Murder At Five Finger Light A Jessie Arnold Mystery:

Murder at Five Finger Light Sue Henry, 2006-03-07 The Jessie Arnold mysteries offer real thrills set against the wild beauty of Alaska Minneapolis Star Tribune and this time Jessie unscrambles a deadly puzzle along the Alaskan Inside Passage Two of Jessie's friends are throwing a party at their new digs an old lighthouse on the Alaskan Inside Passage Not a party in the typical sense but one where guests earn their keep by scraping painting and generally restoring Five Finger Light named after the long low islands around it So Jessie decides to leave her partner in crime Alex alone for a few days and lend a hand With the company of old friends and a view to die for Jessie won't soon forget this weekend especially when she stumbles across a dead body Looks like an accident But even as a frantic Alex learns that someone's cut the phone lines and wrecked the radio Jessie realizes there's a killer loose on the island Worse yet the killing spree might not be over even though the party certainly is

The Serpents Trail Sue Henry, 2005-03-01 At sixty three Maxie McNabb is cruising down the Alaska Highway in her brand new Winnebago With her mini dachshund at her side and the open road ahead she's never been happier But before her exploration of the Lower Forty eight gets underway Maxie needs to figure out who burgled her friend's Colorado home and why And the closer Maxie gets to solving the puzzle the more it becomes chillingly clear that her friend's life isn't the only one on the line

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
