Les notices synthétiques classées par genre et par tranche d'âge permettent de saisir en quelques secondes le propos et l'intérêt de chaque film. Au fil de ces pages fourmillantes d'idées qui se déroulent comme du popcorn on n'a plus qu'une seule envie partager ensemble d'inoubliables moments de cinéma et se construire petit à petit une solide culture familiale.

Et Noël se transforme en une fête presque zen. Ancré dans la trépidante vie d'aujourd'hui le livre propose des activités saisonnières rassembleuses, des to-do lists faciles, respecter des recettes simples et apaisantes des idées festives pour souligner les événements importants, des suggestions de moments forts pour tisser des liens familiaux durables. **Crossover Picturebooks** Sandra L. Beckett, 2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists' books, wordless picturebooks and celebrity picturebooks that appeal to readers of all ages. Focusing on contemporary picturebooks Sandra Beckett shows that the

picturebook has traditionally been seen as a children's genre but in the eyes of many authors, illustrators and publishers it is a narrative form that can address any and all age groups. Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books. The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre. Crossover picturebooks are often very complex texts that are challenging for adults as well as children. Many are characterized by difficult adult themes, genre blending, metafictional discourse, intertextuality, sophisticated graphics and complex text-image interplay. Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres, one that seems to know no boundaries. Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole.
