Murder At The Reunion:

Murder at the Reunion Steiner, Murder at the Reunion Gerald P. Huffman, 2015-03-08 Rick and Julie are headed back to their sleepy hometown for their 25th high school reunion. It's a perfect chance to get together with old friends and old enemies.

Murder Goes to a Reunion Annie Mae Robertson, 2002-02 When Georgie Anderson received an invitation to her fortieth high school reunion to be held at the Sea Witch Motel on the coast, she insisted Michelangelo go along for moral support. That proved to be a fortuitous decision when one of the attendees, Georgie's old friend Joe, was found dead in the motel hot tub. A second murder made it apparent that someone at the reunion intended to kill a number of the alumni who had been primary figures in a school strike years earlier. The fact that Georgie was on that list pushed Michelangelo into working with the local police to find the killer before more people died.

Murder at the High School Reunion Steve Demaree, 2017-08-08 In the fifth book in this series, Lt Dekker gets an advance warning that he might be investigating a couple of murders when two people turn up missing after a high school reunion. When those bodies do indeed turn up, the lieutenant and his sergeant sidekick go to work. They start by interviewing everyone who attended that high school reunion. In their favor is the fact that not a lot of people attended the reunion, but it doesn't help them any when they find out that everyone hated one of the victims, but none of them appear guilty of murder.

Murder at the Reunion Barbara Steiner, 1998 Joan Lowery Nixon, president of the Mystery Writers of America, has found 10 well-known writers to craft spellbinding stories for adults who want to read but have undeveloped reading skills. Killer Reunion G. A. McKeve, 2016 Triumphantly attending her twenty-fifth high school reunion with her handsome husband, Savannah confronts her nasty former nemesis and is forced to clear her name when the woman is found murdered amid rumors about another suspicious death.

Murder at the High School Reunion Lee Hollis, 2025-07-01 At their twenty-fifth high school reunion in Portland, Maine, P.I. partners and moms Maya Kendrick and Sandra Wallage must figure out which of their former classmates should have been voted most likely to kill. After all these years, Maya and Sandra have mixed feelings about seeing their high school classmates, but in one sense the evening promises to be something of a red carpet event. A shy wallflower in school, Alyssa Turner has blossomed into an Oscar-nominated actress, and she's coming to the reunion. To their surprise, before the event, Alyssa contacts Maya and Sandra. She's going to be playing a private eye and would like to hear about their experiences. When they meet, she confides she was bullied in school by cheerleader Tawny Bryce and her mean girls clique while also having a huge crush on Tawny's boyfriend, the star quarterback. When Tawny's body is discovered the night of the reunion, behind the bleachers, the spotlight is on Alyssa. She turns to Maya and Sandra to find the real killer. But is she as innocent as she seems, or turning in another Oscar-worthy performance?

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the
