### **Murder In The Name Of God The Plot To Kill Yitzhak Rabin:**

*Murder in the Name of God* Michael Karpin, Ina Friedman, 1998-11-04 The first book to tell the complete explosive story of the assassination of Israeli Prime Minister Yitzhak Rabin A dramatic tale of treachery and betrayal *Murder in the Name of God* investigates and recreates the historic events of November 4 1995 On that night a twenty five year old student named Yigal Amir assassinated Israeli Prime Minister Yitzhak Rabin an act that abruptly changed the course of Israeli politics Based on exhaustive research including an exclusive interview with the assassin *Murder in the Name of God* is the first book to give the full story of the people whose words and actions made Rabin's assassination inevitable the nationalist rabbis who condemned Rabin by invoking an arcane talmudic ruling the militant settlers and right wing politicians who launched a sophisticated campaign of incitement against him and the security experts who saw what was coming but failed to act In a series of shocking revelations the book ranges beyond Israel to expose the extent of American support financial and ideological for the movement that produced Rabin's killer Far more than the tale of an assassination *Murder in the Name of God* is a powerful indictment of a society's failure to examine itself honestly and to bring its own worst enemies to justice

**The Fall of the House of Bush** Craig Unger, 2007-11-13 The presidency of George W Bush has led to the worst foreign policy decision in the history of the United States the bloody unwinnable war in Iraq How did this happen Bush's fateful decision was rooted in events that began decades ago and until now this story has never been fully told From Craig Unger the author of the bestseller *House of Bush* *House of Saud* comes a comprehensive deeply sourced and chilling account of the secret relationship between neoconservative policy makers and the Christian Right and how they assaulted the most vital safeguards of America's constitutional democracy while pushing the country into the catastrophic quagmire in the Middle East that is getting worse day by day Among the powerful revelations in this book Why George W Bush ignored the sage advice of his father George H W Bush and took America into war How Bush was convinced he was doing God's will How Vice President Dick Cheney manipulated George W Bush disabled his enemies within the administration and relentlessly pressed for an attack on Iraq Which veteran government official with the assent of the president's father protested passionately that the Bush administration was making a catastrophic mistake and was ignored How information from forged documents that had already been discredited fourteen times by various intelligence agencies found its way into President Bush's State of the Union address in which he made the case for war with Iraq How Cheney and the neocons assembled a shadow national security apparatus and created a disinformation pipeline to mislead America and start the war A seasoned award winning investigative reporter connected to many back channel political and intelligence sources Craig Unger knows how to get the big story and this one is his most explosive yet Through scores of interviews with figures in the Christian Right the neoconservative movement the Bush administration and sources close to the Bush family as well as intelligence agents in the CIA the Pentagon and Israel Unger shows how the Bush administration's certainty that it could bend history to its will has

carried America into the disastrous war in Iraq dooming Bush's presidency to failure and costing America thousands of lives and trillions of dollars Far from ensuring our security the Iraq War will be seen as a great strategic pivot point in history that could ignite wider war in the Middle East particularly in Iran Provocative timely and disturbing The Fall of the House of Bush stands as the most comprehensive and dramatic account of how and why George W Bush took America to war in Iraq

**Understanding Lone Wolf Terrorism** Ramon Spaaij, 2011-12-08 What drives the lone wolf terrorist to commit mass violence What are their ideologies and motivations How do they plan and carry out their attacks and who do they target How can lone wolf terrorism be effectively countered One of the first in depth analyses of lone wolf terrorism this publication sets out to answer these questions Drawing on extensive international data and qualitative case studies it examines the global patterns in and key features of lone wolf terrorism over the past four decades This engaging text will be essential reading for students and researchers on terrorism and violent conflict and offers unique and invaluable insights to those working to prevent or minimize the effects of terrorism and political violence [The Triumph of Israel's Radical Right](#) Ami

Pedahzur, 2012-12-06 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel's radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel's elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In The Triumph of Israel's Radical Right acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right's steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right's institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed

**The Middle East and South Asia 2023-2024** Ilan Pappé, 2023-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the

twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments

*Understanding the Middle East Peace Process* Asima Ghazi-Bouillon, 2009-01-30 Tracing the evolution of the Israeli academic debate over history politics and collective identity *Understanding the Middle East Peace Process* examines the Middle East peace process since Oslo and follows the discursive struggle over Israeli collective identity Based on interviews with key protagonists this book gives a detailed analysis of the interrelatedness of academic debate societal discourse and collective identity against the background of major political events in Israel It charts the ascendancy and expansion of post Zionism outlines the emergence of neo Zionism from the political right and the re appropriation of Zionism in light of the new political climate of peace making Ghazi Bouillon provides a new perspective on the failure of the New Historians to revolutionize Israeli intellectual life and the failure of post Zionism to revolutionize Israeli political life whilst assessing neo Zionism s potential to do both

*In the Crosshairs* Stephen Spignesi, 2016-09-27 Assassinations often change the course of history Here is an intriguing look at dozens of notable assassinations and attempts throughout history including complete details about the assassin the victim the circumstances of the attack and the outcome *In the Crosshairs* also features photos of many of the victims or would be victims and rare archival material including excerpts from original police reports High profile celebrities political figures religious leaders and many others have fallen prey to assassins and many have survived *In the Crosshairs* is arranged in alphabetical order by last name and includes such details as On November 8 1939 Adolf Hitler narrowly escaped an assassination attempt 12 minutes after he left a room where he was making a speech a bomb went off Egyptian President Anwar el Sadat would probably have survived the assassin s bullet on October 6 1981 if he hadn t taken off his bulletproof vest but he didn t like the way it made his suit bulge Robert John Bardo the murderer of young actress Rebecca Schaeffer carried with him to the crime scene a copy of J D Sallinger s *The Catcher in the Rye* just like Mark David Chapman did when he murdered John Lennon nearly nine years earlier From notable murders Abraham Lincoln Gianni Versace and Indira Gandhi to little known attempts George W Bush Wild Bill Hickock and Andy Warhol here is a surprising informative and intriguing book that deserves to be on every history buff s bookshelf Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a

New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

**Support Any Friend** Warren Bass, 2004-12-09 At the Cold War's height John F Kennedy set precedents that continue to shape America's encounter with the Middle East Kennedy was the first president to make a major arms sale to Israel the only president to push hard to deny Israel the atomic bomb and the last president to reach out to the greatest champion of Arab nationalism Egyptian President Jamal Abdul Nasser Now Warren Bass takes readers inside the corridors of power to show how Kennedy's New Frontiersmen grappled with the Middle East He explains why the fiery Nasser spurned Washington's overtures and stumbled into a Middle Eastern Vietnam He shows how Israel persuaded the Kennedy administration to start arming the Jewish state And he grippingly describes JFK's showdown with Israeli Prime Minister David Ben Gurion over Israel's secret nuclear reactor From the Oval Office to secret diplomatic missions to Cairo and Tel Aviv Bass offers stunning new insights into the pivotal presidency that helped create the U S Israel alliance and the modern Middle East

Divided We Stand Ofira Seliktar, 2002-11-30 The relationship between Israel American Jews and the peace process has been a subject of passionate debate among scholars political activists and lay observers alike This book is the first rigorous attempt to chart the impact of the peace process on the American Jewish community and its relationship with Israel as mediated by the changing identity needs of American Jews Overall the trajectory of this relationship has been from a wide consensus of support for Israeli foreign policy toward increasing polarization On one side is the peace camp composed mainly of those whose Jewish American identity is based on a religious universalistic definition of Judaism on the other those who identify as nationalistic or orthodox in religious terms and support a hard line vision of Greater Israel The acrimony between the two combined with demographic change has undermined Israel as a symbol of Jewish identity in America and impeded effective lobbying for Israel

*Spoiling and Coping with Spoilers* Galia Golan, Gilead Sher, 2019-06-14 For as long as people have been working to bring peace to areas suffering long standing violent conflict there have also been those working to spoil this peace These spoilers work to disrupt the peace process and often this disruption takes the form of violence on a catastrophic level Galia Golan and Gilead Sher offer a broader perspective They examine this phenomenon by analyzing groups who have spoiled or attempted to spoil peace efforts by political or other nonviolent means By focusing in particular on the Israeli Arab conflict this collection of essays considers the impact of a democratic society operating within a broader context of violence Contributors bring to light the surprising efforts of negotiators members of the media political leaders and even the courts to disrupt the peace process and they offer coping strategies for addressing this kind of disruption Taking into account the multitude of factors that can lead to the breakdown of negotiations *Spoiling and Coping with Spoilers* shows how spoilers have been a key factor in Israeli Arab negotiations in the past and explores how they will likely shape negotiations in the future

**Maven in Blue Jeans** Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to

reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation      *Encyclopedia of Terrorism* Peter Chalk,2012-11-21 A valuable up to date reference tool for understanding the latest developments in national and international terrorism one of the most pressing security challenges facing the world today Terrorism has emerged as one of the main foreign and national policy challenges of the 21st century *Encyclopedia of Terrorism* provides comprehensive coverage of the events individuals groups incidents and trends in terrorism in the modern era This essential work presents accurate concise and crucial information on developments since the watershed events of September 11 2001 providing readers with an invaluable reference tool for understanding major developments that have occurred in domestic and international terrorism The work is fully cross referenced to provide a comprehensive research tool for high school students academics security analysts and other readers interested in the study of terrorism      **Radical Religion and Violence** Jeffrey Kaplan,2015-11-19 Jeffrey Kaplan has been one of the most influential scholars of new religious movements extremism and terrorism His pioneering use of interpretive fieldwork among radical and violent subcultures opened up new fields of scholarship and vastly increased our understanding of the beliefs and activities of extremists This collection features many of his seminal contributions to the field alongside several new pieces which place his work within the context of the latest research developments Combining discussion of the methodological issues alongside a broad array of case studies this will be essential reading for all students and scholars of extremism religion and politics and terrorism      *Inside Terrorism* Bruce Hoffman,2006 Defining terrorism The end of empire and the origins of contemporary terrorism The internationalization of terrorism Religion and terrorism Suicide terrorism The old media terrorism and public opinion The new media terrorism and the shaping of global opinion The modern terrorist mind set tactics targets tradecraft and technologies Terrorism today and tomorrow      Impossible Peace Mark Levine,2013-04-04 In 1993 luminaries from around the world signed the Oslo Accords a pledge to achieve lasting peace in the Holy Land on the lawn of the White House Yet things didn't turn out quite as planned With over 1 000 Israelis and close to four times that number of Palestinians killed since 2000 the Oslo process is now considered history *Impossible Peace* provides one of the first comprehensive analyses of that history Mark LeVine argues that Oslo was never going to bring peace or justice to Palestinians or Israelis He claims that the accords collapsed not because of a failure to live up to the agreements but precisely because of the terms of and ideologies underlying the agreements Today more than ever before it is crucial to understand why these failures happened and how they will impact on future negotiations towards the final status agreement This fresh and honest account of the peace process in the Middle East shows how by learning from history it may be possible to avoid the errors that have long doomed peace in the region      **Jew Vs. Jew** Samuel G. Freedman,2000 At a time when Jews in the United States appear more secure and successful than ever Freedman maintains that cultural and religious differences are tearing apart their community      **One Land, Two States** Mark LeVine,Mathias

Mossberg,2014-06-20 One Land Two States imagines a new vision for Israel and Palestine in a situation where the peace process has failed to deliver an end of conflict If the land cannot be shared by geographical division and if a one state solution remains unacceptable the book asks can the land be shared in some other way Leading Palestinian and Israeli experts along with international diplomats and scholars answer this timely question by examining a scenario with two parallel state structures both covering the whole territory between the Mediterranean and the Jordan River allowing for shared rather than competing claims of sovereignty Such a political architecture would radically transform the nature and stakes of the Israel Palestine conflict open up for Israelis to remain in the West Bank and maintain their security position enable Palestinians to settle in all of historic Palestine and transform Jerusalem into a capital for both of full equality and independence all without disturbing the demographic balance of each state Exploring themes of security resistance diaspora globalism and religion as well as forms of political and economic power that are not dependent on claims of exclusive territorial sovereignty this pioneering book offers new ideas for the resolution of conflicts worldwide **Understanding**

**Apocalyptic Terrorism** Frances L. Flannery,2015-08-20 This book explores a cross cultural worldview called radical apocalypticism that underlies the majority of terrorist movements in the twenty first century Although not all apocalypticism is violent in its extreme forms radical apocalypticism gives rise to terrorists as varied as members of Al Qaeda Anders Behring Breivik or Timothy McVeigh In its secular variations it also motivates ideological terrorists such as the eco terrorists Earth Liberation Front or The Unabomber Ted Kaczynski This book provides an original paradigm for distinguishing between peaceful and violent or radical forms of apocalypticism and analyses the history major transformations and characteristics of the apocalyptic thought system Using an inter disciplinary and cross cultural approach this book discusses the mechanisms of radicalization and dynamics of perceived oppression and violence to clarify anew the self identities motivations and goals of a broad swath of terrorists As conventional counter terrorism approaches have so far failed to stem the cycle of terrorism this approach suggests a comprehensive cultural method to combating terrorism that addresses the appeal of radical apocalyptic terrorist ideology itself This book will be of much interest to students of apocalypticism political violence terrorism and counter terrorism intelligence studies religious studies and security studies **Lone Wolf and Autonomous**

**Cell Terrorism** Jeffrey Kaplan,Heléne Löw,Leena Malkki,2017-10-02 President Obama has declared that the greatest terrorist threat which America faces is attacks by lone wolf terrorists This volume expands the lone wolf rubric to include autonomous cells small groups of terrorists who cooperate but operate independently The challenge presented by lone wolves and autonomous cells unlike the threat emanating from established terrorist groups like Al Qaeda has proven intractable because of the difficulty of gathering intelligence on these actors or effectively countering their actions Lone wolves operate under the radar staging deadly attacks such as that at the Boston Marathon and the 2011 attacks in Norway This volume includes Theory and Policy Studies individual case studies and the technological impacts of chemical biological

and nuclear weapons as well as the impact of social media in the process of recruitment and radicalization This book was originally published as a special issue of Terrorism Political Violence     *City on a Hilltop* Sara Yael Hirschhorn, 2017-05-22 Since Israel's 1967 war more than 60 000 Jewish Americans have settled in the occupied territories transforming politics and sometimes committing shocking acts of terrorism Yet little is known about why they chose to live at the center of the Israeli Palestinian conflict Sara Yael Hirschhorn unsettles stereotypes about these liberal idealists
