Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career She didn't have a boyfriend so a prospective husband was unlikely to materialize before the semester ended and a bachelor's in political

science wasn't going to make her easily employable. The solution: Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Che Guevara, Jorge Luis Borges, and Hillary Clinton among others. *Looking for Love in Strange Places: A Memoir for My Stepdaughters* is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future.

Tennysonian Love Gerhard Joseph, 1969-04-10 *Tennysonian Love* was first published in 1969. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In the century or so since Alfred Tennyson's poetry reached the height of its popularity and critical acclaim, the pendulum of criticism has swung wide in opposite directions. From the earlier idolatry to the later ridicule, that pendulum has now settled into a position of qualified and selective praise from which a more thoughtful consideration of the poet is possible. Consequently, as this critical study suggests, new values and dimensions are recognizable in his work. Professor Joseph, concentrating on the theme of love, but involving in his argument other facets of Tennyson's achievement, demonstrates the thesis that the poet moved as in a strange diagonal. This phrase, used as the subtitle of the book, comes from Tennyson's poem *The Princess* in which the narrator moved as in a strange diagonal. And maybe neither pleased myself nor them. As the author shows, Tennyson throughout his work moved between a Platonic conception of love, in which the highest kind of spiritual love has disencumbered itself of sense, and a Neoplatonic, Dantesque one, in which sense and soul tend to merge. In coming to terms with the nineteenth-century form of this divided Western heritage, the pietism of the evangelical revival on the one hand and the idealized eroticism of his Romantic predecessors on the other, Tennyson became the exemplary poet of Victorian love. No other Victorian poet, Professor Joseph concludes, exhibits quite his representative and successful blending of these clashing strains. For while moving between the alternate traditions of Western love, Tennyson was able to forge a large body of highly disciplined, beautifully wrought, and far-ranging verse.
