Who Murdered FDR? Stephen B. Urbaney, 2017-01-10 Why did Eleanor Roosevelt in 1957 12 years after FDR's death suddenly hire a private investigator to probe the case Why were all of FDR's medical records stolen from a locked filing cabinet at Bethesda Naval Hospital History now reveals that FDR died in the presence of two Russian spies who were painting his portrait and in 1995 his cousin published a diary claiming that his doctors knew he was being poisoned but couldn't determine the cause Are we really expected to believe that FDR Hitler and Mussolini all died within an 18 day span of each other by coincidence This book answers all of these questions and is a full fledged punch in the face to anyone who believes the lies that we've been told in the history books for more than 75 years FDR didn't just die he was murdered Prepare to be fascinated

Murder in the Lincoln Bedroom Elliott Roosevelt, 2002-02-18 A secret war council in the White House means that Eleanor must solve a murder herself or let the press become aware of the conference **Best Sellers**, 1984 *A Lady's Guide to Gossip and Murder* Dianne Freeman, 2020-06-30 The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery Though American by birth Frances Wynn the now widowed Countess of Harleigh has adapted admirably to the quirks and traditions of the British aristocracy On August twelfth otherwise known as the Glorious Twelfth most members of the upper class retire to their country estates for grouse shooting season Frances has little interest in hunting for birds or a second husband and is expecting to spend a quiet few months in London with her almost engaged sister Lily until the throng returns Instead she's immersed in a shocking mystery when a friend Mary Archer is found murdered Frances had hoped Mary might make a suitable bride for her cousin Charles but their courtship recently fizzled out Unfortunately this puts Charles in the spotlight along with dozens of others It seems Mary had countless notes hidden in her home detailing the private indiscretions of society's elite Frances can hardly believe that the genteel and genial Mary was a blackmailer yet why else would she hoard such juicy tidbits Aided by her gallant friend and neighbor George Hazelton Frances begins assisting the police in this highly sensitive case learning more about her peers than she ever wished to know Too many suspects may be worse than none at all but even more worrying is that the number of victims is increasing too And unless Frances takes care she'll soon find herself among them Engrossing Freeman takes a witty look at Victorian polite society Historical mystery fans will be delighted Publishers Weekly *The Law Coach*, 1922 **The Indian Review** G.A.
