Michael Gordon, 2015-10-03 The Thames Torso Murders have been overshadowed by Jack the Ripper and his crimes but were just as brutal and gruesome They began in 1887 in London's East End just north of the Thames River in Rainham England The killer took one victim that year another in 1888 and two more in 1889 He resumed his crimes in 1902 taking his last victim south of the Thames and leaving her body in a pile of dismembered parts as he had done with most of his other victims This work delves deep into the case of the Thames Torso Murders It begins with a look at London in the late 1800s a time of great confusion and tremendous population increase and the killer's path to London which seems to include a murder in Paris in 1886 The book then examines in great detail each murder and the investigation that may have been hindered by the search for Jack the Ripper It also raises the idea that Jack the Ripper and the Torso Murderer may have been the same man Severin Klosowski better known as George Chapman the Borough Poisoner It ends with an examination of Serial Killers the Ripper Torso and Borough Poisoner murder cases the search for

clues to the serial killer responsible for the five Thames Torso murders and Wolff Levisohn a dark horse who seems to have known much about all three sets of murders testified at Chapman s murder trial and then faded away as Chapman was sent to the gallows *London - Time Travel Guide* , **A Brief Guide To Agatha Christie** Nigel Cawthorne,2014-06-19 Agatha Christie s 80 novels and short story collections have sold over 2 billion copies in more than 45 languages more than any other author When Christie finally killed off her Belgian detective Hercule Poirot the year before she herself died that detestable bombastic tiresome ego centric little creep in Christie s words received a full page obituary in the New York Times the only fictional character ever to have done so From her first novel *The Mysterious Affair at Styles* a Poirot mystery to her last *Sleeping Murder* featuring Miss Marple Crawford explores Christie s life and fiction Cawthorne examines recurring characters such as Captain Arthur Hastings Poirot s Dr Watson Chief Inspector Japp his Lestrade as well as other flat footed policemen that Poirot outsmarts on his travels his efficient secretary Miss Felicity Lemon another employee George and Ariadne Oliver a humorous caricature of Christie herself He looks at the writer s own fascinating her work as a nurse during the First World War her strange disappearance after her first husband asked for a divorce and her exotic expeditions with her second husband the archaeologist Sir Max Mallowan He examines the author s working life her inspirations methods and oeuvre and provides biographies of her key characters their attire habits and methods including Poirot s relationships with women particularly Countess Vera Rossakoff and Miss Amy Carnaby In doing so he sheds light on the genteel world of the country house and the Grand Tour between the wars He takes a look at the numerous adaptations of Christie s stories for stage and screen especially Poirot s new life in the eponymous long running and very successful TV series
