Assembly, 1927 Murder at the Sleepy Lagoon Eduardo Obregón Pagán, 2004-07-21 The notorious 1942 Sleepy Lagoon murder trial in Los Angeles concluded with the conviction of seventeen young Mexican American men for the alleged gang slaying of fellow youth Jose Diaz Just five months later the so called Zoot Suit Riot erupted as white soldiers in the city attacked minority youths and burned their distinctive zoot suits Eduardo Obregon Pagan here provides the first comprehensive social history of both the trial and the riot and argues that they resulted from a volatile mix of racial and social tensions that had long been simmering In reconstructing the lives of the murder victim and those accused of the crime Pagan contends that neither the convictions which were based on little hard evidence nor the ensuing riot arose simply from anti Mexican sentiment He demonstrates instead that a variety of pre existing stresses including demographic pressures anxiety about nascent youth culture and the war effort all contributed to the social tension and the eruption of violence Moreover he recovers a multidimensional picture

of Los Angeles during World War II that incorporates the complex intersections of music fashion violence race relations and neighborhood activism Drawing upon overlooked evidence Pagan concludes by reconstructing the murder scene and proposes a compelling theory about what really happened the night of the murder Women Who Kill Men Gordon Morris Bakken, Brenda Farrington, 2009 The late nineteenth and early twentieth centuries were a revolutionary period in the lives of women and the shifting perceptions of women and their role in society were equally apparent in the courtroom Women Who Kill Men examines eighteen sensational cases of women on trial for murder from 1870 to 1958 The fascinating details of these murder trials documented in court records and embellished newspaper coverage mirrored the changing public image of women Although murder was clearly outside the norm for standard female behavior most women and their attorneys relied on gendered stereotypes and language to create their defense and sometimes to leverage their status in a patriarchal system Those who could successfully dress and act the part of the victim were most often able to win the sympathies of the jury Gender mattered And though the norms shifted over time the press attorneys and juries were all informed by contemporary gender stereotypes Appendix to the Journals of the Senate and Assembly ... of the Journals of the Legislature of the State of California California. **Legislature of the State of California** ...,1905 Biennial Report of the Attorney-General of the State of California California.
