Don Verídico Julio César Castro,1994 *El Fogón* ,1908 In Search of Self Without Selfies Victor V. Bianco,2018-03-22 Mostly my purpose for writing this was to give my children the legacy of their heritage and some knowledge about their father from a different angle perspective along with the illusion I harbored that they might feel a sense of pride from knowing their roots Perhaps after reading this legacy they would find peace in their hearts and a better understanding of themselves and the world that surrounds them In addition I hope that this book would open many eyes and provide a wider view of the world *Three Worlds Collide* Gransom Hayes,2023-08-15 Three Worlds Collide is a crime thriller novel with supernatural undercurrents The story begins with a close call then evolves into a single mother s struggle to protect her mischievous daughter from the vengeance of a possessed narcotrafficker She must not only rely on the complexities of newly forged alliances but also on the spiritual conviction of ancient protectors roaming the seams of the afterlife All of which must coalesce to overcome a maniacally conjured entity The deeper they get into the entanglements of the criminal underworld the more intense the supernatural becomes Despite their fears they must find a way The fate of humanity is at stake **Night Stories: Folktales from Latin America** Liniers,2024-06-04 The New York Public Library Best Book for Kids 2024 ALA Best Graphic Novels for Children Reading List Liniers comics are funny and fanciful and whimsical and philosophical in the best sense Matt Groening The Simpsons Classic Latin American folktales get an update in this new collection by celebrated author Liniers New York Times bestselling author and Eisner Award winner Liniers brings his exuberant cartooning style and irrepressible sense of humor to the spooky folktales of his childhood telling three from across Latin America the Iara a mermaid or a pink dolphin who lures young men to her underwater domain in the Amazon basin La Lechuza an enormous owl with the face of a woman who terrorizes people who venture out after dark a legend found in Mexico Chile and Uruguay and La Luz Mala a spooky evanescent light that menaces gauchos and other travelers on the Argentine pampas Liniers animates these thrilling tales with lighthearted twists Combined with informative backmatter on their ecological cultural and historical background and a bibliography these old stories will come alive for all young readers from those who have grown up hearing them to those who are encountering them for the first time The award winning TOON Latin American Folktales series highlights authentic Latin American stories and cultures bringing them a to a new generation of graphic novel fans around the world **Mitos al descubierto** Enrique Mario Rendón,2025-06-02 Alguna vez te preguntaste si tomar fr o o andar descalzo realmente te resfr a O si la vitamina C puede curar un resfriado Mitos al descubierto nos invita a explorar estas y otras creencias populares que han persistido en nuestra cultura Qu son los nervios anudados Es cierto que a los muertos les siguen creciendo las u as y el cabello Con un estilo intrigante y lleno de suspenso el autor nos gu a a trav s de cuentos y explicaciones sobre cada mito fascinante y nos revelan las verdades ocultas tras ellos Este libro no solo busca entretener sino tambi n desafiarte a pensar cr ticamente y a descubrir el conocimiento cient fico que
