

Barnet

Å møte et barn i blikket
er mer enn et møte med vår;
det er som å dra på en reise
tilbake titusener år
og ikke bare finne
sin egen barndom på ny,
men *artens* famlende barndom
i tidenes morgengry!

Det er som den lille kroppen
som leker i sommerens vind
ennå har minnet i seg

Lybmeden Dikt:

Den stumme Lars Amund Vaage, 2011 *Dikt* Gunnar Larsen, 1956 **The classic collection of Knurt Hamsun. Nobel Prize 1920. Illustrated** Knurt Hamsun, 2025-03-26 Knut Hamsun 4 August 1859 19 February 1952 was a Norwegian writer who was awarded the Nobel Prize in Literature in 1920 Hamsun's work spans more than 70 years and shows variation with regard to consciousness subject perspective and environment He published more than 20 novels a collection of poetry some short stories and plays a travelogue works of non fiction and some essays Hamsun first received wide acclaim with his 1890 novel *Hunger* Sult The semiautobiographical work described a young writer's descent into near madness as a result of hunger and poverty in the Norwegian capital of Kristiania modern name Oslo To many the novel presages the writings of Franz Kafka and other twentieth century novelists with its internal monologue and bizarre logic Hamsun's prose often contains rapturous depictions of the natural world with intimate reflections on the Norwegian woodlands and coastline For this reason he has been linked with the spiritual movement known as pantheism No one knows God he once wrote man knows only gods Hamsun saw mankind and nature united in a strong sometimes mystical bond This connection between the characters and their natural environment is exemplified in the novels *Pan A Wanderer* *Plays on Muted Strings* and the epic *Growth of the Soil* his monumental work credited with securing him the Nobel Prize in literature in 1920 Contents *Hunger* *Pan* *Growth of the Soil* *Mothwise* *Shallow Soil* **Dikt i Dag** Eva Aline WICHMAN, 1951 Arnljot Gelline Bjornstjerne Bjornson, 2015-04-14 In the lyric epic poem *Arnljot Gelline* we have Bjornson in his first purely Norse period The hero is an outlaw who joins the forces of King Olaf Trygvason and falls with him in the Battle of Stiklestad for the cause of Christ against the older gods The story is told in a series of vivid episodes each with a mood and metre of its own To a reader unable to appreciate the stern reserve power of Norse poetry such a piece will seem bare in subject and abstruse in style but to him who catches the tone it will be rich in inspiration The alternations of gloom and radiant vision are like the changing lights of a broken storm on the North Sea Dr Payne has followed the original in rhythm and rhyme with the result that he conveys to the reader much of its atmosphere He is most happy where the verse is freest and least rhyme is required Here his phrasing has great directness and dignity together with a sweep that carries one along breathlessly In the more set passages the inversions of the English are at times disturbing Fortunately the great moments come where the translator is most completely submerged in the scenes and emotions of the poem A compact introduction and notes with full quotations from the *Heimskringla* and Bjornson's other sources make the volume attractive alike to the general reader and the scholar *Scandinavian Review* Volume 6 1918 *Sweden's Laureate* Verner Von Heidenstam, 2009-04 Sweden's Laureate *Selected Poems of Verner Von Heidenstam* is a collection of poems written by the Swedish poet and writer Verner Von Heidenstam The book was first published in 1919 and contains a selection of Heidenstam's most famous and beloved poems Heidenstam was a prominent figure in Swedish literature during the late 19th and early 20th centuries and was awarded the Nobel Prize

in Literature in 1916 The book contains poems that cover a wide range of themes including love nature and the human condition Heidenstam s writing is known for its vivid imagery and lyrical style and this collection showcases his mastery of the art of poetry Some of the poems included in the book are The Pilgrim s Song The Flight of the Cranes and The Sea Each poem is accompanied by a brief introduction providing some context and insight into Heidenstam s life and work Overall Sweden s Laureate Selected Poems of Verner Von Heidenstam is a must read for anyone interested in Swedish literature or poetry in general It offers a glimpse into the mind of one of Sweden s most celebrated writers and provides a timeless collection of poems that are sure to inspire and captivate readers for generations to come This scarce antiquarian book is a facsimile reprint of the old original and may contain some imperfections such as library marks and notations Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to their original work **Sankt**
