Murder In The Dark:

Murder in the Dark Simon R. Green, 2018-12-01 The sudden appearance of a sinister black hole in the English countryside leads to a baffling murder investigation for Ishmael Jones The past is England's dreaming and not all of it sleeps soundly Ishmael Jones and his partner Penny have been despatched to assist a group of scientists who are investigating a mysterious black hole which has appeared on a Somerset hillside Could it really be a doorway to another dimension an opening into another world When one of the scientists disappears into the hole with fatal consequences Ishmael must prove whether it was an accident or murder But with no clues no witnesses and no apparent motive he has little to go on Is there an alien predator at large or is an all too human killer responsible Only one thing is certain if Ishmael does not uncover the truth in time more deaths will follow

No Shadows In The Dark Pasquale De Marco, 2025-05-11 In the hallowed halls of the Catholic Church where faith and power intertwine a sinister shadow lurks When four young altar boys are brutally murdered in Cambridge Massachusetts the city is gripped by fear and the Church is thrown into turmoil Enter Dr Anna Morrill a brilliant forensic psychiatrist and Lieutenant Mick Thompson a seasoned police detective Together they delve into the dark underbelly of the Church uncovering a web of corruption and deceit that reaches the highest levels of power As they investigate the murders Anna and Mick encounter a conspiracy of silence a network of powerful individuals who will stop at nothing to protect their secrets The deeper they dig the more they realize that the murders are not isolated incidents but part of a larger plan to conceal a dark past and maintain control With each step closer to the truth Anna and Mick face threats to their own lives They must confront their own beliefs and grapple with the uncomfortable realization that the Church they once trusted is capable of unspeakable evil In this gripping and thought provoking exploration of power corruption and the resilience of the human spirit *No Shadows In The Dark* takes us on a journey through the shadows of doubt the depths of deception and the enduring fight for justice Will Anna and Mick uncover the truth and expose the darkness within the Church or will their pursuit of justice lead them to a tragic end If you like this book write a review on google books

The Dark Side of Close Relationships Brian H. Spitzberg, William R. Cupach, 2013-06-17 This collection of essays represents a follow up to the editors 1994 publication *The Dark Side of Interpersonal Communication* In the preface to that collection of essays they argued that To fully understand how people function effectively requires us to consider how individuals cope with social interaction that is difficult problematic challenging distressing and disruptive In this companion volume the focus expands from social interaction to close relationships Aside from the inherent need to investigate the bad as well as the good of interpersonal relationships the editors and their colleagues simply find the dark side metaphor to be intellectually arousing It stimulates investigation of important yet often neglected phenomena and it especially encourages consideration of the hidden and forbidden and the paradoxical and ironic elements of human relating This volume assembles the cutting edge work of first rate scholars from the ranks of communication psychology sociology and cognate disciplines As in the previous text the subject matter and stylistic approaches are diverse reflecting the broad and interdisciplinary domain that is the dark side of human affairs The selection of topics is somewhat selective reflecting only a sample of emerging scholarship in the interdisciplinary study of relationships These internationally recognized scholars examine various topics related to the dark side including fatal attractions jealousy and envy misunderstanding gossip conflict codependence sexual

coercion stalking relationship termination unrequited love and mental health problems in relationships Some chapters present original data and models whereas others reconfigure the way in which the understandings of relationships can be better understood In addition the bookend chapters examine the ideology nature and problems of dark side scholarship Collectively the scholarly journeys made in this volume are intended to illustrate the complexities both moral and functional involved in close relationship processes The intent is neither to valorize nor demonize the darker aspects of close relationships but rather to emphasize their importance to the day to day doing of relationships Only by accepting such processes as integral to relationships can their role be fully understood
