Murder in a Nice Neighborhood Lora Roberts, 1994 While vagabond writer Liz Sullivan sleeps innocently in her 69 VW microbus someone parks a dead body under it Since she d had words with the victim hours before the police type her as the murderer unless she s got a better alternative Not easy for a determined loner like Liz who has few friends and apparently one dangerous enemy Luckily her friends are more numerous than she suspected the shrewd old ladies in her writing workshop a charming real estate developer and maybe even handsome detective Paul Drake if he gets over thinking she s the killer Yet none of them knows Liz quite as well as they think and her past is closing in with a vengeance A Good Month for Murder Del Quentin Wilber, 2016-06-07 Bestselling author Del Quentin Wilber tells the inside story of how a homicide squad a dedicated colorful team of detectives does its almost impossible job Twelve homicides three police involved shootings and the furious hunt for an especially brutal killer February 2013 was a good month for murder in suburban Washington D C After gaining unparalleled access to the homicide unit in Prince George s County which borders the nation s capital Del Quentin Wilber begins shadowing the talented often quirky detectives who get the call when a body falls After a quiet couple of months all hell breaks loose suddenly every detective in the squad is scrambling to solve one shooting and stabbing after another Meanwhile the entire unit is obsessed with a stone cold red ball a high profile case involving a seventeen year old honor student attacked by a gunman who kicked down the door to her house and shot her in her bed Murder is the police investigator s ultimate crucible to solve a killing a detective must speak for the dead More than any recent book A Good Month for Murder shows what it takes to succeed when the stakes couldn t possibly be higher **Mystery Women,**

Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus

who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 The Affair of the Incognito Tenant Lora Roberts, 2022-02-10 In the Spring of 1903 something sinister is afoot in the small Sussex village of Stafford on Arun An evil man has escaped from Dartmoor Prison and is drawn to the village A woman is killed and there are whispers of vampires The widow Charlotte Dodson housekeeper of Larchbanks is puzzled by the mysterious stranger now leasing the manor Charlotte finds herself in the middle of a conspiracy that endangers both her livelihood and her life She turns to the only man who can help her Sherlock Holmes *Sleuths in Skirts* Frances A.
