*Murder in Brass* Henry Kuttner, 1947      *Demonic County Durham: Axe Murder in Ferry-Hill near Durham, 1682* Darrell S. Nixon, 2016-02-17 25th January 1682 3 A sad cruel murder committed by a boy about eighteen or nineteen years of age near Ferryhill near Durham being Thursday at night Over 300 years ago Ferryhill an obscure town in the south of County Durham played host to one of the most horrid and tragic murders in the county's history A farm servant murdered the three children of his master in cold blood with an axe It was described in a London print as the most horrid and barbarous murder that ever was heard of in the North or elsewhere There was no motive for the crime and nothing in the murderer's character to suggest that such an event could take place and yet in his later confession the perpetrator said that he acted only on the suggestion of the enemy The Devil For the first time since the murders all of the evidence leading up to at the time of and after the event is collected together as one of the most intriguing investigations into this sad and macabre event and lays bare some interesting information that have never been known to the public before Did the Devil come to Ferryhill Read on if you dare      **Anatomy of Murder** Carl Darryl Malmgren, 2001 Mystery fiction takes place in a centered world one whose most distinctive characteristic is motivation of behavior and signs Built on a faith in foundations it insists upon the solidity of social life the validity of social conventions and the sanctity of signs Mystery assures us that motives exist for both words and deeds      The Dramatic Works of Wycherley, Congreve, Vanburgh and Farquhar William Wycherley, 1875      The Complete Works of Sir John Vanbrugh: The confederacy. The mistake. A journey to London. The provok'd husband Sir John Vanbrugh, 1927      The Complete Works of Sir John Vanbrugh: The confederacy. The mistake. A journey to London. The provok'd husband John Vanbrugh, 1927      The confederacy. The mistake. A journey to London. The provok'd husband John Vanbrugh, 1927      **The Complete Works of Sir John Vanbrugh** John Vanbrugh, 1927      Durham Martin Dufferwel, 2011-11-25 The historic City of Durham is now over 1 000 years old With its magnificent Norman Cathedral and Castle it has become a world famous tourist attraction the outstanding importance of which was recognised in 1987 when it was designated by UNESCO as a World Heritage site Martin Dufferwel's book is a celebration of this unique City and of the Country that has grown up around it from the day in AD 995 when a group of monks carrying the coffin of St Cuthbert settled on what was then known as the Dunholm to the present time From the original site on the high wooded rock a settlement began to take shape It was one which would be swelled by pilgrims and made wealthy by their offerings and which would eventually become one of the most important sites of religious pilgrimage and military power in England Many events and people have throughout the last millennium lit up the long story of Durham in both fact and fable This book recalls some of them Wars saints kings and mythical beasts are all included in this tale of over 1 000 years as are surveyors locomotive engineers and miners It is all here from the long sagas of the Wars of the Roses and the English Civil War to the legendary Lampton Worm from Canute the Great Viking Emperor to murder most foul at Gutter Throat Farm and from the ravages of

William the Conqueror to the bizarre plan to turn Durham City into a port Steam locomotives for the Tsar of Russia and Dixieland in the USA both had their origins here in Durham and both feature in this book *The Baron of Coyote River* L. Ron Hubbard, 2010-01-15 Lance Gordon's running out of room and time Back in the Sierras he killed the man who murdered his father Unfortunately that man turned out to be a Deputy Marshal and now Lance has a price on his head Lance wants only to live in peace but he'll have to go through hell to get there Running from the law and the cavalry Lance heads for the one place no sheriff or soldier will go into the territory ruled by The Baron of Coyote River The Baron is the king of the cattle rustlers as feared and hated as he is powerful No one dares take him on until now Lance is sick of running and taking on the Baron is his last chance for a second chance Before the battle is over Coyote River will run red with blood as Lance has vowed to redeem himself or die trying Also includes the Western adventure Reign of the Gila Monster in which a stranger rides into the roughest toughest town in the West and sets out to show the town who's boss Pure entertainment from the first page to the last with that L Ron Hubbard touch giving this tale an enduring reader engagement from beginning to end The Midwest Book Review An International Book Awards Finalist *Six-Gun Caballero* L. Ron Hubbard, 2009-07-16 He's handsome He's charming He's a total gentleman and he's totally outgunned and outnumbered He's Michael Patrick O'Connell He is faced with a vicious claim jumper Can he outwit this band of outlaws in the old west O'Connell's lost his inheritance a 100 000 acre New Mexico spread and he could lose his life if he's not careful A ruthless band of renegades have seized his land and he's determined to get it back O'Connell's got one secret weapon his fierce intelligence He can't outshoot the outlaws so he'll have to find a way to outwit them Part Irish part Mexican Michael Patrick O'Connell is as American as they come crafty confident and cool under fire It may be one man against the world but before he's done the world will know how the West will be won In the 1930s a radio program Writers and Readers hosted by Bob de Haven delivered news of the hottest authors of the day interviewing the writers behind the stories Here's how he promoted an upcoming broadcast with L Ron Hubbard He has placed in print a million and a half words He is a quantity producer well paid and in constant demand He has outlined some valuable information on his lead novelette *Six Gun Caballero* It is an introduction to Hubbard that is as pertinent now as it was then Hubbard uses the traditional Western form to tell a challenging and unpredictable story where the hero outwits his attackers instead of merely having to outshoot them so intelligent and suspenseful SomebodyDies.com *Twenty Fathoms Down* L. Ron Hubbard, 2013-05-17 As daring and defiant as Kirk Douglas journeying 20 000 Leagues Under the Sea there's no stopping diver Hawk Ridley as he takes the plunge into a briny world of untold riches and danger The Caribbean is a fortune hunter's dream salted with the gold of galleons long ago claimed by the deep Now Hawk's headed for the Windward Passage of Haiti to stake his claim But a rival team has also picked up the scent and they're willing to turn the sea red with blood to get to the gold first Fighting off ruthless competitors is nothing new to Hawk but fighting off a beautiful woman is a different story Is she an innocent stowaway or a seductive saboteur Between the cool millions lying on the bottom

of the ocean and the boiling hot race to grab it Hawk s about to find the answer and make a discovery Twenty Fathoms Down that will blow you out of the water When it came to research Hubbard was not one to head for the library He always went to the source in this case a U S Navy deep sea diver who agreed to show him the ropes and the danger Hubbard admits it was daunting even frightening but he returned from the experience with all the first hand knowledge he needed to fathom the true nature of life and death underwater Primo Pulp Fiction Booklist      **Trouble on His Wings** L. Ron Hubbard,2012-03-21 Flying into action daredevil photojournalist Johnny Brice is always looking for trouble and more often than not finding it But he doesn t know what real trouble is until he rescues the beautiful woman he calls Jinx from a sinking ship Like Bogie and Bacall they re made for each other even if they are a dangerous mix Get the picture Well Johnny always does The problem is with Jinx now in the picture all his photo scoops are going down the drain losing his film to water fire or war And it all comes to a head on assignment in China when the Japanese shoot his plane down and take Jinx and Johnny prisoner Their lives at risk it s time for Johnny to get the real story about the lady Is she really a jinx or something even more sinister In an adventure full of surprising discoveries getting at the truth leads to the most shocking twist of all L Ron Hubbard had first hand experience of flying high with Trouble on His Wings As a young aviator he loved to tempt danger One journalist wrote The flaming haired pilot hit the city like a tornado a few years ago He just dared the ground to come up and hit him The knowledge and insight he gained during those flights is clearly evident in his aerial adventure stories      *Inky Odds* L. Ron Hubbard,2009-04-15 Bat Conroy cut him and he d bleed ink he s a born newspaperman Edward R Murrow Walter Cronkite Eric Sevareid the greatest American journalists of the 20th century all made their names as war correspondents but none of them would have beat out Bat Conroy to a good story Which makes it that much more mystifying and aggravating when an unknown writer filing under the byline Perry Lane scoops Bat on every story that comes along Bat s always been the go to reporter covering the Japanese invasion of China until this Perry Lane person came along to steal his thunder and maybe even his job Now the biggest story of the war is about to hit the fan and Bat s going to get to the source first if it kills him But the most shocking news of all is the true identity of the elusive Perry Lane As a young man Hubbard visited Manchuria where his closest friend headed up British intelligence in northern China Hubbard gained a unique insight into the intelligence operations and spy craft in the region as well as the hostile political climate between China and Japan a knowledge that informs stories like Inky Odds      **The Professor Was a Thief** L. Ron Hubbard,2009-07-08 The Empire State Building has vanished into thin air Gone too are Grant s Tomb and Grand Central Station and all hell is breaking loose in New York City One grizzled old newspaper reporter known simply as Pop a role made for Walter Matthau is on top of it and better stay there because his livelihood is on the line If Pop fails to get to the bottom of the vanishing landmarks his job will disappear as well not to mention the fate of Earth s remaining landmarks and the missing people within Battle of the Wizards When the natives of planet Deltoid refuse to grant mining rights to the Galactic Council and invasion by force is impossible a Battle of

Wizards is the only option An epic battle between science and magic unfolds with an entire planet hanging in the balance A biting sci fi satire JG Dangerous Dimension A mathematics professor who discovers an equation that enables him to teleport anywhere he can imagine even if he doesn't want to go By the spring of 1938 L Ron Hubbard's stature as a writer was well established As author and critic Robert Silverberg puts it he had become a master of the art of narrative Hubbard's editors urged him to apply his gift for succinct characterization original plot deft pacing and imaginative action to a genre that was new and essentially foreign to him science fiction and fantasy The rest is Sci Fi history **Killer's Law** L. Ron Hubbard, 2012-10-22 Sheriff Kyle of Deadeye Nevada is headed east to the nation's capital Like Dennis Weaver in the television series McCloud Kyle's about to discover that the law can be even wilder in the big city than in the Wild West It's a fact that hits home when he's the one accused of murder Kyle's come to the city to give a report to his senator on the misdeeds of Nevada's filthy rich copper kings But before he has a chance he's knocked unconscious later coming to alongside his senator now dead with Kyle's knife imbedded in the corpse Welcome to Washington D C where corruption intrigue and murder are all in a day's work Kyle's got no alibi no memory and apparently doesn't have a prayer unless he can find a way to outwit outfox and outmaneuver the masters of deception and double crosses in this police procedural thriller Much like Kyle L Ron Hubbard was born and bred on the western frontier and made his way east to explore and experience life in Washington D C But unlike the sheriff Hubbard enjoyed his time in the capital where he went to college at Georgetown He came to know the ins and outs of the city as well as he knew the arroyos and canyons of the west giving him the kind of insights he needed to write stories like Killers Law some of the most carefully and beautifully crafted trade paperbacks of our time Mystery Scene Dead Men Kill L. Ron Hubbard, 2006 Detective Terry Lane is a standout cop who thought he'd seen it all until now But he's never seen a murder spree like this The evidence is clear the killers have not emerged from the underside of the city but from six feet under it the walking dead And if Lane doesn't think outside the box he could end up inside one buried alive Lock your doors and turn on the lights as the audio version of Dead Men Kill brings the dead to life

**The Magic Quirt** L. Ron Hubbard, 2012-10-21 When it comes to boiling up a pot of coffee or stirring up a pot of stew Old Laramie's about as good a man as you're going to find But other than cooking three squares a day for the cowpunchers over at the Lazy G ranch Laramie's not good for much He's about as heroic as Walter Brennan on a bender But Laramie's luck and life are about to take an amazing turn Quite by accident he somehow manages to save a family of Mexicans from bandits and as a token of their gratitude they give him The Magic Quirt a horsewhip that he's told will turn him into a new man The transformation is indeed magical Suddenly Laramie is performing feats of ingenuity and courage that would make even the Lone Ranger proud But magic is a funny thing and as Laramie's about to discover sometimes it's all an illusion L Ron Hubbard wrote of his childhood The weather of Montana is of course brutal The country is immense and swallows up men rather easily hence they have to live bigger than life to survive There were still Indians around living in forlorn and isolated

tepees Notable among them was Old Tom a full fledged Blackfoot medicine man Hubbard and Old Tom became blood brothers and the medicine man shared with him the kind of lore that make stories like *The Magic Quirt* as compelling as they are Also includes the Western adventures *Vengeance Is Mine* the story of a young man who sets out to avenge his father's death only to commit an act beyond redemption and *Stacked Bullets* in which a game of chance is fixed a whole town is cheated and nothing but a stack of bullets can make things right Pure entertainment from first page to last with that L Ron Hubbard touch giving this tale an enduring reading engagement from beginning to end Midwest Book Review *Destiny's Drum* L. Ron Hubbard, 2010-05 When former army captain Phil Sheridan is captured by a bloodthirsty Indonesian tribe and its ruthless leader he embarks on a desperate plan to enlist the help of local headhunters to gain his freedom **Gun Boss of Tumbleweed** L. Ron Hubbard, 2013-05-17 Mart Kincaid a tall ruggedly good looking young man in the Clint Eastwood mold may be the fastest gun in the state but it does him no good because his gun and his life are not his own They belong to Gar Malone the King of Concha Basin a ruthless rancher driven by his thirst for power wealth and conquest Now Gar has set his sights on the Singing Canyon spread the richest land in the basin and he commands Kincaid to run its true owners off If not he threatens to reveal a dark secret that could ruin Kincaid's brother But there's more to the Singing Canyon ranch than Kincaid bargained for There's the Drake family specifically the lovely young Sally Drake The last thing Kincaid wants to do is drive her away Meaning he's got to get out from under Gar's thumb and put his trigger finger to work It's time to settle up once and for all with the blackmailing Malone Most of the Westerns published in the all fiction magazines of the first half of the twentieth century were written by authors more familiar with the streets of New York than the cattle trails of Texas Hubbard bucked the trend and in the process changed the face of the Western adventure He grew up in a time and a place where the Old West though fading still lived His unique knowledge of the frontier of its ways and its people made him an authentic voice of this unique American experience Also includes the Western adventure *Blood on His Spurs* in which two men have to find a way to end their feud or pay a high price in blood and money Heart racing plot charges at the speed of thrumming horses hooves Library Journal
