Pieces Michelle Clayton,2011-01-10 Set against the cultural and political backdrop of interwar Europe and the Americas

Poetry in Pieces is the first major study of the Peruvian poet Cesar Vallejo 1892 1938 to appear in English in more than thirty years Vallejo lived and wrote in two distinct settings Peru and Paris which were continually crisscrossed by new

developments in aesthetics politics and practices of everyday life his poetry and prose therefore need to be read in

connection with modernity in all its forms and spaces Michelle Clayton combines close readings of Vallejo's writings with

cultural historical and theoretical analysis connecting Vallejo and Latin American poetry to the broader panorama of

international modernism and the avant garde and to writers and artists such as Rainer Maria Rilke James Joyce Georges

Bataille and Charlie Chaplin *Poetry in Pieces* sheds new light on one of the key figures in twentieth century Latin American

literature while exploring ways of rethinking the parameters of international lyric modernity "Nancy Spero, Encounters "

JoannaS. Walker,2017-07-05 An original and valuable intervention in the fast growing field of feminist and new art histories

Nancy Spero *Encounters* offers a sophisticated interpretation of the work of a highly original and under represented woman

artist The study proposes a new model of comparatism within the field of visual studies mirroring and complementing Spero's

dialogic manner of working Basing her analyses on extensive research and multiple face to face interviews with the artist

Joanna Walker examines how a selection of the artists and art forms Spero cited offer significant points of comparison with

her work Walker presents Spero's encounters with the art of Ana Mendieta with the poetry of the American poet H D with

the dance of Isadora Duncan and turning the lens back on Spero as subject with the portraits of the artist by Abe Frajndlich

Also included are transcripts of Walker's interviews with the artist and a listing of the books contained in Spero's personal

library which informed her practice Not only does this book cast well deserved light on an artist who spent most of her

career on the margins of the mainstream it reverses genealogies and revises the traditional remit of the art historical

monograph through both its structure and content Practical Guides for Paris and the Rhine combined. The routes

between London and Paris, the north of France, Belgium, Holland, ... in full detail. Maps and plans. By A. T. Gregory Paris
