Bibliography of the History of Medicine, 1993 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1991 *A Century of Homeopaths* Jonathan Davidson, 2014-03-22 As the values of integrative medicine continues to grow alternative points of view and treatments are increasing in acceptance and prevalence Homeopathic medicine is considered an important root to this approach However contributions of homeopathically qualified doctors have long been overlooked A Century of Homeopaths is a detailed account of the many homeopaths who have contributed to medical progress since 1840 The accomplishments of over 100 homeopaths form the organizing structure of the book many of whom have been lost to history The text describes the ways in which homeopaths have influenced medical practice research and public health as well as the seminal effect of homeopaths in the emergence of today's medical specialties and in social reform thus providing insights to healthcare professionals researchers students and medical historians **The Estrogen Alternative** Raquel Martin, Judi Gerstung, 2004-11-22 With almost 100 000 copies sold in earlier editions this revised edition provides the most up to date information on natural alternatives to synthetic hormone replacement therapy A must read for any woman taking synthetic hormones for infertility birthcontrol PMS or menopause Includes the latest research on using natural progesterone to combat osteoporosis endometriosis heart disease PMS fibroids and breast ovarian and uterine cancer More and more women are seeking alternatives to synthetic hormones and their harmful side effects Despite increasing awareness of the dangers of synthetic hormones over prescription of estrogen is still rampant as is confusion among doctors and patients whether the benefits of conventional hormone replacement therapy HRT outweigh the risks This updated fourth edition offers the latest information on how botanical progesterone therapy also known as natural HRT can provide safe natural relief for many of the problems women face from hormone deficiency including PMS fibromyalgia depression menstrual irregularity miscarriages uterine fibroids and infertility Botanical progesterone supplementation can be also extremely effective in relieving hot flashes insomnia night sweats vaginal dryness and even cancer The authors sift through misinformation and contradictory studies warning against corporate sponsored research in a multi billion dollar menopausal industry and guide readers to natural alternatives This fourth edition also includes new studies regarding the dangers of a diet rich in soy contributing to the onset of premature menopause as well as thyroid disorders The dangers of mammography and the importance of focusing on safer more effective methods of cancer detection are also well documented **Current Catalog** National Library of Medicine (U.S.), 1991 First multi year cumulation covers six years 1965 70 *Doctor Yourself* Andrew W. Saul, 2003 Don't bother looking in the history books for what has killed the most Americans Look instead at your dinner table We eat too much of the wrong foods and not enough of the right foods Scientific research continually indicates nationwide vitamin and mineral deficiencies in our country and we spend over a trillion dollars each year on disease care Is it any surprise that doctors consistently place among the very highest incomes

Andrew Saul has seen enough of this situation and in Doctor Yourself he gives you the power you need to change it Citing numerous scientific evidence as well as case studies from his decades of practice Dr Saul explodes the myth that an army of medical specialists and pharmaceutical drugs are necessary to maintain our health The human body evolved to live well and fight off disease on a supply of only a dozen or so essential nutrients Unfortunately modern meat laden high sugar diets provide catastrophically inadequate levels of those nutrients Using the guidelines and protocols for diet and vitamin megadosing laid out in Doctor Yourself you can not only prevent disease from getting a foothold in the first place but also literally cure yourself of illnesses already in progress without resorting to drugs or surgery One of the most comprehensive guides to nutritional therapy ever published Doctor Yourself provides proven methods for combating almost every possible health condition from asthma and Alzheimer s disease to cancer depression heart disease and more all presented in Dr Saul s unforgettable style Whether he s delivering commonsense tips on subjects such as weight loss and longevity or praising the healthy glow of a carotene tan Dr Saul takes the starch out of healthcare and makes taking charge of your family s health an experience both valuable and fun
