A HISTORY OF CHILDBIRTH IN AMERICA

Expanded Edition

Lying In A History Of Childbirth In America Expanded Edition

Shirley Neuman

Lying In A History Of Childbirth In America Expanded Edition:

Lying-in Richard W. Wertz, Dorothy C. Wertz, 1989-01-01 This lively history of childbirth begins with colonial days when childbirth was a social event and moves on to the gradual medicalization of childbirth in America as doctors forced midwives out of business and to the home birth movement of the 1980 s Widely praised when it was first published in 1977 the book has now been expanded to bring the story up to date In a new chapter and epilogue Richard and Dorothy Wertz discuss the recent focus on delivering perfect babies with its emphasis on technology prenatal testing and Caesarean sections They argue that there are many viable alternatives including out of hospital births in the search for the best birthing system Review of the first edition Highly readable extensively documented and well illustrated A welcome addition to American social history and women s studies It can also be read with profit by health planners hospital administrators consumers of health care and all those who are concerned with improving the circumstances associated with childbirth Claire Elizabeth Fox bulletin of the History of Medicine A fascinating brilliantly documented history not merely of childbirth but of men s attitudes towards women the effect of a burgeoning medical profession on our very conception of maternity and motherhood and the influence of religion on medical technology and science Thomas J Cottle Boston Globe This superb book is both an impeccably documented recitation of the chronological history of medical intervention in American childbirth and a sociological analysis of the various meanings given to childbirth by individuals interested groups and American society as a whole Barbara Howe American Journal of Sociology Richard W Wertz a builder in Westport Massachusetts is formerly an associate professor of American history at the Massachusetts Institute of Technology Dorothy C Wertz is a research professor at the School of Public Health Boston University [A History of Midwifery in the United States](#) Helen Varney Burst, Joyce E. Thompson, 2015-11-04 Written by two of the profession s most prominent midwifery leaders this authoritative history of midwifery in the United States from the 1600s to the present is distinguished by its vast breadth and depth The book spans the historical evolution of midwives as respected autonomous health care workers and midwifery as a profession and considers the strengths weaknesses threats and opportunities for this discipline as enduring motifs throughout the text It surveys the roots of midwifery the beginnings of professional practice the founding of educational institutions and professional organizations and entry pathways into the profession Woven throughout the text are such themes as the close link between midwives and the communities in which they live their view of pregnancy and birth as normal life events their efforts to promote health and prevent illness and their dedication to being with women wherever they may be and in whatever health condition and circumstances they may be in The text examines the threats to midwifery past and present such as the increasing medicalization of childbearing care midwifery s lack of a common identity based on education and practice standards the mix of legal recognition and reimbursement issues for midwifery practice Illustrations and historical photos depict the many facets of midwifery and engaging stories provide cultural and spiritual content This is a must have for

all midwives historians professional and educational institutions and all those who share a passion for the history of midwifery and women Key Features Encompasses the most authoritative and comprehensive information available about the history of midwifery in the United States Considers the strengths weaknesses threats and opportunities for midwifery Illustrated with historical photos and drawings Includes engaging stories filled with cultural and spiritual content introductory quotes to each chapter and plentiful chapter notes Written by two preeminent leaders in the field of midwifery

Blessed Events Pamela E. Klassen, 2001-10-07 Blessed Events explores how women who give birth at home use religion to make sense of their births and in turn draw on their birthing experiences to bring meaning to their lives and families Pamela Klassen introduces a surprisingly diverse group of women in their own words while also setting their birth stories within wider social political and economic contexts In doing so she emerges with a study that disrupts conventional views of both childbirth and religion by blurring assumed divisions between conservative and feminist women and by taking childbirth seriously as a religious act Most American women who have a choice give birth in a hospital and request pain medication Yet enough women choose and advocate unmedicated home birth and do so for carefully articulated reasons social resistance among them to constitute a movement Klassen investigates why women whose religious affiliations range from Old Order Amish to Reform Judaism to goddess centered spirituality defy majority opinion the medical establishment and sometimes the law to have their babies at home In considering their interpretations including their critiques of the dominant medical model of childbirth and their views on labor pain she examines the kinds of agency afforded to or denied women as they derive religious meanings from childbirth Throughout she identifies tensions and affinities between feminist and traditionalist appraisals of the symbolic meaning of birth and the power of women What does home birth a woman centered movement working to return birth to women s control mean in practice for women s gender and religious identities Is this supreme valuing of procreation and motherhood constraining or does it open up new realms of cultural and social power for women By asking these questions while remaining cognizant of religion s significance Blessed Events challenges both feminist and traditionalist accounts of childbearing while broadening our understanding of how religion is lived in contemporary America

The Reader's Companion to U.S. Women's History Wilma Pearl Mankiller, 1998 Contains articles on fashion and style household workers images of women jazz and blues maternity homes Native American women Phillis Wheatley homes picture brides single women and teaching

The New Blackwell Companion to Medical Sociology William C. Cockerham, 2016-09-26 An authoritative topical and comprehensive reference to the key concepts and most important traditional and contemporary issues in medical sociology Contains 35 chapters by recognized experts in the field both established and rising young scholars Covers standard topics in the field as well as new and engaging issues such as bioterrorism bioethics and infectious disease Chapters are thematically arranged to cover the major issues of the sub discipline Global range of contributors and an international perspective

The Routledge Handbook of Religion and

American Culture Chad E. Seales, 2025-03-31 The Routledge Handbook of Religion and American Culture explains where religion is made in the United States It offers essays profiling cultural sites including energy industry public life music arts and entertainment and life and death These sites organize the volume s 31 chapters demonstrating how cultural religion has been constructed and performed in specific historical and ethnographic case studies This volume offers a much needed resource for Religious Studies scholars and students interested in the study of religion and culture in the United States as well as those in American Studies Anthropology of Religion Sociology of Religion Material Culture Studies Environmental Studies and History **Childbirth in a Technocratic Age** , Birth By Design Raymond De Vries, Cecilia Benoit, Edwin van Teijlingen, Sirpa Wrede, 2002-05-03 This collection of essays contains leading research in maternity care from Europe the United States and Canada to discuss systems of care for pregnancy and childbirth Birth By Design focuses on the practical side of good social science research This is a ground breaking work that looks not only at maternity but also the act of childbirth The Isle of Pines, 1668 John Scheckter, 2016-03-09 A short fiction of shipwreck and discovery written by the politician Henry Neville 1620 1694 The Isle of Pines is only beginning to draw critical attention and until now no scholarly edition of the work has appeared In the first full length study of The Isle of Pines supported by the first fully critical edition John Scheckter discloses how Neville s work offers a critique of scientific discourse enacts complicated engagements of race and gender and interrogates the methods and consequences of European exploration The volume offers a new critical model for applying post colonial and postmodern examination strategies to an early modern work Scheckter argues that the structure and publication history of the fiction with its separate unreliable narrators along with its several topics shipwreck survival the founding of a new society the initial phases of European colonization are imbued with the sense of uncertainty that permeated the era A Colonial Woman's Bookshelf Kevin J. Hayes, 1996 Despite major advances in women s history literary history and the history of the book the intellectual life of women in colonial America has been a largely neglected area of scholarship Kevin J Hayes draws upon an impressive array of primary materials to describe in detail the kinds of books these women read and the reasons why they read them **Knowledge and Learning in the Andes** Henry Stobart, Rosaleen Howard, 2003-05-01 The aim of this book is to explore the current research into the ways in which Andean peoples create transmit maintain and transform their knowledge in culturally significant ways and how processes of teaching and learning relate to these The contributions from eminent researchers in anthropology sociology cultural studies and linguistics include cross disciplinary approaches and cover a diverse geographic area from Ecuador to Peru Bolivia and Northern Chile The case studies reflect on the variously harmonious and conflictive relationships between knowledge power communicative media and cultural identities in Andean societies from within local national and global perspectives Eugenics and Physical Culture Performance in the Progressive Era Shannon L. Walsh, 2020-11-16 This book strives to unmask the racial inequity at the root of the emergence of modern physical culture systems in the US Progressive Era 1890s

1920s This book focuses on physical culture systematic non competitive exercise performed under the direction of an expert because tracing how people practiced physical culture in the Progressive Era especially middle and upper class white women reveals how modes of popular performance institutional regulation and ideologies of individualism and motherhood combined to sublimate whiteness beneath the veneer of liberal progressivism and reform The sites in this book give the fullest picture of the different strata of physical culture for white women during that time and demonstrate the unracialization of whiteness through physical culture practices By illuminating the ways in which whiteness in the US became a default identity category absorbed into the universal ideals of culture arts and sciences the author shows how physical culture circulated as a popular performance form with its own conventions audience and promised profitability Finally the chapters reveal troubling connections between the daily habits physical culturists promoted and the eugenics movement s drive towards more reproductively efficient white bodies By examining these written visual and embodied texts the author insists on a closer scrutiny of the implicit whiteness of physical culture and forwards it as a crucial site of analysis for performance scholars interested in how corporeality is marshaled by and able to contest local and global systems of power

Earline's Pink Party Elizabeth Findley Shores,2017-04-18 In Earline s Pink Party Elizabeth Findley Shores sifts through her family s scattered artifacts to understand her grandmother s life in relation to the troubled racial history of Tuscaloosa Alabama A compelling genre bending page turner Earline s Pink Party The Social Rituals and Domestic Relics of a Southern Woman analyzes the life of a small city matron in the Deep South A combination of biography material culture analysis social history and memoir this volume offers a new way of thinking about white racism through Shores s conclusion that Earline s earliest childhood experiences determined her worldview Set against a fully drawn background of geography and culture and studded with detailed investigations of social rituals such as women s parties and objects such as books handwritten recipes and fabric scraps Earline s Pink Party tells the story of an ordinary woman the grandmother Shores never knew Looking for more than the details and drama of bourgeois Southern life however the author digs into generations of family history to understand how Earline viewed the racial terror that surrounded her during the Jim Crow years in this fairly typical southern town Shores seeks to narrow a gap in the scholarship of the American South which has tended to marginalize and stereotype well to do white women who lived after Emancipation Exploring her grandmother s home and its contents within the context of Tuscaloosa society and historical events Shores evaluates the belief that women like Earline consciously engaged in performative rituals in order to sustain the fantastical view of the white nobility and the contented black underclass With its engaging narrative illustrations and structure this fascinating book should interest scholars of memory class identity and regional history as well as sophisticated lay readers who enjoy Southern history foodways genealogy and material culture

The Dream of the Perfect Child Joan Rothschild,2005 A feminist critique of bioethics and attitudes toward reproductive technologies

Autobiography and Questions of Gender Shirley Neuman,2015-08-14 Originally published

in 1991 Addressing the ways in which the ideology of gender and its social construction determine autobiographical self representations the essays here consider several women s works in the light of the social and historical conditions which enabled their production Some examine diaries as a feminine form and ask about the ways in which thematic content such as childbirth can or cannot be represented in diaries and public discourse at different historical junctures Others show the pressures of gender roles and how they have led to new genres in which self representation is often a refraction of the representation of others With the tools of gender theory the representation of hermaphroditism masculinity and male bodies is analysed and the ways in which gender intersects with racial sexual and class ideologies is also looked at in seeing autobiography as a form of agency in self construction

Mother-infant Bonding Diane E. Eyer,1992-01-01 Guilt abounds among women who are unable for whatever reason illness of mother or child premature birth adoption to experience the required period of bonding with their babies In this absorbing book Diane E Eyer traces the history of the bonding myth and explains its continuing popularity despite its demonstrated lack of validity Most important she shows how it reflects a disturbing tendency in our society to accept scientific research without question and without awareness that it can be distorted by professional agendas and public demands Eyer argues that the concept of bonding was developed at a time then hospitals were losing their appeal for many women who wanted to deliver their babies in birthing centers or at home Hospitals seized on the bonding idea as a way to make their services more attractive to pregnant women and to reassert medical authority over the birthing process by regulating the bonding procedure

Women and Science Marilyn B. Ogilvie,Kerry L. Meek,2018-12-07 First Published in 1996 Following the author s previous work Women in Science Antiquity through the Nineteenth Century in 1986 an increased interest in feminism science and gender issues resulted in this subsequent title This book will be valuable to scholars working in a variety of academic areas and will be useful at different educational levels from secondary through graduate school This annotated bibliography of approximately 2700 entries also includes fields nationality periods persons institutions reference and theme indexes

Biotechnology and Culture Paul E. Brodwin,2001-01-22 Essays on technology s effect on our relationship with our bodies A timely and perceptive look at some of the most anxiety producing issues of the day Paul Rabinow University of California Berkeley As birth illness and death increasingly come under technological control struggles arise over who should control the body and define its limits and capacities Biotechnologies turn the traditional facts of life into matters of expert judgment and partisan debate They blur the boundary separating people from machines male from female and nature from culture In these diverse ways they destroy the gold standard of the body formerly taken for granted Biotechnologies become a convenient tangible focus for political contests over the nuclear family legal and professional authority and relations between the sexes Medical interventions also transform intimate personal experience giving birth building new families and surviving serious illness now immerse us in a web of machines expert authority and electronic images We use and imagine the body in radically different ways and from

these emerge new collective discourses of morality and personal identity This book brings together historians anthropologists cultural critics and feminists to examine the broad cultural effects of technologies such as surrogacy tissue culture research and medical imaging The moral anxieties raised by biotechnologies and their circulation across class and national boundaries provide other interdisciplinary themes for discourse in these essays The authors favor complex social dramas of the refusal celebration or ambivalent acceptance of new medical procedures Eschewing polemics or pure theory contributors show how biotechnology collides with everyday life and reshapes the political and personal meanings of the body Contributors include Paul Brodwin Lisa Cartwright Thomas Csordas Gillian Goslinga Roy Deborah Grayson Donald Joralemon Hannah Landecker Thomas Laqueur Robert Nelson Susan Squier Janelle Taylor and Alice Wexler This impressive collection offers a number of rich examples of why the development of anthropological studies of science technology and their disruptive social effects is a leading edge of critical enquiry Arthur Kleinman Harvard University

Kept from All Contagion Kari Nixon, 2020-05-01 *Kept from All Contagion* explores the surprising social effects of germ theory in the late nineteenth century Connecting groups of authors rarely studied in tandem by highlighting their shared interest in changing interpersonal relationships in the wake of germ theory this book takes a surprising and refreshing stance on studies in medicine and literature Each chapter focuses on a different disease discussing the different social policies or dilemmas that arose from new understandings in the 1860s 1890s that these diseases were contagious The chapters pair these sociohistorical considerations with robust literary analyses that assess the ways authors as diverse as Thomas Hardy Henrik Ibsen and Mary Elizabeth Braddon among others grappled with these ideas and their various impacts upon different human relationships marital filial and social Through the trifocal structure of each chapter microbial relational and sociopolitical the book excavates previously overlooked connections between literary texts that insist upon the life giving importance of community engagement the very thing that seemed threatening in the wake of germ theory s revelations Germ theory seemed to promote self protection via isolation the authors covered in *Kept from All Contagion* resist such tacit biopolitical implications Instead as Kari Nixon shows they repeatedly demonstrate vitalizing interpersonal interactions in spite of and often because of their contamination with disease thus completely upending both the ways Victorians and present day literary scholars have tended to portray and interpret purity

Mother-Scholar Yvette V. Lapayese, 2012-10-21 *Mother Scholar* presents another way of knowing The book illuminates the narratives of prominent mother scholars in the discipline of education who are determined to re imagine a different educational space not only for their own children but for all children Today s schools are male centered institutions in which standardized testing rational mind and emotionless space prevent children from realizing their full potential as creative intelligent and soulful beings Mother scholars in the discipline of education assert that when motherhood and intellect confront and inform each other a new thinking emerges to capture the possibility of humanizing education beyond the private relationships between mothers and children

This book delves into Lying In A History Of Childbirth In America Expanded Edition. Lying In A History Of Childbirth In America Expanded Edition is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Lying In A History Of Childbirth In America Expanded Edition, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Lying In A History Of Childbirth In America Expanded Edition
 - Chapter 2: Essential Elements of Lying In A History Of Childbirth In America Expanded Edition
 - Chapter 3: Lying In A History Of Childbirth In America Expanded Edition in Everyday Life
 - Chapter 4: Lying In A History Of Childbirth In America Expanded Edition in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Lying In A History Of Childbirth In America Expanded Edition. The first chapter will explore what Lying In A History Of Childbirth In America Expanded Edition is, why Lying In A History Of Childbirth In America Expanded Edition is vital, and how to effectively learn about Lying In A History Of Childbirth In America Expanded Edition.
 3. In chapter 2, the author will delve into the foundational concepts of Lying In A History Of Childbirth In America Expanded Edition. This chapter will elucidate the essential principles that need to be understood to grasp Lying In A History Of Childbirth In America Expanded Edition in its entirety.
 4. In chapter 3, the author will examine the practical applications of Lying In A History Of Childbirth In America Expanded Edition in daily life. The third chapter will showcase real-world examples of how Lying In A History Of Childbirth In America Expanded Edition can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Lying In A History Of Childbirth In America Expanded Edition in specific contexts. This chapter will explore how Lying In A History Of Childbirth In America Expanded Edition is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Lying In A History Of Childbirth In America Expanded Edition. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Lying In A History Of Childbirth In America Expanded Edition.

Lying In A History Of Childbirth In America Expanded Edition Introduction

In todays digital age, the availability of Lying In A History Of Childbirth In America Expanded Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lying In A History Of Childbirth In America Expanded Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lying In A History Of Childbirth In America Expanded Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lying In A History Of Childbirth In America Expanded Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lying In A History Of Childbirth In America Expanded Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lying In A History Of Childbirth In America Expanded Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lying In A History Of Childbirth In America Expanded Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lying In A History Of Childbirth In America Expanded Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring

knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lying In A History Of Childbirth In America Expanded Edition books and manuals for download and embark on your journey of knowledge?
