Murder at St. Martha's Merry E. Vargo, 2005-04-01 Before You Tie the Knot contributes a collection of information and advice on wedding planning The writer imagines numerous challenges one might encounter leading up to the wedding day and offers possible solutions of prevention methods in an effort to help the prospective bride approach the event with a sense of calm From setting the date and choosing a dress to makeup tips and timing the first dance Before You Tie the Knot seeks to characterize each issue using a candid and straightforward approach This book is designed to alleviate some of the stress typically associated with a marriage celebration by furnishing a potentially accessible yet thorough resource From past brides to future brides this guide is here to stop the horror stories from happening to you Please review the Wedding Planner Timeline located in the back of this book to also help ensure a smooth planning process for you Matricide at St. Martha's Ruth Dudley Edwards, 2011-09-30 The clever plot takes second place to the ebullience of the writing and spot on inventiveness of the satire The Times St Martha's College Cambridge had been staggering along on a shoestring for decades Then alumna Alice Toon leaves her old school a huge fortune The dons immediately fall to fighting over the spoils The Virgins led by Dame Maud Theodosia Buckbarrow believe the bequests should be spent on scholarships The Dykes fewer in number but better street fighters want to raise a center of Gender and Ethnic Studies The Old Women mostly men dream of fine vintages to be laid down in a decent new wine cellar Impasse They've reckoned without the Bursar Jack Troutbeck She elects to infiltrate this maelstrom of politics with her own agent Robert Amiss a former civil servant with a talent for sorting things out No sooner does he arrive on the scene where the Virgins are getting the upper hand than Dame Maud is murdered leading into what Mike Ripley of The Daily Telegraph described as An acidly funny romp Superbly bitchy on the none too fragrant groves of academe *Murder in a Cathedral* Ruth Dudley Edwards, 2024-04-02 This blithe series puts itself on the side of the angels by merrily and staunchly subverting every tenet of political correctness The Independent For many years Westonbury Cathedral has been dominated by a clique of High Church gays so when Norman Cooper an austere intolerant happy clappy evangelist is appointed dean there is shock outrage and fear David Elworthy the gentle and politically innocent new bishop is distraught at the prospect of warfare between the factions contentious issues include the camp lady chapel and the gay memorial under construction in the deanery garden Desperate for help Elworthy cries on the shoulder of his old friend the redoubtable Baroness Troutbeck who forces her unofficial troubleshooter Robert Amiss to move into the bishop's palace Amiss Troutbeck and the cat Plutarch address themselves in their various ways to the bishop's problems which very soon include a clerical corpse in the cathedral Is it suicide Or is it murder And who is likely to be next The Murders in Praed Street Cecil John Charles Street, 1928 *The Murders in Praed Street* John Rhode, 2025-01-07T00:00:00Z The story revolves around the mysterious murder of Mr James Tovey a well known greengrocer followed by another death in the same area The narrative introduces various characters including Mr Tovey's daughter Ivy and the herbalist Mr Elmer Ludgrove

who may play significant roles in the unfolding mystery At the start of the novel the setting is introduced through the dreary and neglected Praed Street which serves as a backdrop for the unfolding drama Mr Tovey is depicted as a hardworking fruit merchant who enjoys a quiet life with his family until his daughter Ivy s friendship with young Ted Copperdock raises concerns When Tovey is called to St Martha s Hospital to identify an accident victim he tragically becomes a victim himself found murdered under mysterious circumstances The narrative quickly draws the reader into the investigation exploring the interconnections between the characters and the motivations behind the crimes hinting that the bustling street hides darker secrets waiting to be uncovered

*The Anglo-Irish Murders* Ruth Dudley Edwards, 2024-04-02 Foolishly the British and Irish governments have chosen the tactless and impatient Baroness Troutbeck to chair a conference on Anglo Irish cultural sensitivities She instantly press gangs Robert Amiss her young friend and reluctant accomplice into becoming conference organizer It is a conference to remember in more ways than one When a delegate plummets off the battlements no one not even the authorities can decide whether it was by accident or design The next death poses the same problem and causes warring factions to accuse each other of murder even as the politicians are busily trying to brush everything under the carpet in the name of peace

**Murdering Americans** Ruth Dudley Edwards, 2024-04-02 Academia n a profession filled with bad food knee jerk liberalism and murder Being a member of the House of Lords and Mistress of St Marthas College in Cambridge might seem enough to keep anyone busy but Baroness Jack Troutbeck likes new challenges When a combination of weddings work and spookery deprives her of five of her closest allies she leaps at an invitation to become a Distinguished Visiting Professor on an American campus With her head full of romantic fantasies inspired by 1950s Hollywood and accompanied by Horace her loquacious and disconcerting parrot this intellectually rigorous right winger sets off from England blissfully unaware that academia in the United States is dominated by knee jerk liberalism contempt for Western civilization and the institutionalisation of a form of insane political correctness Will the bonne viveuse Baroness Troutbeck be able to cope with the culinary and vinous desert that is New Paddington Indiana Can this insensitive and tactless human battering ram defeat the thought police who run Freeman State University like a gulag Does she believe the late Provost was murdered If so what should she do about it And will she manage to persuade Robert Amiss who describes himself bitterly as Watson to her Holmes and Goodwin to her Nero Wolfeto abandon his honeymoon and fly to her side

**The Saint Valentine's Day Murders** Ruth Dudley Edwards, 2024-04-02 The plotting and the mechanics of the solution are in the best traditions of the classic British mystery Try not to miss this one New York Times Life in a dismal bureaucratic cul de sac is not what Robert Amiss expects when the British civil service lends him for a year to the British Conservation Corporation In fact he finds himself condemned to a non job in a backwater managing disgruntled and demoralized timeservers who deeply resent him Morale is not improved by the arrival of Melissa a radical feminist lesbian separatist Only Amiss s sense of humour and the joys of visiting Rachel his new love in Paris keep him sane The malice envy and anger that burgeons among

the filing cabinets is first expressed in pettiness and then in unpleasant practical jokes Then it escalates and finally culminates in callous murder by means of boxes of poisoned chocolates sent to the bureaucrats wives With the help of Ellis Pooley a young detective obsessed with fictional sleuths Amiss and his friend Superintendent Milton search for motives in an office where marital discord and broken dreams might drive anyone to murder      **100 Must-read Crime Novels** Nick Rennison, Richard Shephard, 2009-01-01 Want to become a crime novel buff or expand your reading in your favourite genre This is a good place to start From the publishers of the popular Good Reading Guide comes a rich selection of the some of the finest crime novels ever published With 100 of the best titles fully reviewed and a further 500 recommended you ll quickly become an expert on the world of crime The book also allows you to browse by theme includes a reader s fast guide to the world of crime fiction as well listing the top 10 crime characters and their creators award winners and book club recommendations      **Eccentric London** Benedict Le Vay, 2007 Benedict le Vay reveals London s most bizarre and macabre secrets with his novel approach which doubles both as a thematic guide to the hidden attractions of the streets of London and a compelling insight into the citizens and culture of this historic city      **Revenge Served Cold** James M. DiClerico, 2011-01-14 At dawn on an early June morning a body lies on the tenth green of an elite golf club in the hills of New England Golf balls fill the dead mans mouth crusted blood encircles the bullet hole his forehead Vincent Nardi once a homicide detective with the NYPD and now chief of police for town of Abenaki sees his dream of a laid back second career fading as he gazes at the corpse Things get complicated when he learns that the victim was the son of the most powerful man in town and when the man insists Nardi use the services of his former partner a woman with whom he shares a tangled sexual history As Nardi works to solve the murder he finds himself encountering soldiers suffering the anguish of their combat experiences a psychiatrist determined to help the young men and a priest with confessional knowledge of a second killing about to happen DiClerico deftly weaves together a cast of small town characters who alternate between helping and thwarting Nardi as he races towards the explosive conclusion of this debut novel      **The Rambler's Handbook** , 1929

their literature While women in the Republic of Ireland have tended to write about social issuessexism crime unemployment and domestic violencewomen in Northern Ireland focused on their society's historical tension and primarily nationalist and unionist politics However Pelan maintains that feminist ideology has provided contemporary Irish women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and languageIrish and English In an analysis enriched by a sophisticated but accessible engagement with contemporary feminist and gender theory Pelan concludes that Irish women's writing whether at the community or mainstream levelNorth or Southconsistently articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologiesnationalist unionist imperialist and capitalistwithout forfeiting their own sense of gender and national or ethnic identity The book's significance lies in its placement of women's writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this periodmuch of it long out of printcontinues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history
