Wood, 2013-06-27 I began to write a book about my mother's life As she descended further and further into a disease called Alzheimers my writing morphed into Why her Why this disease for her for our family It became a search to get to know a woman I had only seen as my mom before It's my story of how I handled with tenacious determination to always approach her with a smile willing to meet her wherever she was in her moment *The Cat Mummy* Jacqueline Wilson, 2008-12-05 Nothing could ever replace Mabel I wished I could hold her in my arms and tell her just how much she meant to me Verity adores her cat Mabel and is desperately sad when she dies Remembering her recent school lessons about the Ancient Egyptians Verity decides to mummify Mabel and keep her hidden Verity's dad and grandparents can't bear to talk about death having lost Verity's mum several years ago but when they eventually discover what Verity has done the whole family realises it's time to talk A superb handling of bereavement in Jacqueline Wilson's uniquely accessible and enjoyable style for younger readers

Chicken Soup for the Soul: The Magic of Cats Amy Newmark, 2020-07-07 You'll recognize your own cat in this entertaining collection of stories about the surprising amusing heartwarming and even magical things that our cats do How do cats do it Even non-cat people fall under their spell Our cats make us better people If we rescued them they rescue us back If we're sad they comfort us If we need to have more fun they show us how They are our therapists our role models and our best friends You'll laugh a lot tear up at times and nod your head in recognition as you read these tales about the magical experience of sharing life with a cat In this collection you'll find stories from hilarious to heroic mischievous to miraculous and everything in between *Firebrands* Gioia Diliberto, 2024-10-30 Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast *Firebrands* is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women's political power since women gained the right to vote and their influence on the American political scene wouldn't be equaled for decades In Gioia Diliberto's fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman's Christian Temperance Union who campaigned fiercely to introduce

Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In *Firebrands* Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture

A. McKeve,2021-11-30 Stella Granny Reid s youth wasn t the only thing changed by time in tiny nondescript McGill Georgia Except even back in the 1980s the Southern town still had a way of attracting downright dubious characters some with a talent for murder As quirky as McGill s residents can be they usually welcome society s oddballs and outcasts into the community with open arms But the three members of the Lone White Wolf Pack are a different story Townsfolk aren t feeling the least bit neighborly toward the gang widely believed to have orchestrated several hate crimes in the area When the group s leader Billy Ray Sonner is found dead in an abandoned motel most assume it was the result of an accidental overdose An unfortunate yet predictable end for a man who lived the way Billy did Only Stella and the sheriff have witnessed the crime scene in person and suspect something more disturbing happened in that ramshackle room While Stella wades through a flood of potential culprits one thing becomes clear this wasn t an

impulsive act of revenge There s a sophisticated killer on the loose and Stella must expose deep rooted fears and dark pasts if she wants to crack a carefully planned murder and stop McGill from descending into chaos
