Congress. House. Committee on Government Reform, 2004 **Naked at the Mic** / L.A. Steel, 2010-03 Naked at the Mic The Survival of a Liberal in a Time of Peril Is a work of exhaustive research and remembrance as a historic account of the politics and social upheaval during the Conservative Revolution that took place during the first decade of the 21st Century as I witnessed and reported it on my television and radio programs during the years of 2000 to 2009 This book is also a personal account and compliment to the many people who fought so valiantly to broadcast truth and liberal commentary while the entire broadcast media was dominated and censored by the Conservative right wing the G W Bush administration and the cabal of Muslim hating warmongers famously known as the NeoCons Naked at the Mic also commemorates the many people who stood up against the G W Bush administration and their nightmare of genocide and slaughter in the Middle East and the cruel corrupt and oppressive government they imposed on the American people during their reign of terror and torture from 2000 to 2008 I also speak honestly about the 2008 presidential candidates and the

election of Barack Obama and why I voted for him and my great disappointment after his horrific betrayal of all who elected him The research for Naked at the Mic entailed over 5000 news articles that I have personally archived and preserved on paper to verify every quote and reference I make and over 100 books and interviews of authors activists and politicians on 400 archived radio shows and ten televised documentaries I had produced up to 2009 when I completed writing this book It is an honest look back through time at people and events that have been at the forefront of national and world changing events Naked at the Mic is a historical record of one of the most volatile decades in American and world history It discusses many of the most important national and international issues from 2000 2009 the corrupt 2000 presidential election 911 the Afghanistan and Iraq invasions Katrina and exposes the massive corporate financial and political corruption and mass media coverups up to the end of 2009 I honestly discuss and expose left and right wing politics and give a unique front line perspective of the massive sea change of American Society that caused G W Bush s 75 percent approval rating in 2001 to his final approval rating of 24% in 2008 Naked at the Mic is honest fast moving highly informative and well researched and is an accurate historical account of one of the most politically conservative and most destructive periods in American history that has led to the current economic military and moral demise of America Ralph Waldo Emerson once stated in his famous essay The Oversoul Oh Believe that every word that was meant for thine ear to hear will come to thee I believe a lot of people are meant to hear what this book has to say L A Steel **108-2: House Report No. 108-414, Vol. 1 of 2 ,2004 Dirty Old**
