Papal consistency sometimes sorely tried in observing the canons and the principles announced by St Paul that Jews were to be a permanent if disturbing part of Christian life helped balance the anxiety felt by members of the Church Clerics especially feared what they called Jewish pollution These themes are the focus of the studies in the first part of this volume Those in the second part explore aspects of Jewish society and family life as both were shaped by medieval realities *The Canterbury Tales* Geoffrey Chaucer,1884 [The Sussex County Magazine](#) ,1927 **Stories, Meaning, and Experience** Yanna B. as time nature love and tragedy This broad yet incisive survey of Japanese literarily genres and themes is more than a comparative study of literature however it is an attempt to grasp the core of Japanese culture by setting it against world culture From this born a complex of new ideas and problems and author is able to probe the extent of Western influence on Japanese fiction poetry and essays in the past hundred years *The Technique of the Mystery Story* Carolyn Wells, 1913
