## MURDER BY TRADITION

From the most popular lesbian writer in America, Lambda Literary Award-winning Katherine V. Forrest...

A new novel featuring the most celebrated lesbian detective in mystery fiction—in the most challenging case of her career.

Young Tadda Crawford is dead from multiple stab wounds in a restaurant kitchen—death with blood. LAPD homicide detective Kate Delahed is restless in her pursuit and capture of the killer. Subverting that killer to justice presents a whole new set of obstacles.

The suspect claims self-defense—that Tadda Crawford made a homosexual advance and backed it up with a knife. But everything Kate learns about Tadda Crawford tells her that his attacker killed with deliberate intent.

Kate finds herself increasingly roped up as she tries to shield her young lover from the brutal realities of this case. And to develop proof of first degree murder, she must find clear answers to mystifying questions for the prosecuting attorney—a woman who has never before prosecuted a homicide case.

Kate faces even greater pressure. To one, especially Kate's partner, Ed Rupp, is anxious to aggressively pursue a case involving a dead gay man and the gay community. She herself has a personal stake in the trial: the defense attorney is a man from her past. A man with the power to expose the private life she has kept as separate from her life as a police officer.

*Murder by Tradition* reaches new heights in the powerful and erotic storytelling readers have come to expect from Katherine V. Forrest.

*Dreamland* Howard M. Sachar, 2007-12-18 By the end of World War I in November 1918 Europe's old authoritarian empires had fallen and new and seemingly democratic governments were rising from the debris As successor states found their place on the map many hoped

that a more liberal Europe would emerge But this post war idealism all too quickly collapsed under the political and economic pressures of the 1920s and 30s Howard M Sachar chronicles this visionary and tempestuous era by examining the fortunes of Europe s Jewish minority a group whose precarious status made them particularly sensitive to changes in the social order Writing with characteristic lucidity and verve Sachar spotlights an array of charismatic leaders from Hungarian Communist Bela Kun to Germany s Rosa Luxemburg France s Socialist Prime Minister Leon Blum and Austria s Sigmund Freud whose collective experience foretold significant democratic failures long before the Nazi rise to power In the richness of its human tapestry and the acuity of its social insights Dreamland masterfully expands our understanding of a watershed era in modern history
