archaeological find of the century which turns out to be something far more sinister as well as the discovery of a dead man on the beach with a mysterious clue in his pocket The Madness of Crowds reveals that murder and mayhem are sometimes a group effort We meet two young Canadians who leave home one summer to find work and instead end up on a murder spree and a bizarre California cult that asks its members to topple the Mormon church The book concludes with Notable Disasters which describes some of the most tragic and deadly events in history including the deadly tsunami in the Indian Ocean on December 26 2004 as well as the devastating Grenfell Tower fire in London in June 2017 The book includes a foreword by Alan R Warren bestselling true crime author and host of the House of Mystery Radio Show **Murder Madness**

Lubeck, 2019-09-26 Murder is the willful killing of a human being with malice aforethought either expressed or implied Malice includes not only hatred and revenge but every terrible and unjustifiable motive committed by one person against another Malice indicates the state of mind of the person charged Insanity is a legal and not a medical concept and can be determined by applying certain legal tests A hundred years ago the wildest delusions were not always sufficient to get the prisoner off The insanity defense had to show previous notorious acts to demonstrate the irrational behavior of the defendant In the eighteenth and nineteenth centuries the most common weapons of death were the ax gun knife and poison Murder was never a bailable offense the defendant remained in jail until the trial and if convicted until his execution This book documents crimes personal hardships and other struggles which occurred in Renville County Minnesota from the late 1860s to early 1940s Find out what happened to Andrew Anderson who stabbed his wife with a knife Michael Dowling who almost froze to death in a blizzard Ole Rogn whose wife fell in a well Lincoln Parker who murdered his brother in law in cold blood Emanuel Otto a wealthy farmer who was poisoned and shot three men who robbed a bank in Danube Ed Corey who murdered the woman he loved Fred Zaske who attacked his wife with an ax Ed Butcher who shot his daughter while she wrote a letter Paul

Schoepke who had a dispute with his brother about a gun Joe Williams who beat and robbed a hobo on the railroad tracks Odin Norby who embezzled money from his employer Otilie Lindeman who attacked her husband with an ax while he slept These are just a few of the many crimes that took place in Renville County After reading these stories you ll be left with more questions than answers Many of these cases remain unsolved to this day **Gruesome New York** Nick Vulich,2019-12-23 Gruesome New York is a collection of true life stories most of them rescued from old newspaper accounts published over 100 years ago Only a few of the events in this book have ever made it into print except maybe in musky old county histories Even then they are lucky to rate a paragraph Read them now if you dare Included inside The murder of Helen Jewett in 1836 The killing of Carrie Brown better known as Old Shakespeare back in 1891 Lizzie Halliday who murdered five people including her husband in the early 1890s And don t forget Roxalana Druse She chopped up her husband and cooked him in the kitchen stove to eliminate the evidence Of course there s more but you get the idea Gruesome New York covers eighteen brutal New York killings that occurred between 1836 and 1920 **Homicide** Bal K. Jerath,Rajinder Jerath,2020-08-26 Homicide represents the result of an exhaustive search of the world literature regarding homicide More than 7 000 entries have been compiled from references selected from major indexes in libraries from outstanding universities government agencies and military posts science libraries law libraries and the Library of Congress Each entry features a one or two word annotation that indicates whether it is an article or a book and all entries conform to the American Psychological Association stylebook guidelines Key word and author indexes provide quick access to works pertaining to particular subjects or by a certain author *Modern Murders* Lee Michael-Berger,2023-05-03 Modern Murders is the first comprehensive study of murder representations during the turn of the century drawing on previously neglected archival material to explore the intellectual cultural and artistic contexts of the period Most studies view the abundance of murder representations throughout the nineteenth century as an indicator of a supposedly typical Victorian appetite for sensation and melodrama Modern Murders however demonstrates the turn of the century s backlash against melodramatic and sensational representations of murder and reads them as an important component in the struggles for better aesthetic standards in art and entertainment and as a dominant feature in the debates on mass culture Through a plethora of visual and written texts representations of fictional and actual real life murders and high and popular forms of writing the volume considers the importance of murder in the elite claim to cultural authority versus its perception of plebian taste in the context of the democratization of culture This book will be of value to scholars and graduate students in a variety of research areas as well as general readers interested in the role of murder as a central trope in modern art and culture **Arguments and Decisions, in Remarkable Cases** Lord John Maclaurin Dreghorn,Scotland. Storey,2023-02-16 Nostalgic recollections of wartime Britain often forget that when the blackout was enforced at night in an attempt to foil Nazi bombers a crime wave cloaked by the inky black darkness ensued on many of our streets There were petty crimes robberies sexual assaults and as *The Blackout Murders* reveals some horrific murders took place on our home front during the Second World War Some of them still rank among the most shocking crimes in modern British history Some of the murders recounted within the pages of this book remain infamous others are almost forgotten and some remain unsolved to this day Several cases have new light shed on them from recently released archives and records uncovered by the author Every case has been carefully selected for its reflection of wartime conditions and each one has a powerful poignant and tragic story to tell Readers will gain insights into the darker narrative of our home front and learn about some of the men and women who strove to maintain law and order under the most challenging circumstances Others innovated and developed ground breaking forensic techniques to identify bodies recognize if foul play had occurred and as a direct result brought murderers to justice who may otherwise have gone undetected and unpunished Anyone reading *The Blackout Murders* will never look at Britain's Home Front during the Second World War in the same way again **Mafia Life** Federico Varese,2018-03-07 We see mafias as vast powerful organizations harvesting billions of dollars across the globe and wrapping their tentacles around everything from governance to finance But is this the truth Traveling from mafia initiation ceremonies in far flung Russian cities to elite gambling clubs in downtown Macau Federico Varese sets off in search

of answers Using wiretapped conversations interviews and previously unpublished police records he builds up a picture of the real men and women caught up in mafia life showing their loves and fears ambitions and disappointments as well as their crimes Mafia Life takes us into the real world of organized crime where henchmen worry about bad managers and have high blood pressure assassinations are bungled as often as they come off and increasing pressure from law enforcement means that a life of crime is no longer lived in the lap of luxury As our world changes so must mafias Globalization migration and technology are disrupting their traditions and threatening their revenue streams and the Mafiosi must evolve or die Mafia Life is an intense and totally compelling look at these organizations and the daily life of their members as they get to grips with the modern world
