The Congregationalist and Christian World, 1901 **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1913 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 *Reading Jonathan Edwards* M.X. Lesser, 2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards's birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards's works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes

The Oxford Handbook of Music and World Christianities Suzel Ana Reily, Jonathan Dueck, 2016 The Oxford Handbook of Music and World Christianities investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe The volume explores Christian communities in the Americas Europe Africa Asia and Australia as sites of transmission transformation and creation of deeply diverse musical traditions The book's contributors while mostly rooted in ethnomusicology examine Christianities and their musics in methodologically diverse ways engaging with musical sound and structure musical and social history and ethnography of music and musical performance These broad materials explore five themes music and missions music and religious utopias and other oppositional religious communities music and conflict music and transnational flows and music and everyday life The volume as a whole then approaches Christian groups and their musics as diverse and powerful windows into the way in which music religious ideas capital and power circulate and change between places now and historically It also tries to take account of the religious self understandings of these groups presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values Given that the centerpiece of the

volume is Christian religious musical practice the volume reveals the active role music plays in maintaining and changing religious moral and cultural values in a long history of intercultural and transnational encounters **Famous People**
