Murder In Texas:

Terror by Night Terry Caffey, 2011-10-12 At 3 00 a m on March 1 2008 Terry Caffey awoke to find his daughter s boyfriend standing in his bedroom with a gun An instant later the teen opened fire killing Terry s wife his two sons and wounding him 12 times before setting the house ablaze Terry fell into deep depression and planned to kill himself but God intervened Upon visiting his burned out property Terry noticed a scorched scrap of paper from one of his wife s books leaning against a tree trunk The page read God I couldn t understand why You would take my family and leave me behind to struggle along without them And I guess I still don t totally understand that part of it But I do believe that You re sovereign You re in control That page was like a direct message from God and it turned Terry s life around Now one year later Terry is remarried the adoptive father of two young sons and working to rebuild his relationship with his 17 year old daughter who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes *Terror by Night* tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime Sharing never before told details about the night of the crime and subsequent murder trial it explains how Terry was able to forgive the men who murdered his family and how he even interceded with the prosecutors on their behalf A powerful example of how the power of forgiveness can bring healing after tragedy and great loss it shows how God can bring good out of even the darkest tragedies

Murder in Texas Jamie Foster, 2017-02-13 Rhonda Johnson and Sharon Shaw were two teenage girls

murdered in 1971 But despite having had their lives taken so long ago their case is still not satisfactorily solved It s a story that involves not just two girls being murdered so young but a potentially innocent man imprisoned for over twenty years a corrupt police force a serial killer and perhaps the wider context of the Texas Killing Fields murders The story of the twists and turns involved in finding justice for the two girls continues on until today Michael Lloyd Self the man who some believe to have been wrongly imprisoned for the murder of the two girls has since died in prison of cancer Because of his passing and the difficulty that investigators have found in unearthing new evidence it seemed unlikely that the full story will ever come out But not long ago a revelation and a startling confession have brought Johnson and Shaw s murders back into the limelight Perhaps at last their families can discover the truth of their real killers *Getting Away with Murder on the Texas Frontier* Bill Neal,2006 Explores the rough and tumble world of frontier justice Texas style **Murder in Texas** Ada E.
