and economic Latin American revolutions of Mexico from 1910 to 1940 Bolivia since 1952 Cuba since 1959 and Nicaragua since 1979 Peaceful change eluded temporarily at least Chile Argentina and Peru and the future of Venezuela and other countries is undetermined Considering the pervasive hunger and illiteracy in Latin America as well as the inadequate or non-existent medical and educational systems it is surprising to note that there have only been four classic revolutions with profound social and economic restructuring of society Based upon the author's firsthand knowledge as a journalist focused on Latin America this book is designed to give the latest information historical or present on such revolutions The human element is emphasized including that of the author but these comments are clearly separated from the body of the work

Britton, 2021-09-15 Mexico and the United States share a border of more than 2,000 miles and their histories and interests have often intertwined The Mexican Revolution which began in 1910 and continued in one form or another for the next thirty years was keenly observed by U.S. citizens especially those directly involved in Mexico through property ownership investment missionary work tourism journalism and education It differed from many other revolutions in this century in that Marxist Leninist theory was only one

of many radical and reformist influences Historian John A Britton examines contemporary accounts written by Americans commenting on social upheaval south of the border radical writers John Reed Anita Brenner and Carlton Beals novelists Katherine Anne Porter and D H Lawrence social critics Stuart Chase and Waldo Frank and banker diplomat Dwight Morrow to mention a few Their writings constitute a valuable body of information and opinion concerning a revolution that offers important parallels with liberation movements throughout the world today Britton s sources also shed light on the many contradictions and complexities inherent in the relationship between the United States and Mexico *Reflections on the Death of a Porcupine and Other Essays* D.
