**Britain's Most Notorious Prisoners** Stephen Wade, 2011-12-01 From Oscar Wilde to the Kray brothers a unique history of the lives and crimes of the United Kingdom's most famous and infamous inmates Their names can chill the blood of true crime aficionados Peter Sutcliffe aka The Yorkshire Ripper child torturer Ian Brady cannibal Dennis Nilsen serial killer Beverley Allitt Some are tinged in glamour beautiful nightclub hostess Ruth Ellis hanged for a crime of passion While others hold a bizarre fascination like bare knuckle boxer Michael Gordon Peterson Called the most violent prisoner in Britain he changed his name to Charles Bronson in honor of the Death Wish star Only to change it yet again to Charles Salvador in honor of his favorite artist Dali By any name the one man riot was a prison superstar Britain's Most Notorious Prisoners tells the stories of these lives and many more inside the Big House where prison culture breeds a strange unreal community It's also where the system learns to cope with those who refuse to live by the law of the land killers and rapists spies gangster hit men political prisoners and serial offenders as well as some who were egregiously wronged From headline makers to long forgotten villains these stories make for a thrilling and harrowing look at life death and survival behind bars

**Lincolnshire Murders** Stephen Wade, 2012-02-29 The murder cases in this book are a mixture of classic narratives of jealousy elimination and passion now retold from new perspectives and with more research The author also includes some little known mysteries three unsolved homicides from across the county including the killing of the Barton recluse and the enigmatic death of a young farmer in Gedney in which the dead man's dog appeared in court In this chronicle of violent deaths and courtroom struggles the reader will find a new slant on some of the principal cases with plenty of social and legal history added to enrich the stories Lincolnshire Murders is a powerful and fascinating reappraisal of some of the most brutal and gruesome killings in the county's history

**The Murder Guide to Great Britain** Brian Lane, 1993 *Plain Clothes & Sleuths* Stephen Wade, 2007-05-01 The detective is a familiar figure in British history This work looks at famous cases such as the Ripper murders and the beginnings of the Special Branch and Detective Branch of Scotland Yard This history covers various aspects of crime history including the career of Jim the Penman Saward a notorious forger and more

**The Thames Torso Murders of Victorian London** R. Michael Gordon, 2015-10-03 The Thames Torso Murders have been overshadowed by Jack the Ripper and his crimes but were just as brutal and gruesome They began in 1887 in London's East End just north of the Thames River in Rainham England The killer took one victim that year another in 1888 and two more in 1889 He resumed his crimes in 1902 taking his last victim south of the Thames and leaving her body in a pile of dismembered parts as he had done with most of his other victims This work delves deep into the case of the Thames Torso Murders It begins with a look at London in the late 1800s a time of great confusion and tremendous population increase and the killer's path to London which seems to include a murder in Paris in 1886 The book then examines in great detail each murder and the investigation that may have been hindered by the search for Jack the Ripper It also raises the idea that Jack the Ripper and the Torso Murderer

may have been the same man Severin Klosowski better known as George Chapman the Borough Poisoner It ends with an examination of Serial Killers the Ripper Torso and Borough Poisoner murder cases the search for clues to the serial killer responsible for the five Thames Torso murders and Wolff Levisohn a dark horse who seems to have known much about all three sets of murders testified at Chapman s murder trial and then faded away as Chapman was sent to the gallows
