from the Luo language tradition used mostly in Kenya and Tanzania Kombo emphasises the benefits of considering alternative models of interpretation from various regions of the world Kombo s work applying his research across cultures makes this an excellent resource in any context of ministry and the academy **Communicating Christ**

Cross-culturally David J. Hesselgrave,1991 As an unparalleled introduction to missionary communication this thoroughly indexed book examines world views cognitive processes linguistic forms behavioral patterns social structures communication media and motivational sources **Central Africa in the Caribbean** Maureen Warner Lewis, Maureen Warner-Lewis,2003

Maureen Warner Lewis s pioneering study analyses some of the main lineaments of the Central African cultural legacy in the Caribbean with fascinating transatlantic comparative data She identifies Central African cultural forms in areas settled by the Koongo Mbundu and Ovimbunda the two present day Congos and Angola and illuminates Caribbean thought and customs through comparison with those cultures Back cover **Down by the Riverside** Charles Joyner,2022-08-15

Charles Joyner takes readers on a journey back in time up the Waccamaw River through the Lowcountry of South Carolina past abandoned rice fields once made productive by the labor of enslaved Africans past rice mills and forest clearings into the antebellum world of All Saints Parish In this community and many others like it enslaved people created a new language a new religion indeed a new culture from African traditions and American circumstances Joyner recovers an entire lost society and way of life from the letters diaries and memoirs of the plantation whites and their guests from quantitative analysis of census and probate records and above all from the folklore and oral history of the enslaved Americans His classic reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people This anniversary edition of Joyner s landmark study includes a new introduction in which the author recounts his process of writing the book reflects on its critical and popular reception and surveys the past three decades of scholarship on the history of enslaved people in the United States **Worship-Shaped Life** Ruth A. Meyers,Paul Gibson,2010-09-01

Worship is not something that the church does it is an encounter through which Christians are equipped to bring transformation to the world This second volume in an important new series on worldwide Anglicanism draws on global contributions and examples to address the subject of liturgical formation how liturgy forms Christians for participation in God s work in the world as well as the formation of

Christians for worship and of those who lead worship Voices from the UK Africa the US Canada and the Philippines consider key aspects of liturgical formation in this essential new volume connecting the liturgy with local contexts learning about God and ourselves through worship applying the liturgy to doing justice developing the role of music in liturgical formation training those who lead liturgical celebration and more

The Routledge Handbook of Material Religion Pooyan Tamimi Arab, Jennifer Scheper Hughes, S. Brent Rodríguez-Plate, 2023-09-01 The Routledge Handbook of Material Religion places objects and bodies at the center of scholarly studies of religious life and practice Propelling forward the study of material religion the Handbook first reveals the deep philosophical roots of its key categories and then advances new critical analytics such as queer materialities inescapable material entanglements and hyperobjects that explode the small scale personal view on religions The Handbook comprises thirty chapters written by an international team of contributors who offer a global perspective of religious pasts and presents divided into four thematic parts Genealogies of Material Religion Materializing the Terms of the Study of Religion Entanglements Entrapment Escaping Hyperobjects or How Ginormous Things Affect Religions In these four parts the study of material religion is redirected towards systematic critical interrogations of the imbrication of religious structures of power with racial economic political and gendered forms of domination From Spinoza's political theology to African philosophies of ubuntu from the queer materialities of Mesoamerican religion to the Satanic Temple of the United States from Islamic love and sacrifice in human animal entanglements to Shia militants attachment to weaponry from epidemic cataclysm in Latin America to vast infrastructures and the gathering of millions in India's Kumbh Mela the study of material religion proves to be the study par excellence of the human condition The Handbook is essential reading for students and researchers in religious studies anthropology history and media studies and will also be of interest to those in related fields such as archeology sociology and philosophy
