Murder In Muskrat Town:

Murder in Muskrat Town Lee Drake, 2001-03-01 Founded by a charismatic and persuasive Frenchman Muskrat Town emerges as a farm town far ahead of its time He leaves behind a community that is virtually free of hate Gideon Pike a renown and celebrated Los Angeles detective happens upon this idyllic place while searching for a sanctuary For years his life is near perfect and he believes he's left police work forever But Milo Lentz a sadistic and social misfit takes an abandoned farm house just miles from Muskrat Town as his base of operation Two of the town folk's favorite people stumble upon Milo's hideaway and are murdered to keep them from disclosing his operation Now Gideon Pike is asked once again to use his investigative skills to find the killer In doing so he discovers that something far more sinister than murder is about to happen If it isn't stopped hundreds of lives will be lost **Sherlock Holmes and the Ice Palace Murders** Jeffrey Hatcher, Larry Millett, 2017-03-16 In 1896 the Winter Carnival is in full swing but St Paul's wealthiest man has lost his head literally A young man disappears just before his wedding and his fiancée has already given back her wedding dress When a gruesome discovery is made in the Ice Palace there's only one man for the job Sherlock Holmes is summoned to solve a mystery that's hardly elementary With the help of trusty Watson and Irish barkeep Shadwell Rafferty it's up to Holmes to track a cold blooded killer from the icy streets of St Paul to the frozen Mississippi River *Sherlock Holmes and the Ice Palace Murders* Larry Millett, 2013-11-30 The year is 1896 and St Paul's magnificent Winter Carnival is under way when Holmes and Watson are summoned by the city's most powerful man railroad magnate James J Hill A wealthy young man disappears on the eve of his wedding and his fiancée suspiciously discards her wedding dress After a grisly discovery in the carnival's Ice Palace leads to a flurry of clues Holmes is on the case His pursuit of the murderer takes him through the highest echelons of St Paul society and into cahoots with Shadwell Rafferty a gregarious saloonkeeper and part time private investigator Soon Holmes Watson and Rafferty are embroiled in a perilous adventure that takes them from one frozen corner of the city to another and out onto the treacherous ice of the Mississippi River as they trail a cruel and ruthless killer In Light of Fires and Foggy Mornings: Stories from a Small Town in the 1950s That Are Absolutely, Positively True. Sort of. Fred Whissel, 2007-07-01 This very readable book will get you all fired up about small town life in the 1950s Flaunting a Dave Barry brand of humor dozens of period photos 50 unique drawings 31 stand alone stories and often a literary level of writing it rides the reader on a metaphorical Whizzer motorbike journey through life from days of innocence through forsaken virtue Along the way village fires are both personal tragedies and popular roadside attractions Actual events and historical personages mist over like foggy mornings How much of each account is fact how much is fiction The author asks the reader to decide and offers help with two different beginnings and endings Everything in this book is of course absolutely positively true Sort of A Little Uprising John C. Wolfe, 2019-01-01 A LITTLE UPRISING For decades Upstate and Downstate New York threatened to secede from one another but the secession movement never amounted to anything more than a heated debate until 2019 That's

when a bizarre story about missing tanks surfaces on social media A 20 year old picture of National Guard tanks driving down the Adirondack Northway generates wild conspiracy theories The viral photo touches off a chain of events that infuriates residents in the Adirondacks When the Governor uses strongarm tactics to silence them the Mayors of Buffalo Rochester and Syracuse step into the fray There are a few isolated incidents of violence The Governor overreacts He creates a special police force to quash the unrest Their heavy handed tactics exacerbate the situation The Governor's Empire Police clash with the State Police and the National Guard The tanks which went missing twenty years earlier during the Y2K scare are rumored to be in a remote County in the Adirondacks Allegedly they were diverted there by Iraq War vets who were suspicious of the redeployment of all Upstate New York's National Guard tanks to downstate armories The Governor unleashes his Empire Police on Upstate New York and gets more than he bargained for *Line of Fire* Edward Butts, 2009-08-03 Across Canada peace officers put their lives on the line every day From John Fisk in 1804 the first known Canadian policeman killed in the line of duty to the four RCMP officers shot to death in Mayerthorpe Alberta in 2005 renowned true crime writer Edward Butts takes a hard hitting compassionate probing look at some of the stories involving the hundreds of Canadian law enforcement officers who have found themselves in harm's way Some like the four RCMP officers who perished in the Northwest Territories on the Lost Patrol of 1910 died in horrible accidents while performing their duties Others such as the Mounties involved in the manhunts for Almighty Voice and the Mad Trapper of Rat River found themselves in extremely dangerous violent situations One thing is certain about all of these peace officers they displayed amazing courage and never hesitated to make the ultimate sacrifice for their fellow citizens [Murder in Michigan's Upper Peninsula](#) Sonny Longtine, 2014-02-04 Residents of the idyllic villages scattered throughout the Upper Peninsula's richly forested paradise live in quiet comfort for the most part believing that murder rarely happens in their secluded sanctuary^{3 4} but it does and more often than they realize This collection of twenty four legendary murders spans 160 years of Upper Michigan's history and dispels the notion that murder in the Upper Peninsula is an anomaly From the bank robber who killed the warden and deputy warden of the Marquette Branch Prison to the unknown assailant who gunned down James Schoolcraft in Sault Ste Marie Sonny Longtine explores the tragic events that turned peaceful communities into fear ridden crime scenes **Family** Ian Frazier, 2025-09-23 With wit and an unerring eye for detail acclaimed author Ian Frazier takes readers on a journey through his family's story his nation's history and himself Using letters and other family documents Frazier reconstructs two hundred years of middle class life visiting small towns his ancestors lived in reading books they read and discovering the larger forces of history that affected them He observes some of them during the British raid on Danbury Connecticut in the Revolutionary War he follows others west as they pioneer in the wilderness of Ohio and Indiana he visits the battlefields where they fought the Civil War Frazier interviews old timers uncles aunts cousins maids and a beer store owner who knew his dad He pursues the family saga in aspect from trivial to grand hoping for a meaning
