Luther s Works The American Edition published by Concordia and Fortress Press between 1955 and 1986 comprises fifty five volumes These are a selection representing only about a third of Luther s works in the Latin and German of the standard Weimar Edition not including the German Bible The year 1525 was perhaps one of the most tumultuous for Luther and his Reformation It was the year of the break between Luther and a number of forces heretofore presumed to be on his side The ultra radical reformers alienated the lower classes from the Lutheran Reformation with the charge that Luther was only a halfway reformer Luther responded with *Against the Heavenly Prophets* In May Luther tried to avert a peasant uprising by an appeal both to the princes and to the peasants But the Peasant Revolt broke out nevertheless and Luther responded with *Against the Robbing and Murdering Hordes of Peasants* 1525 was also the year when world famous scholar Erasmus declared himself against Luther provoking him into responding with *On the Bondage of the Will* This plus the death of friends his protector prince and rumor of an assassin coming for Luther from Poland was still not enough to prevent Luther from continuing his lectures on the minor prophets This volume demonstrates Luther s perseverance and triumph against all odds Luther s commentary on Zechariah points to Zechariah as an outstanding model in comforting people not to despair when the promises of Christ s kingdom do not seem to come true This comfort is for all time

Zechariah's Hope Paperback David C

Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool
