Swimming with Sharks in Dark Water Athene Brinson, 2018-05-31 Individuals are not racist by intent they are racist by culture heritage and education If I were to ask anyone if they were a racist they would immediately deny it as a possibility They would espouse their wonderful humanitarian acts or friends of color that would support an embracement of diversity that would make us all proud The truth I have never met a racist that knew they were racist Even when educated as to what they have done they would go to their grave stating that under no circumstances should I ever consider them a racist This book is designed to tell you that it does not matter how many racists you meet in the office you can still be successful This book is designed to help you identify and cope and achieve success in those corporate environments that are not well It provides you with advice on how to swim with sharks in dark water This book will help you to use your Spidey senses to trust your gut to identify when you are working on a plantation how to cope until you can leave Oh by the way I need to tell you that you do not have the power at any time on any day to fix the plantation without permanently damaging your career The people who have fixed these issues have sacrificed their career possibly their livelihood to ensure that we do not experience what they did They shall always be the nameless heroes of our generation We will always be indebted to those individuals who spoke up and lost their livelihood as a result You need to understand that making a difference has a cost and those that have done this have paid dearly **Clark the Shark: Afraid of the Dark** Bruce Hale, 2015-09-08 Children's Choice Book Award Finalist *Clark the Shark* is ready for his first big sleepover He's nervous about sleeping outside without his glow fish night light but he doesn't want anyone to know he's just a teeny tiny bit afraid of the dark So Clark makes up a rhyme to help him stay cool Take heart be smart sharks aren't afraid of the dark But when the sun sets and his friends begin telling spooky stories Clark's voice sounds quiet and small and not brave at all In this empowering tale about conquering nighttime fears *Clark the Shark* learns how friendship can help light the way through the dark Featuring bright colorful artwork from Guy Francis and hilarious read aloud text from Bruce Hale this *Clark the Shark* picture book is the perfect story for kids braving
