Murder At Red Rook Ranch:

Murder by the Book? Sally Rowena Munt, 2003-09-02 Murder by the Book is a thorough and thoroughly enjoyable look at the blossoming genre of the feminist crime novel in Britain and the United States Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics whether the pleasures of detective fiction can be truly transgressive and when exactly it was that the dyke detective appeared as the new super hero for today Along the way Munt poses some critical questions about the relations between fiction and activism politics and representations the writer and the reader This will be an enticing book both for addicts of the genre and for teachers and their students *The Gay Detective Novel* Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes Crime Fiction and Film in the Southwest Steve Glassman, Maurice J. O'Sullivan, 2001 When Joe Leaphorn and Jim Chee Tony Hillerman's oddly matched tribal police officers patrol the mesas and canyons of their Navajo reservation they join a rich tradition of Southwestern detectives In Crime Fiction and Film in the Southwest a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City In addition the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in The Petrified Forest to Russell Crowe's hard nosed cop in L A Confidential **Murder at Red Rook Ranch** Dorothy Tell, 1990 Poppy Dillworth is a 65 year old retiree from the Dallas Sheriff's Department But she retired as a clerk not a police officer and the fact that under the good old boy system that existed at the time and that probably still exists she never got the chance to put her considerable mind into doing more than just recording cases Now as a fledgling P I she finally has her chance to solve one And she takes advantage of it with a passion Murder at Red Rook Ranch is not a seminal book but it is important for several reasons First of

all it deals with the plight of aging lesbians like Poppy who are left alone in their old age It also tackles the subject of other women who approach their declining years realizing that they have lived their lives in this patriarchal society having never questioned their own sexuality The budding relationship between Poppy and Belle Stoner the aunt of one of the murder suspects deals with both of these questions It is done somewhat better by Penny Mickelbury another early Naiad author in her poignant *Love Notes* but both are important

Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

The Woman Detective Kathleen Gregory Klein, 1995 Kathleen Gregory Klein traces female paid professional private investigators in British Canadian and American novels revealing that the detective novel is both a reflection of and potential barrier to social change for women This edition adds sixty new female private eyes to the roster and includes an afterword that assesses the current state of the genre's new and old novels A comprehensive bibliography and a character list update the field through mid 1994

The Lavender House Murder Nikki Baker, 1992 Ginny has come to P town with friend Naomi They stay at Lavender House a hotel for lesbians run by Sam a woman with whom Naomi has had some dramatic history Page 4 of cover

Wildwood Flowers Julia Watts, 1996 When Bev's lover Andie receives an assistant professorship at a Christian affiliated college Bev does her best to be supportive But she isn't too thrilled about the prospect of moving from Boston's lesbian ghetto to the small southern town of Morgan Kentucky Before she and Andie are even unpacked a nosy neighbor is at the door with a welcoming cake and a basketful of personal questions Bev is shocked when Andie tells the woman that the two of them are cousins and mortified when the woman promises to set them up with all the eligible men in town beginning with her grandson Cricket the local mortician Thus begins a hilarious and heartwarming tale of lesbian culture shock the resiliency of true love and the maddening gap between coming out and being out Page 4 of cover
